MEMBERS OF THE PUBLIC.

1 PRESIDENT COOPER: We're going to get
2 started, and I'm going to call the board's March
3 20th public meeting to order.

4 My name is Kyle Cooper. I am the
5 president of the Chicago Police Board, and we'd
6 like to thank CAN-TV for covering this meeting.
7 It is being live-streamed at CAN-TV.org and on
8 the CAN-TV app, also being televised on CAN-TV
9 Channel 27.

10 Along with myself, we have the
11 following board members present tonight: Board
12 Member Claudia Badillo, Board Member Tyler Hall,
13 Board Member Katherine Liss, Board Member Arlette
14 Porter, Board Member Andreas Safakas, and Board
15 Member Cynthia Velazquez. Board member Steven
16 Block is unable to attend this meeting in person
17 and would like to attend remotely. Is there a
18 motion to permit him to do so?

19 BOARD MEMBER BADILLO: So moved.

20 BOARD MEMBER LISS: Second.

21 PRESIDENT COOPER: All in favor, raise your
22 hand and say aye.

23 (CHORUS OF AYES.)

24 PRESIDENT COOPER: Seeing all hands raised,

1 the motion passes.

2 In addition to the Chicago Police
3 Board members, we have the following City
4 officials with us this evening: Chief Angel
5 Novalez. We have the Inspector General for the
6 City of Chicago, Ms. Deborah Witzburg. We have
7 General Counsel for the Civilian Office of Police
8 Accountability, Mr. Robin Murphy. We have
9 Timothy Moore for the Chicago Police Department's
10 Bureau of Internal Affairs. We have the General
11 Counsel to the Superintendent of Police, Mr.
12 Scott Spears, and as always, we have the Police
13 Board's executive director, Mr. Max Caproni.

14 Before we proceed to the items
15 on the meeting agenda, I am pleased to report
16 that Mayor Brandon Johnson has designated
17 Ms. Claudia Badillo as vice president of the
18 Police Board. Vice President Badillo joined the
19 Board in June of 2020, and I am confident and
20 know that she will continue to make an
21 outstanding impact on the Board's work, and I am
22 excited for her new role as vice president.

23 BOARD MEMBER BADILLO: Thank you, everyone.

24 PRESIDENT COOPER: We now turn to the items

1 on the meeting agenda.

2 Minutes. Is there a motion to
3 approve the draft minutes of the Board's public
4 and closed meeting held on February 20th?

5 BOARD MEMBER BADILLO: So moved.

6 PRESIDENT COOPER: All in favor, please raise
7 your hand and say aye.

8 BOARD MEMBER LISS: I'd like to second.

9 PRESIDENT COOPER: Hold on. We're getting a
10 second.

11 BOARD MEMBER LISS: Second.

12 PRESIDENT COOPER: All in favor, please raise
13 your hand and say aye.

14 (CHORUS OF AYES.)

15 PRESIDENT COOPER: Seeing all hands raised
16 and hearing all ayes, the motion passes.

17 The next regular public meeting of
18 the Board is scheduled to take place on Thursday,
19 April 17th, at 7:30 p.m., and that meeting will
20 be where all the Chicago Police Board meetings
21 are held, which is right here at the Chicago
22 Public Safety Headquarters.

23 The Police Board meets in executive
24 session to discuss various matters. Those

1 discussions are closed to the public as
2 authorized by Section 2(c)(1), (4), (11), and
3 (21) of the Illinois Open Meetings Act.

4 Information on matters discussed in the executive
5 sessions is included in the minutes of the
6 meetings posted on our website.

7 Is there a motion to close a series
8 of future executive sessions as authorized by
9 these sections of the Open Meetings Act?

10 VICE PRESIDENT BADILLO: So moved.

11 BOARD MEMBER LISS: Second.

12 PRESIDENT COOPER: All in favor, please raise
13 your hand and say aye.

14 (CHORUS OF AYES.)

15 PRESIDENT COOPER: Seeing all hands raised
16 and hearing all ayes, the motion passes.

17 I now want to take this time to go
18 over the Police Board's 2024 annual report. And
19 for those in the room, there's some slides that
20 you can follow along with.

21 So just so every member of the
22 public and those listening knows, you can find
23 the Police Board's 2024 annual report online at
24 Chicago.gov/PoliceBoard, and the Board's website

1 includes data on disciplinary cases, police
2 officer applicant appeals, and the Police Board's
3 compliance with the Consent Decree.

4 So for 2024, when COPA and CPD do
5 not agree regarding the discipline of a Chicago
6 Police Department officer, and CPD is proposing
7 no discipline or less discipline than COPA, the
8 matter's referred to one randomly selected Police
9 Board member who will then rule on the
10 disagreement.

11 In 2024, there were six rulings for
12 COPA and one ruling for CPD on disagreement
13 cases. Those numbers, just to put them in
14 context with the numbers from 2020 to 2024, there
15 have been 58 rulings for COPA during that period
16 or 77 percent of disagreement cases been in favor
17 of COPA, and 17 rulings for the Chicago Police
18 Department or approximately 23 percent of
19 disagreement cases were decided for the
20 Superintendent from 2020 to 2024.

21 The second type of police
22 disciplinary case that comes to the Police Board
23 is when there is a recommendation to discharge
24 the accused officer from the Chicago Police

1 Department. Police officers who are members of
2 the Fraternal Order of Police have arbitration
3 options. So in 2024, there have been seven new
4 cases filed with the Police Board, and three
5 officers out of those seven cases have elected
6 the arbitration option. Five cases have been
7 decided by the Police Board. In two of those
8 cases, the officer was discharged from the
9 Chicago Police Department. One officer was found
10 not guilty of all charges, one officer was
11 suspended without pay as part of a settlement
12 agreement, and one officer resigned from CPD
13 prior to a hearing.

14 The next slide contains a chart
15 showing the number of cases -- discharge cases
16 that were filed with the Police Board. And I
17 just want to note for those in the room looking
18 at the chart, you can see that the number
19 of charges filed with the Police Board dropped
20 precipitously from 2023 to 2024. And this
21 decrease we think is largely the result of police
22 officers who belong to the FOP being able to
23 choose the arbitration option, as that option
24 commenced early 2024. Seven cases were filed

1 before the Police Board last year compared to 23.
2 And you will see in the chart from 2023, and thus
3 far one case has been filed in 2025. And just to
4 sort of get a better understanding as to why
5 we're seeing a drop in the number of charges that
6 have been filed, I recently spoke with the CPD,
7 and the City's Law Department to discuss the
8 decline of cases that have been filed with the
9 Board, and they assured me they are working
10 diligently to review cases and to reduce the
11 backlog in handling of the most serious police
12 disciplinary cases. I will continue to keep the
13 police -- the public updated on the number of
14 cases filed with the Police Board. And based on
15 my conversations that I had with Mr. Scott
16 Spears, who is here with us tonight, and the Law
17 Department, it looks as if there will be more
18 cases that will be filed in the near future which
19 should result in more cases ultimately being
20 heard by the Board.

21 As for the ongoing litigation on
22 arbitration of police disciplinary cases, we are
23 still waiting to hear whether the Illinois
24 Appellate Court will hold oral arguments in the

1 case before it. It appears that it will be at
2 least several months before the Court decides the
3 case, and after the Court ultimately rules on
4 the -- at an appellate level, it is likely that
5 the losing side or a side that lost on parts of
6 the issue in the Appellate Court is likely to
7 appeal any part of that decision to the Illinois
8 Appellate Court. So it might be some time before
9 we have some finality as to what the arbitration
10 option might look like and how it might be
11 instituted after the litigation has been fully
12 resolved.

13 The next slide details some
14 statistics from 2020 to 2024 regarding discharge
15 cases decided by the Police Board.

16 So following a hearing on the
17 charges, 23 officers have been discharged from
18 the CPD. That's around 44 percent of the cases
19 that we heard from 2020 to 2024. 18 officers
20 have been suspended without pay, around 35
21 percent of the cases, and 11 officers have been
22 found not guilty on all charges. That number
23 constitutes around 21 percent of all cases that
24 the Board heard from 2020 to 2024.

1 There were also a number of cases
2 that were resolved prior to a hearing on the
3 charges. So in 21 instances, officers resigned
4 from the Chicago Police Department rather than
5 going forward to hearing on the charges. And
6 four officers were suspended without pay as a
7 part of a settlement agreement that was reached
8 prior to those cases going to a full hearing
9 before the Board.

10 In addition to discharge cases, the
11 Board also hears appeals from applicants who have
12 applied to become probationary police officers.
13 And by law, those applicants must show by a
14 preponderance of the evidence that the
15 disqualification decision was erroneous.

16 In 2024, 57 disqualifications were
17 affirmed by the Police Board or 85 percent of
18 such cases. Ten disqualifications were reversed,
19 around 15 percent. Those numbers are more or
20 less in line historically with the numbers that
21 we've seen from 2021 to 2024, in which 97
22 disqualification decisions were affirmed, which
23 is 82 percent, and then 21 disqualification
24 decisions were reversed or around 18 percent.

1 The next area that I want to update
2 the public on is the Board's compliance with the
3 Consent Decree obligations. I want the public to
4 know that the Police Board has made significant
5 progress by putting in place reforms in the areas
6 of police accountability and transparency. For
7 example, the Board has streamlined discovery in
8 disciplinary cases and now has written hearing
9 officer reports of evidence presented at
10 hearings. We track and report on responses to
11 community input at monthly public meetings.
12 We've expanded training for Police Board members
13 and hearing officers, and we've published
14 aggregate and case-specific data on the Police
15 Board's website.

16 The Independent Monitor who is
17 overseeing the Consent Decree recently released
18 its tenth semiannual report on the City's
19 compliance with the Consent Decree in November of
20 2024. Of the 13 paragraphs which the Police
21 Board is responsible for implementing, the
22 Monitor found the Board to be in full compliance
23 with the requirements of 10 of these paragraphs
24 and in preliminary compliance with 3 paragraphs.

1 And just as a side note, we
2 anticipate that the Board will be fully complied
3 with those remaining three paragraphs by the end
4 of 2025.

5 The next item on the agenda is
6 police disciplinary cases. And there's one
7 announcement of a ruling in a disciplinary case
8 this evening, and that announcement will be made
9 by Board Member Steven Block who is joining us
10 via telephone.

11 BOARD MEMBER BLOCK: Thank you. Good
12 evening. I was randomly selected from the Police
13 Board's membership to consider one matter on
14 which the Chief Administrator of the Civilian
15 Office of Police Accountability and the
16 Superintendent of Police did not agree regarding
17 discipline of a sergeant and a police officer.

18 In request for review number
19 24 RR 08 and 09, the Chief Administrator
20 recommended that Sergeant Christopher Liakopoulos
21 and Police Officer Ruben Reynoso be discharged
22 from the Chicago Police Department for
23 discharging a firearm at two persons, failing to
24 render aid, and failing to secure a scene in

1 violation of CPD general orders. The
2 Superintendent disagreed with the Chief
3 Administrator's recommendations for discipline.
4 The Superintendent proposed no discipline for
5 Sergeant Liakopoulos and Officer Reynoso, arguing
6 that they complied with CPD general orders.

7 After thoroughly reviewing this
8 matter, it is my opinion that the Superintendent
9 met the burden of overcoming the Chief
10 Administrator's recommendation for discipline as
11 to Sergeant Liakopoulos. It is my opinion that
12 the Superintendent met the burden of overcoming
13 the Chief Administrator's recommendation
14 regarding allegation numbers 1 and 2 of Officer
15 Reynoso, but did not meet the burden of
16 overcoming the Chief Administrator's
17 recommendation regarding allegations 3 and 4 as
18 to Officer Reynoso.

19 A copy of the written opinion that
20 explains my ruling will be posted on the Board's
21 website.

22 PRESIDENT COOPER: Thank you, Board Member
23 Block.

24 The next item on agenda appeals by

1 disqualified applicants to become Chicago police
2 officers.

3 When a person who applies to become
4 a Chicago police officer is disqualified and
5 removed from the eligibility list due to the
6 results of a background investigation, that
7 person has a right to appeal that decision to the
8 Police Board. The Board, as authorized by the
9 Open Meetings Act, has discussed in a closed
10 meeting several appeals. We will now take final
11 action on those appeals. Is there a motion to
12 affirm the disqualification decision for the
13 following appeals: 22 AA 63-67 and 69 and
14 reverse qualification decision for appeal
15 24 AA 68?

16 BOARD MEMBER BADILLO: So moved.

17 BOARD MEMBER LISS: Second.

18 PRESIDENT COOPER: I will now call on members
19 of the Board for their votes. Board Member
20 Badillo.

21 BOARD MEMBER BADILLO: Aye.

22 PRESIDENT COOPER: Board Member Block.

23 BOARD MEMBER BLOCK: Aye.

24 PRESIDENT COOPER: Board Member Hall.

1 BOARD MEMBER HALL: Aye.

2 PRESIDENT COOPER: Board Member Liss.

3 BOARD MEMBER LISS: Aye. Except I dissent
4 from 24 AA 68.

5 PRESIDENT COOPER: Board Member Porter.

6 BOARD MEMBER PORTER: Aye. Except I recused
7 myself from 24 AA 66.

8 PRESIDENT COOPER: Board Member Safakas.

9 BOARD MEMBER SAFAKAS: Aye.

10 PRESIDENT COOPER: Board Member Velazquez.

11 BOARD MEMBER VELAZQUEZ: Aye, except I
12 dissent from 24 AA 68.

13 PRESIDENT COOPER: I vote in favor of the
14 motion and the motion passes.

15 The written decisions of these
16 appeals will be entered as of today's date, sent
17 to the parties and published on the Board's
18 website.

19 At this time, I would now ask for
20 Chief Novalez to give the Superintendent's
21 report.

22 CHIEF NOVALEZ: Good evening, everybody. My
23 name is Angel Novalez. I am Chief of
24 Constitutional Policing and Reform. As always,

1 it is an honor to sit here for Superintendent
2 Larry Snelling and share the evening with you.

3 Earlier this week, our Department
4 celebrated new promotions. These promotions
5 included Chief Yolanda Talley who was promoted to
6 First Deputy Superintendent of Police, and she
7 will be the first woman to hold this role. This
8 is the second in charge of our Department. First
9 Deputy Talley was the longest serving chief on
10 the Superintendent's leadership team and has
11 decades of experience spanning across multiple
12 years.

13 Also, Managing Deputy Director
14 Allyson Clark Henson was promoted to Executive
15 Director of Constitutional Policing and Reform.
16 She has been an important member of the CPD team
17 responsible for implementing sustainable reforms
18 across CPD, and we know she will continue to
19 ensure that we fulfill our Consent Decree
20 obligations moving forward.

21 This past Sunday, CPD increased its
22 presence across the City to ensure St. Patrick's
23 Day celebrations were safe. Our officers were at
24 major celebrations, including the dyeing of the

1 river green, south side Irish parade, the
2 downtown parade and, the northwest side Irish
3 parade.

4 Many of these officers worked
5 canceled days off this weekend to ensure the
6 celebrations concluded safely and without
7 incident.

8 Across CPD, we continue to zero in
9 on public safety patterns that we are seeing
10 throughout the City, including robberies. The
11 robbery task force recently cleared the city-wide
12 robbery pattern that occurred between September
13 and December of last year. One offender was
14 charged with 11 felony counts of armed robbery
15 with a firearm and the second offender was
16 charged with six felony counts of armed robbery
17 with a firearm.

18 The investigators on this task
19 force built a strong case based on digital and
20 video evidence to secure charges against these
21 three offenders.

22 We specifically want to highlight
23 this because in many cases we see repeat
24 offenders.

1 When we apprehend these repeat
2 offenders, we are able to prevent future
3 robberies from occurring. Robberies are down 34
4 percent because of the work this robbery task
5 force is doing.

6 The task force is just one example
7 of how we are strategically addressing crime and
8 ensuring criminal members are held accountable.

9 Thank you four your time. And as
10 always, I'll take copious notes, and I will brief
11 the Superintendent as soon as I meet with him.
12 Thank you very much.

13 PRESIDENT COOPER: Thank you, Chief Novalez.
14 I'd also like to extend my congratulations to
15 First Superintendent Talley.

16 At this time, I would like to call
17 on Robin Murphy to give COPA's report.

18 MR. MURPHY: Thank you, President Cooper.
19 Robin Murphy, general counsel of COPA. First,
20 I'd like to provide a leadership update for COPA.
21 We are working with the Community Commission for
22 Public Safety and Accountability in their search
23 for a permanent Chief Administrator as set forth
24 by the Consent Decree and Chicago's Municipal

1 Code.

2 In the meantime, COPA eagerly
3 anticipates the Mayor's Office's selection of an
4 interim chief.

5 We continue to remain fully
6 operational in conducting all our critical
7 business, investigations, intake of complaints of
8 CPD members and our community engagement and
9 transparency efforts.

10 We have now reached over 90 percent
11 full compliance with our Consent Decree
12 requirements. Under the oversight of the Consent
13 Decree monitors, these continuing processes
14 ensure this good work continues as the search for
15 a permanent chief is underway.

16 Finally, we appreciate the continued
17 collaboration with BIA on our joint efforts
18 around sexual misconduct investigations, building
19 greater consistency in disciplinary
20 recommendations, and relaunching of the City's
21 pilot Community Police Mediation Program.

22 Finally, I'd like to give some
23 numbers from COPA. In February, we received 294
24 complaints and notifications. 66 of those were

1 under COPA's jurisdiction, which fell in 248
2 allegations, 41 percent of those allegations were
3 Fourth Amendment, improper search and seizure.
4 We received one notification of officer-involved
5 shooting, and we concluded two officer-involved
6 shooting investigations.

7 COPA released two video releases
8 under the City's release policy, and COPA engaged
9 in 13 different community engagement events
10 throughout the City of Chicago. Thank you.

11 PRESIDENT COOPER: Thank you, General Counsel
12 Murphy.

13 At this time, I will now like to
14 call the members of the public who are signed up
15 to speak at this month's meeting. I would just
16 ask that each member who signed up to speak limit
17 their comments to two minutes so that other
18 members of the public can also speak as well. So
19 with that being said, the first individual who
20 signed up is Ms. Melanie Hogan. Is there a
21 Melanie Hogan who is here?

22 MS. HOGAN: Good evening. My name is Melanie
23 Hogan. I am the founder of ChiLove here in
24 Chicago. The last time I spoke, I spoke about

1 the youth and the increased violence that's going
2 on. And as you see, social media and news, it
3 has increased more and more. We're seeing news
4 of more children's bodies being laid out on the
5 pavement, getting attacked at parks and
6 everything.

7 Last night, on Facebook, I created
8 a group called Is This Your Child? So,
9 hopefully, the more people we get to join, when
10 we see the kids outside acting unruly, engaging
11 in activities that they know that they're not
12 supposed to be engaging in, perhaps that could be
13 a segue to get the parent involved so that they
14 can, you know, scroll through and see -- identify
15 is their children in these groups that's out here
16 that's tearing up, that's shooting. They're
17 harming each other.

18 So I like to come with some sort of
19 idea or solution so that -- you know, we can all
20 get up here and just fuss. I like to see some
21 type of way that we can do things. Maybe think
22 outside of the box when it comes to decreasing
23 the crime here in Chicago.

24 And I'm proud of y'all. The

1 reports against the police have increased as far
2 as, you know, them getting violent, but there
3 needs to be something down out here on these
4 streets, especially at night. They are aware
5 that there is a different group of police
6 officers in the daytime than nighttime. The ones
7 in the daytime kind of know the neighborhood a
8 little better. At nighttime is when we're really
9 seeing them start to cut up. So I don't know if
10 there's some of the juvenile detectives or
11 something could be on calls to come and intercede
12 when the regular police officers don't want to
13 because it is really getting to the point where a
14 lot of adults are willing to take a child out in
15 order to protect themselves. So thank you.

16 PRESIDENT COOPER: Thank you, Ms. Hogan.

17 The next speaker that is signed up
18 Mr. -- Rabbi Michael Ben Yosef the Fourth.

19 RABBI BEN YOSEF: My name is Michael Ben
20 Yosef, human rights activist, antiviolenace
21 activist here in Chicago. I'm here to remind
22 this Board that Reginald Clay, Junior, was
23 murdered by Chicago Police Officer Fernando Ruiz.
24 On April 15th, 2023, Reginald was murdered by

1 this killer cop; however, six months before his
2 murder, he did this before. He shot and injured
3 Raymond Comer six months. He survived his
4 injuries, but he was paralyzed for life. Still
5 this killer cop, Fernando Ruiz, remained on the
6 force to ruin more lives. The tactical team that
7 was responsible for this terror remains active.

8 This remind me of the Tyre Nichols
9 case in Memphis, Tennessee, who was murdered by
10 the SCORPION unit. Memphis officials and the
11 police disbanded this unit because its practices
12 were a danger to black people and was a public
13 safety risk.

14 I applaud the actions that they
15 did, but a life was taken for action to occur.
16 When will this City realize this tactical unit
17 that Fernando Ruiz is on is a danger to the
18 community? A safety risk.

19 Even more, Cook County State's
20 Attorney Ellen O'Neil handed more power to
21 Chicago Police without oversight, procedures or
22 any charging. The same playbook is used by the
23 so-called president to roll back laws to bring
24 back segregation with a racist, unethical

1 intention. The same racist intention of the
2 State's Attorney to bring more harm to black and
3 brown people in our communities.

4 PRESIDENT COOPER: Thank you, Rabbi.

5 The next member of the public who
6 signed up to speak is Pastor Doyle.

7 PASTOR DOYLE: Good evening, President Cooper
8 and the Board. Again for the record, D-O-Y-L-E.
9 This land, L-A-N-D-R-Y, a United States Marine
10 Corps veteran. And this month, unfortunately, is
11 about me. So at least two members of the Police
12 Board have received today's text about the
13 receipt from Walgreens and the unopened letter
14 from Walgreens that's the center of why the 22nd
15 police was called by the current store manager of
16 the Walgreens at 111th and Western on Monday,
17 March 3rd as I, in my role as pastor, assisting
18 senior citizens who are in disarray with regard
19 to all things going on when your Walgreens is
20 closed, and they need prescriptions and
21 everything that goes along with senior citizens
22 who we are neglected in Chicago.

23 So that letter is my mother's
24 address. As some of know, my mother passed away

1 September 20th, which would be exactly six months
2 today. I don't understand why, as was explained
3 to all the officers -- and there were a lot of
4 officers that were called on Monday, March 3rd --
5 that for those who have business law in the room
6 it's impossible to be charged with trespassing
7 when, A, you've made a purchase, again receipt is
8 a contract, as well as asking the store manager
9 to at least ask, Is there an actual trespassing
10 against Doyle, Landry?

11 So the reason why I've shared texts
12 bringing this before the Board is because there
13 was a previous Walgreens incident almost two
14 years ago where I spent 21 days in 26th and
15 California over an attitude. So you have
16 individuals within Walgreens who are losing their
17 jobs. It's very public. It's tense. It's hard
18 for them, but I've never been a Walgreens
19 employee, and I will not accept any Walgreens
20 anger. So this was meant -- because, again, the
21 Superintendent, or his designee can check -- I
22 want -- I was denied a police report. I was
23 treated -- and all of this on the body cam when
24 I'm asking for people to do their jobs and I was

1 ignored.

2 My parents integrated the 22nd
3 District in the late '60s where we heard
4 N-I-G-G-E-R every day. My point in that is this
5 Marine does not run, will not be discriminated,
6 and I am expecting the 22nd commander to do his
7 job. So this throws down the gauntlet because,
8 again, this Marine does not run, and I will not
9 run away, especially in service to senior
10 citizens who deserve it.

11 PRESIDENT COOPER: Thank you, Pastor. The
12 last speaker we have signed up this evening is
13 Ms. Lena Bivens.

14 MS. BIVENS: Hello, everyone. My name is
15 Lena Bivens. I'm from the 20th Ward, 3rd
16 District, 64th and Vernon. I want to come to you
17 guys today because I have a community-based
18 project called Our Legacy. I've had it about 15
19 years. And what I'm doing in 2025, I'm using a
20 block club model to get communities organized
21 throughout the City of Chicago. And I'm
22 having -- two of the block clubs are here today,
23 and I'm trying to get them to my meetings for
24 different things where they can talk, be heard,

1 but also understand we have to be part of what's
2 going on.

3 A couple of issues that I've been
4 hearing, I want to, you know, bring to you guys
5 today for those who can -- of course, the police
6 officers down there who can support and help.

7 So one of the things that we are
8 concerned about is that what I've just realized
9 that many of the black communities, they got
10 training districts. Right? I'm not with that.
11 It seems like at our expense, they were bringing
12 police officers in the black and brown
13 communities to be trained to go, you know, for
14 their future careers, but I think our community
15 -- we want people in our community who want to be
16 there. And I hear this from what's going on
17 here, people come in. You have to put people in
18 our community who want to be there. Let them go
19 somewhere else and get trained, because, again,
20 now it makes me realize that someone who's not as
21 old, older as somebody in the community, why some
22 of the police officers are nonchalant because
23 they're not invested in the community they are at
24 because they are training there. So that's an

1 issue I want to bring that we have to figure a
2 way to deal with that.

3 Another thing that I would like to
4 say is that I've been going to beat meetings
5 lately, and I'm gonna be honest with you, I've
6 been a community activist for 20 years. I may
7 look 35. I'm about 50. I realized that I'm
8 50/50 with it. It doesn't seem like they're
9 working. And I just came from a good one. But
10 I've been to three that's not working. I want to
11 see if something can be done. Because, to be
12 honest with you, sometimes it seems like it's
13 wasteful. My time is valuable. I go to many
14 meetings. I want to make sure we are doing
15 things valuable in our community. Thank you.

16 PRESIDENT COOPER: Thank you, Ms. Bivens.

17 All members of the public who have
18 signed up to speak have been called. Is there a
19 motion to adjourn the March meeting of the Police
20 Board?

21 BOARD MEMBER BADILLO: So moved.

22 BOARD MEMBER LISS: Second.

23 PRESIDENT COOPER: Sorry. Hold on one
24 second. Did you have a comment? Go ahead.

1 MS. PORTER: Good evening. Thank you for
2 taking the time. My name is Evangelist Latice
3 Porter. I am one of the ministers of the
4 Apostolic Church of God. I'm also -- of course I
5 live in Chicago, but I'm the lady that spearhead
6 the Million Women United Family March in DC this
7 summer on the 23rd of August. But I did that in
8 DC. We're having a March here May 3rd in
9 Woodlawn, and that March is to bridge the gap
10 between the police and the community. We see the
11 battle going on. We see it every day. But I
12 believe that we together as a community family we
13 can join forces. We have the 3rd District. The
14 6th District has agreed to join in. I spoke with
15 Superintendent, because I'm in the community
16 working with the Obama Center, and the aldermen,
17 and we've been doing it for years, and I've been
18 watching you all and learning from you all, so
19 now it's time for us to come to the table
20 peacefully. We're going to March from the
21 DuSable Museum, I've already spoke to the
22 president there of the DuSable Museum, all the
23 way to the 3rd District lawn where we'll have
24 vendor tables, because our communities are

1 hurting. And I look African American, but I am
2 not, I'm Creole, so I think that I'm the best
3 person to advocate for both sides of the coin,
4 that's white and black.

5 Our community is made up of
6 different races, and I live in the same community
7 as Ms. Lena, but I have a different view. I
8 think the police -- I love them in my community.
9 They show me an example of what the old Officer
10 Friendly used to look like. So we want to bring
11 that back. And I think that together we can do
12 that.

13 So that's May 3rd this year, and I
14 hope to see you there.

15 I came to speak to the
16 Superintendent because he and I had already
17 talked. He told me already that he is not going
18 to be here. He has a schedule for something
19 else, but I wanted to know if he could send
20 representatives, because it's many officers that
21 they can see Officer Friendly. We got to bring
22 it together. Good bless you today.

23 PRESIDENT COOPER: Thank you very much. With
24 that comment, that concludes the public comment

1 session of this meeting, and at this time I will
2 rebring up the motion to adjourn the March 2025
3 meeting of the Chicago Police Board.

4 BOARD MEMBER BADILLO: So moved.

5 BOARD MEMBER LISS: Second.

6 PRESIDENT COOPER: All in favor?

7 (CHORUS OF AYES.)

8 PRESIDENT COOPER: The motion passes and the
9 meeting is adjourned. Thank you very much,
10 everyone.

11 (WHEREUPON, the proceedings
12 were adjourned at 8:07 p.m.)
