COMMUNITY COMMISSION FOR
PUBLIC SAFETY AND ACCOUNTABILITY

**NEW CPD
GENERAL
ORDER
G01-11**

***(COMMUNITY COMMISSION FOR
PUBLIC SAFETY AND ACCOUNTABILITY)***

WHAT IS GENERAL ORDER G01-11?

- Under the CCPSA Ordinance, the Commission has the authority to review and approve CPD policies (“General Orders”) outside the Consent Decree.
- G01-11 sets guidelines and expectations for how CPD engages with the Commission and elected District Councils.

WHY DOES THIS MATTER?

- ✓ **Establishes clear expectations** for CPD to engage with District Councils and address their input and concerns
- ✓ Creates **structured collaboration processes** with the Commission
- ✓ Ensures **accountability & transparency** in CPD's engagement with the Commission and District Councils
- ✓ Strengthens **community engagement & oversight**

KEY HIGHLIGHTS OF G01-11

CPD will **train its members** on the CCPSA, including the roles of the Commission and District Councils

CPD will **designate an official liaison** for CCPSA coordination, including tracking and fulfilling requests for information

CPD will **engage with District Councils** through regular check-ins and attending public meetings

IMPROVING INFORMATION ACCESS

CPD **must document, track, and respond** in writing to Commission and District Council data requests

CPD **must follow up** within 14 days, and explain any delays or denials

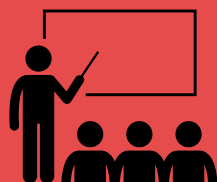

STRENGTHENING COMMUNITY ENGAGEMENT

CPD District leadership will attend District Council public meetings and participate when requested

Establishes regular check-ins between CPD and District Councils

Requires CPD to explore training opportunities with the Commission, District Councils, and CCPSA staff

A COLLABORATIVE EFFORT

This General Order was based on a priority proposed by the District Councils at their 2023 Annual Meeting

The Commission and the Chicago Police Department worked for 9 months to refine this order

Received feedback from District Councils and community members across the entire city
