District Council Member Updates

Candidates Nominated to Fill CCPSA Vacancy

On Dec. 6, the District Council Nominating Committee voted to fill a vacancy on the Community Commission for Public Safety and Accountability (CCPSA)

The vacancy required candidates who live on the West Side of Chicago and have 10+ years experience as an attorney.

The Nominees:

- **Gina Piemonte:** 30+ years in Cook County Public Defender's Office
- **Shay Allen:** Civil rights and criminal defense attorney, with experience as a Cook County Assistant State's Attorney

The Nominating Committee met on Dec. 6, 2024 at the Garfield Park Golden Dome Field House to choose nominees for the CCPSA.

Engagement Sessions

Holding a total of 8 community engagement sessions

These are the remaining sessions

Jenny is attending the one on the 17th and also one earlier this month in Gresham

Remaining Questions:

None are on the north side of the city. Why? Are they going to add any?

How are they going to use the information from these sessions to inform their work?

Others?
Let us know

Burglaries in the District

- CPD Command Staff has noticed decrease in activity here
- They have had success in arresting a few criminal teams (some even in the act)
- Criminal teams had been shifting hours when they would commit burglaries and CPD would have to adjust their tactical teams accordingly
- CPD Officers DO have ability to chase, but judgment call by officer

- Meetings with local Alders Offices (Ald. Martin, Ald. Lawson)
- Meeting with Mayor's Office (Allie Lichterman, Project Mgr)
- Meeting with Dr. Linda Siebert (Sen. Feigenholtz office)
- OEMC Tour

Meeting Highlight: Office of Emergency Management and Communication (OEMC)

The Office of Emergency Management and Communications coordinates the city's public safety and emergency response efforts, including 911 and 311 call handling, emergency management, traffic management, and disaster preparedness.

Created to ensure seamless communication between first responders, manage large-scale events, and prepare for potential crises, such as severe weather or public safety threats.

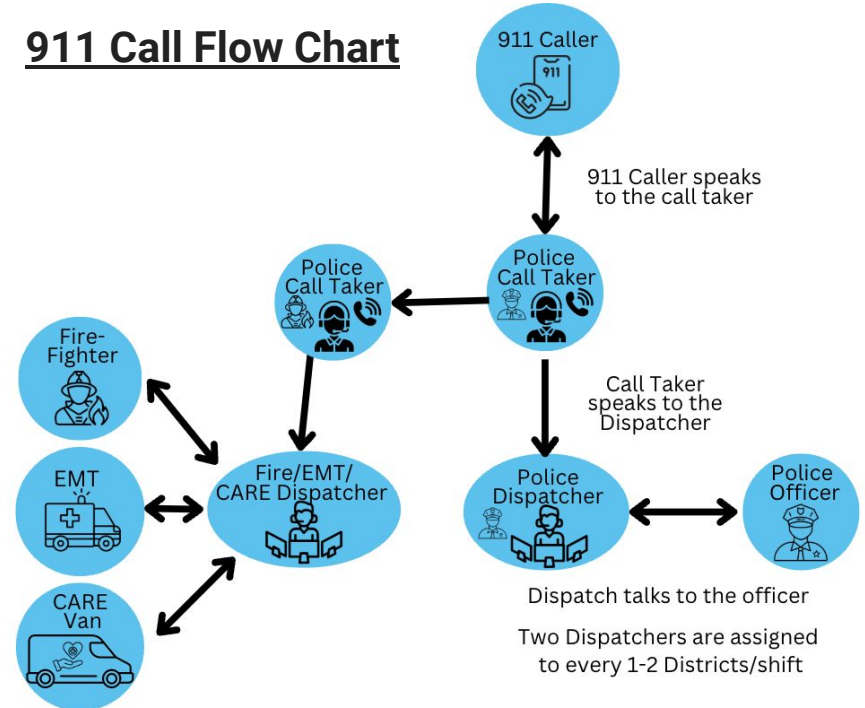

OEMC also operates the city's Emergency Operations Center and facilitates public safety technology, including real-time camera feeds and public alert systems.

CARE Update

City run mental health crisis response team made of mental health clinician and paramedic.

Not a big update here.

New vans are waiting on final sign offs from Illinois Department of Public Health. There have been a series of delays but hoping to start on Monday.

Teams continue to do outreach in the meantime.

Meeting Highlight: Commission Meeting

One key power the Community Commission for Public Safety and Accountability (CCPSA) has is the ability to set goals for the CPD Superintendent, COPA Chief Administrator, and the Police Board President.

Draft goals for CPD include:

1. Strengthening the relationship between police and community
2. Completing the workforce allocation study
3. Goal around officer affiliations with extremist groups
4. Member Wellness
5. Stronger victim services

Meeting Highlight: Commission Meeting

Draft goals for Police Board include:

Committed to review and revising the rules and regulations for governance of CPD

- Rules and regulations establish the general goals, duties, and rules of conduct of every CPD officer
- The current ones are very outdated

They are going to be looking for community engagement and feedback during this process. One way is by giving public comment at their meetings held on the third Thursday of each month.

Visit their website: <https://www.chicago.gov/city/en/depts/cpb.html>

Meeting Highlight: Commission Meeting

Draft goals for COPA include:

1. Finalize and publish communication plans around how they share their work (ie. video release policy)
2. Expanding pattern and practice investigations - they now have a fully staffed Policy, Research, and Analysis Division (PRAD)
3. Establish a community mediation practice
4. Grow their relationship with CCPSA

Welcoming Community Groups

- If you are a part of a community group in the 19th District, please let us know:

Working with OEMC towards Alternative Response Model

9.2 Meet with OEMC to identify opportunities & barriers to implement an Alternative Response Model

- We've added a new goal to the list related to investigating how the city can begin to implement an Alternative Response Model
- We've established a point of contact within the department of OEMC
- We've toured the facility to understand it's processes
- We will continue working with this department to identify opportunities & barriers to implement an Alternative Response Model

2024 Recap

2024 Monthly Meeting Topics

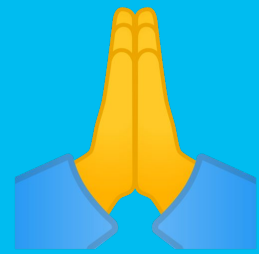

January	Ride-Alongs & CCPSA Nomination	July	Pretrial Fairness Act
February	CPD Consent Decree Independent Monitoring Team	August	Mental Health Resources Update
March	Neighborhood Policing Initiative (NPI)	September	CPD Budget Process/ Community Input
April	Pretextual Traffic Stops	October	Mental Health Crisis Intervention
May	Community Partnership Plan	November	911 Calls for Service Analysis
June	Race & Policing	December	2024 Recap, Care Package Assembly, and COOKIES!

Notable 2024 Accomplishments

019 PDC Website Resource Page	Maurilio designed and built out our website with tons of resources related to various topics, making them all readily available for public consumption (and easy to find!)
019 Roll Calls	Attended CPD Roll Calls at the 019 Town Hall to get to know our officers, introduce ourselves and the DC position, and pass out our Mental Health Palm Cards.
CCPSA Priority to Explore Alternative Response	Jenny drafted and passed a goal on behalf of our Council so that our CCPSA Commissioners focus on and prioritize our initiative to create an Alternative Response Model in Chicago. We look forward to continuing to work with the Commissioners to find the best path forward here.
Data Analytics Working Group	Maurilio formed a team of dedicated volunteers to help dig into the many data sources available to the community, and played an instrumental role in our 911 Calls for Analyses initiative (with more to come).
Mental Health Palm Cards	Jenny enrolled key mental health organizations in our neighborhood and led the design and creation of our Mental Health Palm Cards. More than 1,500 have been distributed!
Neighborhood Groups Networking Event	Organized a networking event with many of the 19th District's neighborhood groups so members could get to know one another and share information. It was a very positive engagement!

Notable 2024 Accomplishments

Nominating Committee CCPSA Appointments	Sam helped lead design, structure, and implementation of first ever nomination process of CCPSA Commissioner appointments and successfully nominated the first permanent Commissioners.
Refinement of our Role as District Councilors	As part of the first-ever class of District Councilors, we made terrific progress in defining our role in ways that we believe will make meaningful change in our public safety system, while advocating for the needs expressed by our community. We now work to address the immediate needs of our community, while remaining focused on long term strategies that will help address some root cause issues. We also take enormous pride in our constant push for positive relationship building with all stakeholders involved with our work.
Strengthening District Councils via OMA Reform	Sam continues to work with state legislators to revisit the Open Meetings Act so that District Councils across the city can function more effectively.
Strong Relationships with Alders, Elected Officials, and CPD Command Staff	We've maintained and bolstered relationships with many of the stakeholders involved in completing our work. We are very fortunate to have great leaders in our district that help us better understand our public safety landscape, while offering their guidance and help. Thank you!
Workforce Allocation (WFA) Study	Continued to push and advocate for the implementation of the WFA Study, which was passed UNANIMOUSLY in City Council after Ald. Martin's introduction. The contract was delayed, but recently signed into action. We look forward to providing our community's feedback into the creation of this study!

THANK YOU to all of our
residents, attendees,
volunteers, staff, and friends
for **ALL** your help this year!!
