INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Northalsted Area Merchants Association

We have audited the accompanying statements of financial position of the Special Service Area #18 Fund of the Northalsted Area Merchants Association as of December 31, 2011 and 2010 and the related statements of activities and changes in net assets and cash flows for the years then ended. These financial statements are the responsibility of the management of Northalsted Area Merchants Association. Our responsibility is to express an opinion based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Special Service Area #18 Fund of the Northalsted Area Merchants Association as of December 31, 2011 and 2010, and the changes in its net assets and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The budget comparisons on page 4 and the schedule of carryover expenditures on page 8 are presented for purposes of additional analysis and are not required parts of the basic financial statements. Such information, except for that portion marked "unaudited," on which we express no opinion, has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2011 AND 2010

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Nature of entity

The Northalsted Area Merchants Association ("Association") is an Illinois not-for-profit association which has contracted with the City of Chicago to provide additional services within Special Services Area #18 of the City. Pursuant to that contract, the Association has established the Special Service Area #18 Fund ("Fund") to receive, hold and expend monies received from the City.

Services provided by the Fund include beautification, cleaning and maintenance of the streets and sidewalks; recruitment of new businesses to the Area and retention of existing ones; coordinated marketing and promotional activities; installation and maintenance of a public WiFi zone, a façade and signage improvement program and maintaining a visible office with staff support to carry out promotional, educational and market research functions.

B. Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities (actual and contingent) as of December 31, 2011 and of certain revenues and expenses during the year. Actual data as they subsequently develop may differ from those estimates.

C. Income taxes

The Association and its component Fund are exempt from income taxes under Section 501(c) of the Internal Revenue Code.

2. REVENUES

Substantially all of the Fund's revenue comes from the City of Chicago under successive renewable contracts, currently expiring December 31, 2011.

Property taxes for each tax year are billed to, and due from, property owners in two installments during the succeeding calendar year. Each year's contract provides that the compensation to the Association will be the lesser of the property taxes levied or the total amount of Special Service Area #18 tax funds actually collected for the preceding tax year.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2011 AND 2010

2. REVENUES (continued)

The amount of Special Service Area #18 taxes levied were \$473,600 for the 2010 tax year (payable in 2011), and \$370,700 for the 2009 tax year (payable in 2010).

The Association recognizes revenue under this contract when the collected taxes are distributed to the City of Chicago by Cook County. Accordingly, taxes from prior years of \$41,009 and \$13,137 are included in revenues for 2011 and 2010, respectively.

3. ADJOINING SPECIAL SERVICE AREA

When Special Service Area #18 was reconstituted in 2004, a parcel of real estate was included which was already a part of an adjoining special service area. From 2004 through 2008, funds approximating the tax levy for that parcel were transferred to the adjoining special service area. This agreement with the adjoining special service area was terminated during 2009, but reinstated for 2010 subject to both parties' approval of legal documents.

NET ASSETS

The City of Chicago, and its Special Service Area #18, carry over unexpended tax funds to the succeeding fiscal year's budget. The Association's Board of Directors designates a like amount as a carryover to ensure consistency between the Fund's budgeting process and that of the City. The unexpended balance of tax funds at December 31, 2011 was \$228,896.

5. SUBSEQUENT EVENTS

Management has evaluated subsequent events through the date of the auditor's report.
