**Summary of Public Comments:**

Jose from NPI mentioning of DCOs and CPD reporting on their shifts in depth for their reports. These reports are not in relation to do with crime rather problem solve. Would work with myself and Alees on having a conversation on engagement with beats 10 and 11 in North Lawndale.

**Discussion:**

Brainstorm ideas on budgeting

**Community Updates:**

**District Council Member Updates:**

- No updates with chair
- Nominating committee: Angel's name was held up due to being staffed in the 48<sup>th</sup> ward and in the board of ethics does not find conflict. Name is still being held up. Alderman in 48 ward creating a working agreement tow distinguish both roles. In sum, his nomination is still held up and still push nomination forward. Packet produced to show support Angel has to serve on commission. Work with the mayors office to add to agenda to the police and fire committee. Other DCs vocalzing a 40 page report and how this happened somewhat concerned about starting over again.
- Discussing the City engaging across the city on police engagement and alternative response to 911. This would be done thru trusted CBOS- 8 to be in total. The Resurrection Project that I work for would be one of those agencies covering, Pilsen, Little Village and Back of the Yards. More to come. Inviting DCS to also facilitate a roundtable if interested.
