

NEIGHBORHOOD BUSINESS DEVELOPMENT CENTERS

Creating a thriving small business ecosystem in Chicago, which is vital to job growth and a strong local economy.

The Chicago Department of Business Affairs and Consumer Protection's (BACP) **Neighborhood Business Development Centers (NBDCs)** play a critical role in fostering equitable small-business environments in the communities they serve across Chicago. The NBDC Program consists of local business service organizations that provide no-cost, hyper-local business development assistance to entrepreneurs and business owners throughout the city. NBDCs provide general business licensing and public way use permitting guidance as well as specialized support services.

For Entrepreneurs and Current Business Owners

NBDCs have a strong neighborhood network and coordinate efforts with local aldermen, the City, and other community partners. Our NBDCs have specialized program types dedicated to assisting start-up entrepreneurs and current business owners during every phase of their journey. They can help with:

- Business-to-business networking opportunities
- Employment and workforce development assistance
- Consumer marketing assistance
