Independent Auditors' Report on Compliance with City Requirements for the Special Service Area #47

The Commissioners of Special Service Area #47 of Quad Communities Development Corporation

We have audited the balance sheets of Special Service Area #47 of Quad Communities Development Corporation ("QCDC") as of December 31, 2010 and 2009, and the related statements of activities and changes in net assets and cash flows for the years then ended. These financial statements are the responsibility of Special Service Area # 47 of QCDC's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Special Service Area #47 of QCDC's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

The accompanying financial statements were presented to present the operation of Special Service Area # 47 of QCDC as described in Note 1, and are not intended to present the financial position and change in net asset of QCDC.

In our opinion, financial statements referred to above present fairly, in all material respects, the financial position of Special Service Area #47 of QCDC as of December 31, 2010 and 2009, and changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements of Special Service Area #47 of QCDC taken as a whole. The accompanying statement of revenues and expenditures with budget comparisons for the year ended December 31, 2010 is presented for the purpose of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects, in relation to the basic financial statements taken as a whole. The accompanying summary schedule of findings has not been audited by us and, accordingly, we express no opinion on it.

The Quad Communities Development Corporation ("QCDC") was created in 2003 to provide community services, in addition to those provided by the City of Chicago to the Quad Communities Development Corporation which is the industrial area bounded by Cottage Grove Avenue from 40th Street on the north to 51st Street on the south and along 47th Street from Lake Park Avenue on the east to St. Lawrence Avenue on the west. On September 8, 2008, the City Council of the City of Chicago enacted an ordinance, which established an area known and designated as City of Chicago Special Service Area Number 47 and authorized the levy of an annual tax not to exceed an annual rate of three percent of the equalized assessed value of the taxable property therein to provide certain special services in and for the area in addition to the services provided by and to the City of Chicago generally. The area designated as Special Service Area #47 included the identical boundaries defined by the Quad Communities Development Corporation when it was created in 2003.

The special services authorized in the Ordinance included but not limited to maintenance and beautification activities; new construction; coordinated marketing and promotional activities; parking and transit programs; area strategic planning; business retention/recruitment initiatives; building façade improvements; security services; social services; and other technical assistance activities to promote community and economic development which was commensurate with the services provided by Quad Communities Development Corporation. The Commissioner of the City of Chicago's Department of Planning and Development was authorized to enter into an agreement to appoint Quad Communities Development Corporation as the Service Provider for the Special Service Area #47. All activities of the Special Service Area #47 are carried out by the Quad Communities Development Corporation.

The Agreement with the City of Chicago requires an annual independent audit of Special Service Area #47's operations. Accordingly, the accompanying financial statements were prepared to present the operations of Quad Communities Development Corporation's Special Service Area and are not intended to present the financial position and change in net assets of Quad Communities Development Corporation.

SUMMARY SCHEDULE OF FINDINGS (Unaudited)

YEAR ENDED DECEMBER 31, 2010

We have read the requirements of the Service Provider Agreement between Quad Communities Development Corporation, Contractor, and the City of Chicago.

Based on our understanding of the agreement and the facts surrounding the performance under the agreement, we noted no exceptions. Many contractual items were included in the agreement which dealt with non-accounting and non-financial matters of which we had no knowledge.

The total revenues used during the year ended December 31, 2010, were made available from the budgeted sources in amounts specified in the budget.

Finding-1

Budget allowances were available for all line items for which expenditures were made. The actual spending for all items, except for twenty-one (21) items was equal to or less than the budgeted allowance.

Response

We concur with the finding and in the process of monitoring our expenditures that actual spending for all items equal the budget allowance.

Finding-2

Special Service Area #47 of QCDC for the year ending December 31, 2010 unexpended balance of \$336,415 does not equal to 2011 Budget Carryover of \$159,000.

Response

We concurred with the finding. In future, we will continue to have Budget Carryover to reduce the unexpended balance.

Finding-3

Special Service Area chart of accounts are not being utilized in Special Service Area #47 of QCDC's books and records.

Response

We concurred with the finding. Our accountant will utilize the Special Service Area chart of accounts in Special Service Area #47 of QCDC's books and records.
