- f. If the physician or mental health practitioner does not certify that the licensee has the capability to safely operate a public passenger vehicle, the Commissioner shall immediately suspend the licensee's public chauffeur license. The licensee must be certified by a physician to have the capability to safely operate a public passenger vehicle before reinstating his or her public chauffeur license.

RULE CH2.03

Drug Testing

- a. Pursuant to Chapter 9-104, the Commissioner, upon receiving a complaint, is authorized to require any licensee to take a test, conducted by authorities approved by the commissioner, for the presence of cannabis or other illegal drug or inebriating substance in the body.
- b. Licensee must follow the processes outlined in the issued drug test authorization form.
- c. Licensee is responsible for the payment of costs associated with drug testing.
- d. Failure to submit to drug testing when requested shall result in the immediate suspension or denial of the public chauffeur license.
- e. If the licensee fails the drug test, the Commissioner shall immediately suspend or deny the licensee's public chauffeur license. The licensee must take and pass a subsequent drug test before reinstating his or her public chauffeur license.

RULE CH2.04**Rehabilitative Educational Course May Be Required**

- a. The Department shall post on the Department Web page a list of approved rehabilitative educational courses (safe driving, defensive driving, attitudinal, professionalism, etc.).
- b. Upon receipt of a complaint or an allegation, the Commissioner or an adjudicative body may require a licensee to enroll and complete a rehabilitative educational course.
- c. If an applicant or licensee is required to take a rehabilitative educational course by agreement, court order, or Commissioner's directive, the applicant shall have up to sixty (60) days to complete such course. The commissioner is authorized to allow extensions to complete the course if the course is not available within the first sixty (60) days.
- d. Only BACP approved rehabilitative educational courses will be accepted.
- e. Failure to complete the rehabilitative educational courses as directed shall result in the immediate suspension of the public chauffeur license.

SECTION 3. LICENSE RENEWALS AND LOST LICENSES**RULE CH3.01****License Expiration and Time for Renewal**

A license shall terminate at 11:59 pm Central Time on the expiration date of the license. The license expiration date shall be listed on the Department issued chauffeur license card. A licensee may renew his or her license in good standing up to sixty (60) days prior to the listed expiration date. Expired licenses must be surrendered to BACP.

RULE CH3.02**Consequences of License Expiration**

Any licensee who fails to renew his or her license within 12 months (one year) after the expiration in good standing (lapse) of his public chauffeur license card will be required to apply for a public chauffeur license as a new applicant.

RULE CH3.03**Surrendering a Public Chauffeur License**

A licensee may surrender his or her chauffeur license card to the Department and supply any additional information requested whenever he or she takes a leave of absence of any amount of time, be

it for travel, illness, other work, etc. Notwithstanding the surrender of a public chauffeur license, a public chauffeur must renew his or her pursuant to MCC Chapter 9-104 and these Rules.

RULE CH3.04 Lost Public Chauffeur License Card

- a. Loss or theft of a public chauffeur license card shall be immediately reported to the Department and the licensee must also make a formal report with the Chicago Police Department.

- b. The legal residential address on file with the Department shall be a proper address for service of notice for any violations or any notices sent by the Department.
- c. A P.O. Box, virtual, rental or paid-for address shall not be accepted as legal residential address. Mailbox services shall not be accepted as legal residential addresses.

RULE CH4.02 Name Change

Licensees and applicants must notify the Department of any change in their name within thirty (30) days of such change, and such notice must be submitted on a form approved by the Commissioner, accompanied by a certified copy of a court order changing the name or a certified copy of a marriage certificate effecting the name change, or any other requested or required supporting documentation.

SECTION 5. PUBLIC CHAUFFEUR CONDUCT

RULE CH5.01 Discrimination is Prohibited

No chauffeur shall discriminate against a passenger or prospective passenger in violation of the Chicago Human Rights Ordinance. For more information, visit the Commission on Human Relations Web page (Chicago.gov/HumanRelations). The Human Rights Ordinance is Chapter 2-160 of the MCC and contains a list of protected classes.

A violation of this rule is considered an aggravated offense.

RULE CH5.02 Street Hails and Cab Stand/Cab Line Staging

Only licensed taxi chauffeurs operating licensed taxicabs may respond to requests for transportation service by passenger street hail or passengers approaching cab stands or cab lines.

Restricted chauffeurs are prohibited from picking up passengers via street hail or from cab stands.

A violation of this rule is considered an aggravated offense.

RULE CH5.03 Only Lessee Public Chauffeur to Operate Leased Vehicle

No person, other than the public chauffeur licensee that has leased the taxicab or public passenger vehicle, shall operate that vehicle for hire. Allowing another public chauffeur licensee to operate the leased vehicle is not a defense to this rule.

A violation of this rule is considered an aggravated offense.

RULE CH5.04 Refusal of Service

- a. After engaged in communication, no taxi chauffeur shall refuse any person transportation.
- b. No taxi chauffeur shall ask a person his or her destination on the public way prior to the passenger entering the vehicle and being seated in the vehicle.

RULE CH5.05 Cab Stand and Cab Line Protocols

- a. Taxicabs entering a cab stand or cab line shall take the rear position.

- b. No taxi chauffeur shall pick up or accept a passenger alongside of, in front of, adjacent to, or on the same side of the street on the same city block where there is an established cab stand unless there are no standing taxicabs waiting in the cab stand.
- c. Picking up or attempting to pick up a passenger by means of by-passing a cab stand, cab line, or authorized staging area (anywhere in the City including the airports) is prohibited at all times.
- d. Nothing in these rules shall be construed to prohibit a passenger from indicating their preference for a particular taxicab standing or waiting in a cab stand or cab line.
- e. Taxi chauffeurs must observe and comply with posted cab stand or cab line signage. Taxi chauffeurs may not overcrowd a cab stand or cab line by exceeding the posted taxicab limit.

RULE CH5.06

Taxicab Presumed to be for Hire

- a. Taxicabs in cab stands and cab lines are presumed to be for hire for passengers approaching the cab stands or lines.
- b. Taxicabs on the street are presumed to be NOT FOR HIRE if the taxicab's top light is off and/or a "NOT FOR HIRE" sign is visibly displayed on the back of the passenger-side sun visor facing the exterior of the taxicab.

RULE CH5.07

Geographical Knowledge and Route

- a. For purposes of this section "direct route" means: the shortest legally drivable distance between two points based on mileage and road conditions.
- b. Public chauffeur licensees must take the most direct route to the passenger's destination unless specifically directed by a passenger to take an alternate route.
- c. Any public chauffeur licensee who on their own initiative deviates from the direct route must obtain verbal permission from the passenger.
- d. Public chauffeur licensees are required to know or have reference material immediately available to determine the location of and the direct route to any requested destination located within the City of Chicago.

- e. The passenger always has the option to direct the route taken and the public chauffeur must follow any route directed by the passenger.
- f. Public chauffeurs who need to consult reference material to determine the direct route to a passenger's destination may do so for a reasonable time provided that the meter is not activated during such time and the vehicle is safely pulled over.
- g. No public chauffeur may transport any passenger to any place other than the specific destination to which the passenger has requested.

RULE CH5.08

Professionalism and Vehicle Operation

All public chauffeur licensees when in possession of or operating a taxicab licensed pursuant to MCC 9-112 or public passenger vehicle licensed pursuant to MCC 9-114 must:

- a. Maintain a professional demeanor and appearance at all times.
- b. Not insult, use verbal or non-verbal profane language, or racial slurs around any person.
- c. Not assault, physically attack, unlawful restraint, or harm any person. **A violation of this rule section c is considered an aggravated offense.**
- d. Operate a taxicab or public passenger vehicle in a safe and lawful manner at all times. Conduct constituting a violation of this rule includes, but is not limited to, operating a taxicab or public passenger vehicle in such a manner as to constitute a violation of any provision of Articles 2 through 12 of the Rules of the Road of the Illinois Vehicle Code (625 ILCS 5/11-100 et seq.) or any other similar local and state laws. A taxicab or public passenger vehicle pick up or drop of a passenger on Lake Shore Drive; in designated bus stops; zones marked with signs "no loading", "stopping", or "standing" zones; or delineated pedestrian cross-walks and bike lanes is considered unsafe operation of a taxicab or public passenger vehicle in violation of this subsection.
- e. Not, with a passenger in the taxicab or public passenger vehicle, use a mobile telephone, computer, notepad, or any other electronic device, whether or not hands-free, while operating such taxicab or public passenger vehicle; unless, the use of the hands-free electronic device is essential to servicing

passengers (i.e. GPS navigational technology or dispatching equipment) and the use of the hands-free device does not result in distracted driving.

- f. Not, while under influence of alcohol, a controlled substance, cannabis, or any similar substance, operate a taxicab or public passenger vehicle, or consume or possess any alcohol, controlled substance, cannabis, or any similar substance. **A violation of this rule section f is considered an aggravated offense and allows for the chauffeur license card to be immediately confiscated by authorized personnel.**
- g. In the event of an accident, chauffeur must tender proof of insurance to the other party involved in the accident, authorized personnel, or law enforcement.

RULE CH5.09 Confiscation of Public Chauffeur License

- a. Authorized Personnel may confiscate a chauffeur license card when:
 - 1. The chauffeur license or driver's license is expired, suspended, rescinded, canceled or revoked; or
 - 2. As part of an investigation, including but not limited to possible fraud or forgery of the chauffeur license card.
- b. Upon notice of any suspension, revocation, or otherwise invalidation of his or her public chauffeur license or state issued driver's license, the public chauffeur must tender the public chauffeur license card to the Department. The public chauffeur must immediately tender the public chauffeur license card to the Department during normal operating hours.

RULE CH5.10 Display of Public Chauffeur License

- a. A public chauffeur must conspicuously display in an approved display holder his or her public chauffeur license card so that the chauffeur's name, license number, and photograph are clearly visible when the public passenger vehicle is in operation or when there is a passenger in the public passenger vehicle.
- b. Only the public chauffeur license of the lessee driver may be on display.

RULE CH5.11 Tampering with Documentation Prohibited

No public chauffeur shall alter, forge, or in any manner tamper with any documentation, including but not limited to, licenses, license applications, airport short trip or fast lane tickets, vouchers, or taxi fare receipts.

A violation of this rule is considered an aggravated offense.

RULE CH5.12

Tampering with Electronic Devices Prohibited

No public chauffeur shall tamper with any electronic devices within the public passenger vehicle, including but not limited to security cameras, credit card machines, taximeters, passenger information monitors, driver information monitors, dispatch equipment and mobile data terminals.

A violation of this rule is considered an aggravated offense.

RULE CH5.13

Chauffeur to Keep Copy of Current Lease in Possession

- a. Every taxi chauffeur who leases a taxicab must have a completely executed and current lease agreement in their possession whenever they are in possession of a taxicab, and they must provide the lease for examination upon demand by Authorized Personnel. Lease agreements may be in paper or electronic form. The form must be approved in advance by the Commissioner.
- b. The owner of the taxicab does not need to possess a lease agreement if that same owner is also the driver of the taxicab.

RULE CH5.14

Deceptive Act

Public chauffeurs, when in possession of or operating a taxicab or public passenger vehicle, must not commit any deceptive act, pursuant to MCC Chapter 2-25, or act of theft against any person.

A violation of this rule is considered an aggravated offense.

RULE CH5.15

Submission of Fraudulent Documents, Forms, or Statements

Any person who submits fraudulent documents, forms, or statements with the intent to be issued a license will be denied a license, new or renewed. Any license issued based on the submission of fraudulent documents, forms, or statements shall be revoked in addition to any other fines or additional penalties.

A violation of this rule is considered an aggravated offense.

RULE CH5.16**Lost and Found**

All public chauffeurs have an affirmative duty to take reasonable and diligent steps to return any lost articles recovered in a vehicle to the rightful owner. Reasonable and diligent steps may include taking and delivering lost property to a police station. If charged with a violation of this rule, a public chauffeur may present evidence in his or her defense, detailing the reasonable and diligent steps the public chauffeur took in his or her attempt to return the found item(s) to the rightful owner. Upon prior approval from the owner of the lost item, a public chauffeur may charge the applicable fare rates, for distance and time traveled, when traveling to return a lost article to the owner.

RULE CH5.17**Requests by Passengers**

Public chauffeurs must comply with reasonable requests of passengers concerning:

- a. The activation of the air conditioning system or the heating system of the vehicle;
- b. The raising or lowering of any of the vehicle's windows;
- c. The volume of any electronic device within the vehicle.

SECTION 6. VEHICLES AND VEHICLE EQUIPMENT**RULE CH6.01****Vehicle Unfit for Public Use**

- a. No public chauffeur licensee shall operate a taxicab or public passenger vehicle that is unsafe or damaged in such a way as to affect the safe operation of the vehicle.
- b. No public chauffeur licensee shall solicit or accept passengers in a taxicab or public passenger vehicle unless the vehicle is in a clean condition. Minimum standards of cleanliness include, but are not limited to:
 1. The interior of the taxicab or public passenger vehicle (including the trunk) must be kept free from all waste paper, cans, garbage, protruding objects or any other item not intrinsic to the vehicle or to the conduct of operating the vehicle;

2. The interior of the taxicab or public passenger vehicle (including the trunk) must be free from all dirt, grease, oil, adhesive resin, or any other item or substance which can be transferred onto a person, clothing or possessions of a passenger by contact; and
3. The interior of the taxicab or public passenger vehicle must be kept free of any noxious or unpleasant odors.

RULE CH6.02 Taximeter

No taxi chauffeur shall operate a taxicab equipped with an inoperable taximeter or a broken Department seal.

RULE CH6.03 Taxicab Fares

- a. Taxi chauffeurs must always activate the taximeter whenever the taxicab is engaged for hire.
- b. Unless otherwise provided in the MCC, no taxi chauffeur shall demand, charge, or collect any fare which exceeds any rate established by City ordinance. In addition to any other penalties, a taxi chauffeur demanding, charging, or collecting a fare other than the rates established by City ordinance will be required to refund the full amount collected.
- c. All tips are at the discretion of passengers and no taxi chauffeur shall ever demand or request a tip.
- d. No taxi chauffeur shall request prepayment of the taxi fare.

A violation of this rule is considered an aggravated offense.

RULE CH6.04 Payment of Taxicab Fares.

- a. Taxi chauffeurs must accept cash and readily accepted forms of electronic payment, including major credit and debit cards, for cab fare payment without exception.
- c. A credit card must be accepted as follows:
 1. No minimum charge may be imposed for the use of an electronic form of cab fare payment;
 2. Service may not be refused to any person desiring to use an electronic form of payment described in section (a) of this rule;

3. Electronic payments must be processed on the Department-approved, rear-mounted credit card processing equipment unless this equipment is not operational. If the Department-approved credit card processing equipment is not operational, the taxi fare payment must be called into the applicable affiliation or contracted electronic payment processing company for processing; and
 4. A taxi chauffeur who processes electronic fare payment by means other than those set out in Rule 6.04(b)(3) is subject to license suspension or revocation and shall be required to refund the full taxicab fare.
- c. Public chauffeur licensees shall safeguard all financial information and must not store, keep, or personally retain any passenger's personal and financial information.

A violation of this rule is considered an aggravated offense.

RULE CH6.05

Credit Card Processing Convenience Fee

The convenience fee or technology fee referenced in MCC 9-112-600 (b-1) for non-cash payment of taxicab fares, may only be collected via the credit card processing equipment installed in the rear seat. The convenience fee must be pre-programmed into the electronic transaction process. A taxi chauffeur may not add the convenience fee manually as a meter extra nor request the payment of the convenience fee for unauthorized non-cash payment processing.

RULE CH6.06

Receipts

Public chauffeurs must offer the passenger a receipt as outlined in Rule TX5.05, unless declined by the passenger. The receipt may be sent to a passenger electronically if requested by the passenger and the capability exists to do so.

RULE CH6.07

Required Signage Inside and Outside Taxicabs

- a. Taxi chauffeurs shall exercise due diligence ensuring that mandated signage, decals, and bumper stickers are affixed inside and outside the taxicab as required when driving the taxicab with passengers.
- b. If a taxi chauffeur is charged with a violation of this rule for failing to operate a taxicab with Department required signage,

the taxi chauffeur may present a defense to the charge by establishing that the violation was corrected within thirty-six hours.

RULE CH6.08 Required Vehicle Lights Must be Operational

- a. Public chauffeur licensees shall exercise due diligence ensuring that mandated vehicle lights (top light, headlights, taillights, brake lights, etc.) are operational and lit as required while driving the taxicab or public passenger vehicle.

- b. If a public chauffeur licensee is charged with a violation of this rule for failing to operate a taxicab or public passenger vehicle with required operational vehicle lights, the licensee may present a defense to the charge by establishing that the violation was corrected within thirty-six hours.

SECTION 7. TAXICAB TWO-WAY DISPATCH TECHNOLOGY

RULE CH7.01 Two-Way Dispatch Equipment and E-Hail Dispatch Apps

Taxi licensees and taxi chauffeurs are required to participate in and accept payment through E-Hail Dispatch Apps approved by the City of Chicago Consolidated Taxicab Dispatch (E-Hail) Program pursuant to MCC §9-112-565.

The Department shall publish and post compliance requirements for taxi chauffeurs to follow, participate, and support the City of Chicago Consolidated Taxicab Dispatch (E-Hail) Program at the Department Web page.

SECTION 8. OPERATIONS AT AIRPORTS

RULE CH8.01 Airport Protocols

As referenced in MCC 9-112-560 (f), airport taxi “Shared Rides” are flat taxi shared rides that allow two or more independent travelers to choose to share a taxi from a designated airport cab stand for a flat rate per person. Authorized Personnel have complete authority to make final decisions pertaining to the loading of Shared Ride passengers at the airports. Taxi chauffeurs must follow the instructions of Authorized Personnel at all times.

SECTION 9. WHEELCHAIR ACCESSIBLE VEHICLES

RULE CH9.01 Wheelchair Accessible Vehicle (WAV)

No passenger in a wheelchair shall be transported in a wheelchair accessible vehicle (WAV) unless the wheelchair is properly secured by tie-downs or other systems approved or required by the Americans with Disability Act and rules and regulations promulgated thereunder. Taxi chauffeurs have an affirmative duty to make sure that passenger using wheelchairs are properly secured in WAV taxicabs before initiating transportation.

A violation of this rule is considered an aggravated offense.

RULE CH9.02 Specialized WAV Training

All taxi chauffeurs must complete and pass the BACP-approved Accessibility Course on servicing passengers with disabilities before leasing or operating a WAV for the first time.
