Parker- On January 25th, Lee and I attended the CCPSA Monthly Public Meeting where the Supt., COPA Chief Administrator and Police Board President were presented with their established goals and expectations. Each of those leaders committed to working to achieve those goals. Tonight, there is a District Council planning meeting to strategize topics for 2024 Quarterly meetings. At these meetings, District Councilors will bring concerns of resident in their respective districts to help make recommendations to the CCPSA Commissions and the Supt. On Thursday, the CCPSA is hosting a public status hearing on gunshot detection technology at St. Sabina at 630pm. On February 13th I will attend a Public Status Hearing on the CPD Consent Degree. At this hearing, the City of Chicago and the State of Illinois will report on Officer Wellness and Support.
