MEMBERS OF THE PUBLIC.

1           PRESIDENT COOPER: I think we're going to get  
2 started. Good evening, everyone. My name is  
3 Kyle Cooper, and I am president of the Police  
4 Board, and I am calling the May 16th meeting to  
5 order.

6                       We thank you, CAN-TV, for covering  
7 this meeting that's being broadcast on Channel 27  
8 and live-streamed at CAN-TV.org and on the CAN-TV  
9 app.

10                      Along with myself, we have the  
11 following Board members attending in person this  
12 evening. Vice president Ms. Paula Wolff, Mr.  
13 Steven Block, Ms. Mareilé Cusack, Ms. Nanette  
14 Doorley.

15                      In addition to the Police Board  
16 members, we have the following City officials who  
17 are here with us this evening. The Chief of the  
18 Chicago Police Department's Bureau of Detectives,  
19 Antoinette Ursitti, who is representing  
20 Superintendent Snelling as he is in Washington,

8 Talley. And acting general counsel to the  
9 Superintendent, Mr. Scott Spears, along with the  
10 Police Board Executive Director Max Caproni.

11                   Before we proceed to the items on  
12 the agenda, I want to recognize a recently  
13 resigned member of the Chicago Police Board, Ms.  
14 Aja Carr-Favors, and I want to thank her for her  
15 service and dedication to the Board.

16                   While she joined the Board just  
17 over a year ago and made a positive impact, she  
18 is leaving the Board to take a position in the  
19 Corporation Counsel's Office. And while we will  
20 miss her on the Board, we know she's going to do  
21 great in her new position and wish her all the  
22 best.

23                   We will now proceed to the items on  
24 the meeting agenda.

1                   Is there a motion to approve the  
2 drafts of the minutes of the Board's public and  
3 closed meetings held on April 18th?

4           VICE PRESIDENT WOLFF: So moved. Paula  
5 Wolff.

6           BOARD MEMBER CUSACK: Second. Mareilé  
7 Cusack.

8           PRESIDENT COOPER: All in favor, please raise  
9 your hands and say aye.

10                                           (CHORUS OF AYES.)

11           PRESIDENT COOPER: Any opposed?

12                                           (NO RESPONSE.)

13           PRESIDENT COOPER: Seeing none, the motion  
14 passes.

15                                           Just for the general public and for  
16 everybody in the room, the next regular public  
17 meeting of the Police Board is scheduled to take  
18 place on June 20th at 7:30 p.m. That meeting  
19 will take place where this meeting is, which is  
20 at the Chicago Public Safety Headquarters.

21                                           The Police Board meets in executive  
22 session to discuss various matters. Those  
23 discussions are closed to the public as  
24 authorized by Section 2(c)(1), (4), (11), and

1 (21) of the Illinois Open Meetings Act.  
2 Information on matters discussed in the executive  
3 sessions is included in the minutes of the -- in  
4 the minutes of the meetings posted on our  
5 website.

6 Is there a motion to close a series  
7 of future executive session as authorized by  
8 these sections of the Open Meetings Act?

9 VICE PRESIDENT WOLFF: So moved. Paula  
10 Wolff.

11 BOARD MEMBER CUSACK: Second. Mareilé  
12 Cusack.

13 PRESIDENT COOPER: All in favor, please  
14 raise your hands and say aye.

15 (CHORUS OF AYES.)

16 PRESIDENT COOPER: Any opposed?

17 (NO RESPONSE.)

18 PRESIDENT COOPER: Seeing none, the motion  
19 passes.

20 The next item on the agenda is a  
21 report on the status of the litigation on the  
22 arbitrator's ruling regarding police disciplinary  
23 cases, including an update on the status of cases  
24 currently before the Police Board.

1                   As I reported at the Board's  
2 previous meeting, on March 21st, Cook County  
3 Circuit Judge Michael Mullen issued his ruling  
4 that allowed Chicago police officers to choose to  
5 have the most serious cases of police misconduct  
6 heard by an arbitrator, rather than the Police  
7 Board.

8                   On April 19th, the Fraternal Order  
9 of Police filed a notice of appeal of Judge  
10 Mullen's decision.

11                   The Union is challenging Judge  
12 Mullen's rulings that arbitration proceedings be  
13 open to the public and that accused officers may  
14 be suspended without pay while the arbitration  
15 case is pending.

16                   Since the Circuit Court ruling and  
17 as noted on the Police Board website, 16 police  
18 officers with disciplinary cases currently before  
19 the Police Board have filed motions to transfer  
20 their cases to arbitration and terminate the  
21 Police Board proceedings.

22                   The Board is awaiting further  
23 information from these parties as to whether the  
24 City and the Union can reach an agreement on a

1 public arbitration process before ruling on these  
2 motions.

3 The Board will not be taking any  
4 final action this evening on police disciplinary  
5 cases for which the Police Board hearing has  
6 concluded.

7 The Police Board website will  
8 continue to keep the public informed of any new  
9 developments in the litigation and of the status  
10 of disciplinary cases currently before the Board.

11 I encourage members of the public to  
12 check the news and police discipline sections of  
13 our website for the most current information.

14 The next item on the agenda is  
15 police disciplinary cases. The Police Board  
16 hears cases when the Superintendent files charges  
17 recommending that an officer be discharged from  
18 the Chicago Police Department for violating CPD's  
19 rules of conduct.

20 The Board, as authorized by the Open  
21 Meetings Act, has discussed in a closed meeting  
22 one police disciplinary case. We will now take  
23 final action on this case.

24 Regarding case number 23 PB 3036,

1 the Superintendent filed charges against  
2 Respondent Police Officer Terrance Finley,  
3 recommending that he be discharged from the  
4 Chicago Police Department for causing a fatal car  
5 crash while off duty and intoxicated.

6 Officer Finley resigned from the CPD  
7 prior to a hearing on these charges.

8 Is there a motion to grant the  
9 Superintendent's motion to withdraw the charges  
10 against Terrance Finley because the Board no  
11 longer has jurisdiction due to his resignation  
12 from the Chicago Police Department?

13 VICE PRESIDENT WOLFF: So moved. Paula  
14 Wolff.

15 BOARD MEMBER CUSACK: Second. Mareilé  
16 Cusack.

17 PRESIDENT COOPER: Hearing a second, I will  
18 call on members of the Board for their votes.  
19 Vice President Wolff.

20 VICE PRESIDENT WOLFF: Aye.

21 PRESIDENT COOPER: Mr. Steven Block.

22 BOARD MEMBER BLOCK: Aye.

23 PRESIDENT COOPER: Ms. Mareilé Cusack.

24 BOARD MEMBER CUSACK: Aye.

1           PRESIDENT COOPER:   Nanette Doorley.

2           BOARD MEMBER DOORLEY:   Aye.

3           PRESIDENT COOPER:   I also vote in favor of  
4 the motion.

5                           Voting in favor are Board Members  
6 Wolff, Block, Cusack, Doorley, and Cooper.

7                           The motion passes by a vote of 5 to  
8 0.

9                           The written order will be entered  
10 as of today's date, sent to the parties, and then  
11 posted on the Board's website.

12                           When a person who applies to  
13 become a Chicago police officer is disqualified  
14 and removed from the eligibility list due to the  
15 results of a background investigation, that  
16 person has a right to appeal to the Police Board.  
17 The Board, as authorized by the Open Meetings  
18 Act, has discussed in a closed meeting several  
19 appeals. We will now take final action on these  
20 appeals.

21                           Is there a motion to affirm the  
22 disqualification decision for the following  
23 appeals:  23 AA 46, 24 AA 05, 06, and 08, to  
24 reverse the disqualification decision for the

1 following appeals: 24 AA 07, and to dismiss the  
2 following appeal because it was not filed within  
3 the time period required by the Municipal Code,  
4 case number 24 AA 04?

5 VICE PRESIDENT WOLFF: So moved. Paula  
6 Wolff.

7 BOARD MEMBER CUSACK: Second. Mareilé  
8 Cusack.

9 PRESIDENT COOPER: Hearing a second, I will  
10 call on members of the Board for their votes.

11 Vice President Wolff.

12 VICE PRESIDENT WOLFF: Aye.

13 PRESIDENT COOPER: Mr. Steven Block.

14 BOARD MEMBER BLOCK: Aye.

15 PRESIDENT COOPER: Ms. Mareilé Cusack.

16 BOARD MEMBER CUSACK: Aye.

17 PRESIDENT COOPER: Nanette Doorley.

18 BOARD MEMBER DOORLEY: Aye.

19 PRESIDENT COOPER: I also vote in favor of  
20 the motion.

21 Voting in favor are Board Members  
22 Wolff, Block, Cusack, Doorley, and Cooper. The  
23 motion passes. The written decisions of these  
24 appeals will be entered as of today's date, sent

1 to the parties, and posted on the Board's  
2 website.

3 The next item on the agenda is  
4 Police Board policy regarding Deputy Inspector  
5 General for Public Safety reviews and audits.

6 Paragraph numbers 560 and 564 of the  
7 consent decree on policing in Chicago require the  
8 Police Board to provide the Deputy Inspector  
9 General for Public Safety access to information  
10 and not interfere with the exercise of the  
11 Deputy's discretionary or oversight  
12 responsibilities.

13 While provisions of the Municipal  
14 Code address requirements of these two  
15 paragraphs, the Board has drafted a policy to  
16 address them as well.

17 We will post the draft policy in the  
18 Alerts section of the Board's website which is  
19 Chicago.gov/Policeboard, along with information  
20 on how to provide comments on the draft. Public  
21 comments are due by Monday, June 17th.

22 At this time, I would like to ask  
23 Chief Ursitti to give a report on behalf of the  
24 Superintendent.

1 CHIEF URSITTI: Thank you, President Cooper.  
2 And good evening.

3 This month, the Chicago Police  
4 Department returned to Michigan Avenue for the  
5 annual St. Jude Memorial March. For the first  
6 time since 2006, we returned to the heart of  
7 downtown to march in honor of the 601 CPD  
8 officers who have been killed in the line of  
9 duty.

10 Our police recruits lined the route  
11 with the names and photos of our fallen heroes.  
12 This is a tradition rooted in our promise to  
13 never forget the men and women who died in  
14 service to our City or their families.

15 Led by the Gold Star families, our  
16 officers marched through the route lined by  
17 families of CPD and community members.

18 We were united as one City to  
19 recognize the sacrifices made to protect the  
20 people of Chicago.

21 This March followed a difficult two  
22 weeks for us as we mourned the loss of Officer  
23 Luis Huesca.

24 I want to thank all of our

1 community members who reached out to support CPD  
2 and the Huesca family. We truly felt comforted  
3 by the kindness extended to us throughout this  
4 tragic time.

5 As we laid our hero to rest, we  
6 were also searching for the offender who ended  
7 the life of this young officer. Following a  
8 10-day multistate manhunt and with strong  
9 investigative support from community members and  
10 local and federal partners, we took this offender  
11 into custody.

12 The diligent investigative work of  
13 our detectives that went into identifying and  
14 finding this suspect is the same work that goes  
15 into every homicide investigation.

16 It's important to our detectives  
17 and our entire Department that we seek justice  
18 for each victim and each family that has  
19 experienced violence.

20 This year so far, we have a 71  
21 percent homicide clearance rate and have cleared  
22 123 homicides. More than 30 percent of incidents  
23 that have been cleared are for homicides that  
24 occurred this year.

1                   In many of these cases, the  
2                   community has come forward to provide vital  
3                   information to move the investigation forward. I  
4                   say this because I want to emphasize the  
5                   importance of the community when it comes to  
6                   making our community safer by taking violent  
7                   criminals off of the streets.

8                   As we move forward, we're going to  
9                   continue seeking justice for those who have been  
10                  affected by violence through stronger  
11                  investigations so that we can disrupt the cycle  
12                  of trauma within our communities.

13                  We will also continue supporting  
14                  survivors and families with our crime victim  
15                  services program and our Family Liaison Office  
16                  which provides practical support in a  
17                  trauma-informed manner to survivors of those who  
18                  have died by homicide. Thank you.

19                  PRESIDENT COOPER: Thank you, Chief.

20                  I will next call on the Chief  
21                  Administrator of COPA, Ms. Andrea Kersten, to  
22                  give her comments.

23                  CHIEF ADMINISTRATOR KERSTEN: Thank you,  
24                  President Cooper and members of the public,

1 members of the Police Board, and Chicago Police  
2 Department that are here tonight.

3 First, I just wanted to say one  
4 thing in response to Chief Ursitti's comment.  
5 Your family liaison work in your homicide  
6 division is something that our staff is very  
7 aware of and often takes some inspiration from as  
8 we engage in families impacted by our  
9 investigations as well. So I appreciate you  
10 lifting that up for the public, because I think  
11 that's truly important, transformational work.

12 To just touch on COPA's highlights  
13 or updates from the last month, as I typically  
14 do, just give some statistical overview. We  
15 received 292 complaints and notifications last  
16 month. 77 of those were under COPA's specific  
17 jurisdiction.

18 As we see month over month, and as  
19 I report out on every time I am here at the  
20 Police Board, the highest number of complaints  
21 were Fourth Amendment or improper search or  
22 seizure allegations, and that represented 37  
23 percent of our total complaints that we retained.

24 There were no police shootings that

1 we received notification about last month. And  
2 we concluded 81 total investigations, and of  
3 those, approximately 24 of those cases had any  
4 sort of sustained finding or disciplinary  
5 recommendations, so approximately 30 percent of  
6 the cases that we concluded last month.

7 We also released one video last  
8 month as, is our -- one set of videos and other  
9 supporting documents, as is our requirement under  
10 the City's Video Release Policy. And as always,  
11 our community engagement team was active and  
12 about the City. They were at 28 different  
13 community engagement events in all corners of our  
14 City trying to continue to educate the public  
15 about the work that we do at COPA.

16 And, lastly, I just want to touch  
17 on one really important and exciting opportunity  
18 for the public to learn more about COPA as an  
19 organization, the training that we go through.  
20 This is our third version of COPA's People's  
21 Academy, set to launch next Tuesday, May 21st.  
22 So it is a program we started last year in order  
23 to kind of answer one of the most commonly asked  
24 questions that we get from members of the public,

1 Why are you as a civilian qualified to review  
2 officer conduct? So we really took a lot of time  
3 and deliberation to think about the way that we  
4 wanted to open up to the public the training and  
5 background and expertise that we have within our  
6 agency. So our staff, when they come on board,  
7 have to go through a rigorous onboarding training  
8 experience, and we kind of took little snippets  
9 of that to condense it down and make a six-week  
10 free course available to the public that runs six  
11 Tuesday nights in a row from 6:00 to 8:30 p.m.,  
12 starting May 21st and ending end of June, in  
13 order to do just that, to answer the questions to  
14 the public as to how we're prepared to tackle the  
15 heavy work of investigating these kinds of cases  
16 and allegations.

17 So I definitely want to invite  
18 people who might be interested to go to our  
19 website, [ChicagoCOPA.org](http://ChicagoCOPA.org), it's right there on the  
20 front page, a link to the registration. It is a  
21 completely free course. And while we put a lot  
22 of time into sort of scheduling and what comes  
23 first in the sequence of classes, you can't  
24 commit to six weeks, and you want to come to one,

1     come to one. Come to whatever works for you, but  
2     we'd love to have as many community members. We  
3     have some District Council from the 17th  
4     District. We're going to be up on the north side  
5     at North Park University, actually, for the  
6     People's Academy. We started our work on the  
7     west side last year at the Joint Public Safety  
8     Training Center, and we're making plans to have  
9     our fourth COPA People's Academy in person which  
10    will be on the south side. But this will be up  
11    north at North Park University. And we will have  
12    local District Council members from the 17th  
13    District, some aldermanic support. We have some  
14    officers that have already signed up, and we  
15    welcome that kind of feedback and engagement as  
16    well. Activists, students from the University,  
17    residents, neighborhood, and community members.

18                 So, again, it's just an important  
19    opportunity for us to show who we are and how we  
20    do what we do and to answer the questions that  
21    many community members have.

22                 So I just want to encourage people  
23    to take advantage of this engagement opportunity.  
24    We have some information for it if you have any

1 questions, some hard copies. Thank you.

2 PRESIDENT COOPER: Thank you, Chief  
3 Administrator.

4 I will now call upon members of the  
5 public who have signed in advance to speak. To  
6 make sure that everybody has a chance to say what  
7 they need to say, and we can hear from all the  
8 speakers, we would just ask that you follow our  
9 standard practice which requires a two-minute  
10 time limit.

11 Vice President Wolff will be  
12 keeping time. And we will do our best to enforce  
13 it as we go through the public comment period.

14 At this time, I would like to call  
15 Ms. Shawanda Battle to make a public comment if  
16 you are in the room. Not seeing Ms. Battle.

17 Is there a Ms. Kim Green who would  
18 like to speak?

19 MS. GREEN: Good evening. My name is  
20 Kimberly Green, and I am a part of the group of  
21 neighbors that live along the 75th Street  
22 corridor from State to Cottage Grove.

23 Over the past two years, a group  
24 has been working with the 3rd and 6th Districts,

1 the alderman, and businesses to help improve  
2 quality of life and public safety.

3 Last year I was up here, and I  
4 spoke about things happening on 75th Street, and  
5 the commanders were able to get help and  
6 resources they needed and the situation improved.

7 I'm here again because recently,  
8 it's amped up again. Just last week, there was a  
9 murder at the Maxwell Street Polish establishment  
10 on 74th and State.

11 Earlier the same week, there was a  
12 car accident on 75th and Calumet. Three  
13 perpetrators jumped out, a gun was found. They  
14 tried to get in my neighbor's yard. And also  
15 this last weekend, there was -- traffic was at a  
16 gridlock. There were people partying in the  
17 street, people standing on cars, twerking, and  
18 doing all kinds of crazy stuff.

19 So the reason I'm here is to ask  
20 that there is a dire need for equitable  
21 distribution of police resources.

22 In addition to the staffing  
23 shortages, the 3rd District has expressed to us  
24 that they need cars. There are some beats that

1 are not even covered because there are no cars to  
2 do it. And another instance of inequitable  
3 resource distribution is that there's one car  
4 from the 3rd District, which is one of the  
5 busiest districts in the City, one car is  
6 regularly reallocated to another district that  
7 has a fraction of the crime as the 3rd District,  
8 and this needs to stop.

9 So I just ask for equitable  
10 resources from the mayor, whoever -- whoever has  
11 -- pulls the purse strings. We need funds. We  
12 need resources. We need human capital. We need  
13 -- we need equipment.

14 PRESIDENT COOPER: Thank you, Ms. Green.

15 MS. GREEN: Thank you.

16 PRESIDENT COOPER: Chief, maybe if you have  
17 time after the meeting, it might be helpful if  
18 you could follow up with Ms. Green.

19 CHIEF URSITTI: Thank you.

20 PRESIDENT COOPER: I would next like to call  
21 on Sharon Pincham.

22 UNIDENTIFIED SPEAKER: Not coming.

23 PRESIDENT COOPER: How about Gail Saulsberry.  
24 June Norfleet.

1 MS. NORFLEET: Well, good evening to all of  
2 you. We are here once again. And, first of all,  
3 I want to echo the sentiment and the request of  
4 my neighbor. We need resources in the 3rd  
5 District. We are somewhat tired and did not get  
6 resigned to the constant reply that we just don't  
7 have enough. We know we can do better in the 3rd  
8 District. I'm here today in my working clothes,  
9 Talking Trash, because our crew is an anti-liter  
10 and community enhancement group. And one of the  
11 tasks that the Police Department is charged with  
12 is identifying and helping to remediate troubled  
13 buildings. We need you to do that. We need  
14 support for the officers who are assigned  
15 troubled buildings. In those troubled buildings,  
16 you may probably find troubled people. Possibly.  
17 And if we do that, we may well be able to  
18 eliminate -- not eliminate, at least mitigate  
19 some of the challenges that we're having in the  
20 3rd District and many other districts.

21 This cannot be just something that  
22 we pass along and say this is your job and not  
23 really give it any substance. We need help.  
24 Because I'm going to tell you this, just

1 recently, we finally got an opportunity to go to  
2 an administrative hearing for a very troubled  
3 building, drug activity, gang activity, trash,  
4 liter. Everything you can imagine on 70th and  
5 Merrill. I have one that's not too far from me  
6 on University. But we get to this meeting that  
7 we've been waiting for, and I can't tell it to  
8 you all, but I would love to talk to any of you  
9 who would like to hear afterwards.

10 It was a very disappointing and  
11 frustrating situation, because we don't have the  
12 support of CPD. Thank you.

13 PRESIDENT COOPER: Thank you, Ms. Norfleet.

14 And I'd next like to call Ms.  
15 Jennifer Edwards.

16 MS. EDWARDS: Thank you for allowing us to  
17 talk. We are involved. It's great to see Chief  
18 Ursitti. She's done some wonderful things, and  
19 thank you so much.

20 I wanted to speak for some of the  
21 things -- I was going to talk to the  
22 Superintendent, because he did close a troubled  
23 business that we have at 79th and Cottage Grove,  
24 Happy Liquors. We've been trying to keep that

1 closed for years. Okay. We do business walks.  
2 We go and with the BACP, we shut them down. Then  
3 they open up again. So thank you, all.  
4 Hopefully, it will be closed permanently.

5 Thank you to the Commander of the  
6 6th District that has helped with that.

7 You also see that we go to the gas  
8 stations. We try to go along and help when  
9 people want to get their gas.

10 Ms. Sharon Pincham wanted to talk  
11 about Airbnbs. So now it's time for the parties  
12 again. Those -- there have to be rules for  
13 Airbnbs. Okay. The police need help with that.

14 Ms. Gale Saulsberry lives right in  
15 back of Happy Liquors, and she has gone for years  
16 trying to get that closed. So, hopefully, we do  
17 that.

18 We're hoping that we get involved.  
19 Okay. We want to expand our Together We Can  
20 project. You weren't here, but the other people  
21 were here. We want to do that to getting more of  
22 us involved, so we will know what needs to be  
23 done. We will see about ShotSpotter cameras. We  
24 can see about the arrests, the different types of

1 arrests, the carjackings. All of those things we  
2 go over on a weekly and biweekly basis. And if  
3 we have other community members coming in and  
4 seeing what's happening, then we're more involved  
5 and we're more able to help. Thank you.

6 PRESIDENT COOPER: Thank you, Ms. Edwards.

7 I'd next like call Mr. Matt  
8 Brandon.

9 MR. BRANDON: Good evening, Board. I'm a  
10 little disappointed in the way that everything  
11 was set up tonight. Okay? The community comes  
12 here at 7:00 o'clock to come in and be present  
13 when you arrive. Okay? We're told that we can't  
14 come in until the Board gets here. That's a  
15 problem. I was disappointed in that. We have  
16 senior citizens with us. The police set the  
17 barricades up around the only place to sit, so  
18 the senior citizens can't sit down and await the  
19 time for this Board meeting to start. I think  
20 you know we come here in support of the things  
21 that you all do. You know, we always want the  
22 best outcomes for the families who come here in  
23 pain, but for the most part we support you.

24 But the overkill out here tonight ,

1 the waste of manpower, talk about allocation of  
2 resources that should have been on the street.  
3 But because there were 25 people here, there's  
4 200 police in the lobby. That's a little bit  
5 exorbitant, of course.

6 But if you want the community to  
7 come here with you, treat the community with some  
8 respect. We were not respected tonight. It  
9 wasn't anything that the officers did. Let me  
10 clear that up. They're very special. They did  
11 what they had to do. But it was what you all did  
12 that disrespected the community. I'm very  
13 disappointed.

14 PRESIDENT COOPER: Thank you, Mr. Brandon.  
15 We will be happy to talk with you after the  
16 meeting to clear up some of those issues.

17 Next I'd like to call Ms. Roxanne  
18 Burnett.

19 Ms. Pamela Hunt.

20 Mr. Keith McLemore.

21 MR. McLEMORE: How are you? I'm Keith  
22 McLemore. I started coming to these meetings  
23 ever since last year. Happy to see some new  
24 faces and some young faces and also some familiar

1 faces, so I am happy about that.

2           Initially, last month, though, I  
3 was sort of prepared to make my remarks about an  
4 exchange between Andrea and the Superintendent.  
5 All you guys are awesome. I appreciate -- you  
6 take these roles seriously. I do appreciate  
7 that. But you seem to be butting heads. Even  
8 though I don't think you were. It was about sort  
9 of like a surge in cases that was being  
10 submitted. The Superintendent didn't understand  
11 that, but it seemed to be related to new  
12 contractual terms that sort of impacted the  
13 timeline, so it was just a surge. I get it. The  
14 fact of the matter it seemed to me -- I  
15 experience this all the time in my world -- there  
16 wasn't the communication that was required so  
17 that they could anticipate that and understand  
18 why there was a surge. So sometimes -- it seems  
19 like you're siloed. I know in my world, we get  
20 siloed, and I think that you guys are siloed.  
21 It's a result of imbalance. You guys are trying  
22 your best. The officers are trying their best.  
23 But when not all parties, including the public,  
24 are trying also their best, it's going to show

1 up. It's going to then invite people to gripe.  
2 Every time that I do speak, which isn't often  
3 it -- I'm also referring to an analysis I do that  
4 is data driven by CPD data that actually came out  
5 of Crystal Search, and Nichols helped me, to  
6 explain sort of patterns and trends over the  
7 major categories. That's not me, right?

8 VICE PRESIDENT WOLFF: You've got 22 seconds.

9 MR. McLEMORE: Okay. I appreciate that.

10 So I would still like (inaudible).  
11 But when you make remarks about an incendiary  
12 sort of issue like Dexter Reed without reading  
13 your prepared remarks, which you read last month,  
14 you should have read that during your interviews,  
15 that would have been awesome. That would have  
16 been more appropriate. So just don't reply, but  
17 just sort of move on that. All right. I think  
18 that that would have been the best. Just read  
19 your remarks, and then if you want to educate, do  
20 that.

21 PRESIDENT COOPER: Thank you, Mr. McLemore.

22 MR. McLEMORE: Thank you.

23 PRESIDENT COOPER: I'd like to call Mr. Kobi  
24 Guillory.

1 MR. GUILLORY: Good evening, everybody. I  
2 heard Chief Ursitti say something that I really  
3 agree with, which is that we need to take violent  
4 criminals off the street, and I'm here to talk  
5 about violent criminals who fired 96 shots in a  
6 residential neighborhood and murdered Dexter  
7 Reed.

8 The family of Dexter Reed needs  
9 justice. The community of Dexter Reed needs  
10 justice, and justice as a start looks like firing  
11 those officers, firing those violent criminals  
12 and refusing to support them with our tax  
13 dollars.

14 It also looks like convicting them  
15 of murder which is the crime that they committed.

16 Beyond that, Dexter Reed is not the  
17 first young black person to be murdered by the  
18 Chicago Police Department.

19 Just like with the case of Laquan  
20 McDonald, with the case of Bettie Jones, Pierre  
21 Lorry, Rekia Boyd, and so many others. We need  
22 to have systemic changes. We need to have  
23 changes in the policy and the practice. We need  
24 to have changes that result in the community

1 actually controlling the police. And the way  
2 that we start is by making policy changes which  
3 the Community Commission for Public Safety and  
4 Accountability is empowered to make.

5 Specifically, as for the case of  
6 Dexter Reed, which would prevent people from  
7 being murdered in the way he was murdered, is  
8 abolishing those tact teams. Those teams do not  
9 keep us safe. They jump out at innocent people  
10 and hurt them and kill them. And abolishing  
11 pretextual traffic stops.

12 We welcome the proposed policy that  
13 Kim Fox presented today to end the use of  
14 pretextual traffic stops, because, again, the  
15 data shows that those stops do not keep us safe.

16 We know for a fact that Dexter Reed  
17 would still be alive today if he hadn't been  
18 stopped in that way by those officers.

19 And, ultimately, like Mr. Brandon  
20 said, the community is not being respected by the  
21 police. What we saw outside is a show of that  
22 disrespect.

23 The next month, you don't need to  
24 have those barricades out there. We have the

1 right to be here. We have the right to be heard  
2 and speak our voices.

3 PRESIDENT COOPER: Thank you, Mr. Guillory.  
4 I'd Next like to call Anooshka  
5 Gupta.

6 MS. GUPTA: Hi. My name is Anooshka. And I  
7 am her as an Asian American to express my  
8 solidarity with Carper and Dexter Reed's family.  
9 I'm disgusted and outraged by the violence of  
10 police, not only in all communities, but  
11 especially on black Chicagoans.

12 So we demand that you press charges  
13 against the officers involved in the Dexter  
14 Reed's murder, disband tact teams, and put an end  
15 to pretextual traffic stops.

16 And so I want to emphasize that we  
17 reject the narrative that police practices are  
18 here to protect us. And we know that our  
19 liberation and freedom as Asian Americans is tied  
20 to black liberation and freedom.

21 And after so 911, the police  
22 criminalized and surveilled South Asia and Arab  
23 communities because of Islamophobia. We know  
24 that Southeast Asian communities are three times

1 more likely to be departed regardless of  
2 immigration status.

3 And even this morning, the police  
4 raided DePaul's encampment while students were  
5 asleep, brutalizing our communities once again.

6 So the common thread amongst all of  
7 these is the idea of hurting us and the  
8 dehumanizing people of color, and this  
9 dehumanization is the byproduct of white  
10 supremacy and is the same system that would allow  
11 impunity for the police officers who murdered  
12 Dexter Reed.

13 And so, again, I demand that you  
14 press charges against those five officers  
15 involved in Dexter Reed's murder, disband the  
16 tact teams, and put an end to pretextual traffic  
17 stops. The police do not keep us safe. Thank  
18 you.

19 PRESIDENT COOPER: The final speaker who  
20 signed up for public comment at this meeting is  
21 Mr. Robert More. Is there a Robert More who is  
22 here?

23 BOBBY KENNEDY: I signed up on the  
24 internet.

1           PRESIDENT COOPER: Is there a Robert More who  
2 is here?

3                       You can go first and then you can  
4 go as well.

5           BOBBY KENNEDY: I have printouts. I  
6 don't know if you want them. I mailed some in to  
7 you guys. I'm the guy who was complaining last  
8 month about the affinity police.

9                       And also I'd like to say that these  
10 people came in. The sign-up sheet was gone.  
11 When I came, I was the first one in. There were  
12 people already seated, but people like this lady  
13 over here were waiting outside, and she had no  
14 bench to sit on. I'm saying it just seems the  
15 sheet was pulled. So some people want to sign  
16 up. That's like I wanted to sign up because I  
17 don't trust people say, Yeah, you're signed up  
18 and send me back an email. Obviously, I am not  
19 signed up. I'm just putting that out there.

20                      My questions were about the affinity  
21 policing. That's what Superintendent Snelling  
22 told me it was called. My questions are, okay,  
23 like people in affinity policing -- the rainbow  
24 cars they call them. Like we're talking about

1 shortages of police cars in some neighborhoods.  
2 Yet, we do politics and put these cars out that  
3 are tied up in these neighborhoods.

4 My question is, the police, these  
5 cars, will you use these cars for the DNC  
6 convention for the crowd control? Would you use  
7 those?

8 CHIEF URSITTI: Thank you for your question.  
9 Can you clarify exactly what cars you are talking  
10 about?

11 BOBBY KENNEDY: The rainbow police  
12 cars, the affinity police, the LGBTQ police cars.  
13 You got three. And Rahm Emanuel put these in  
14 after Pride Parade, and that's how it got  
15 started.

16 But my question is: Now you have  
17 three of them. I'm saying, you got shortages of  
18 cars in certain neighborhoods. These people I  
19 talked to don't think they're police cars. My  
20 question is: Will you be using them for crowd  
21 control during the Democratic National  
22 Convention? Which I doubt. And I've had  
23 problems in my neighborhood three weekends in a  
24 row down in Streeterville. The teens have taken

1 over, the kids. I don't think if you sent those  
2 cars down there they would be respected. People  
3 do respect the blue and white. But anyway. So  
4 I'm asking if those cars -- is that all they're  
5 good for, as props?

6 CHIEF URSITTI: Sure. I think your question  
7 is one that I would address by saying that with  
8 this upcoming convention that you are mentioning,  
9 our commitment is not only to ensuring that it is  
10 a safe event for people who come, but ensuring  
11 every community gets the same level of public  
12 safety and service that we deliver every day.

13 So when you are asking about three  
14 specific vehicles that are assigned to a  
15 district, I can't tell you that they're going to  
16 be done at crowd control when I expect that we  
17 are going to continue to have every one of our  
18 districts operate routine function while we  
19 support this large-scale event.

20 BOBBY KENNEDY: Okay. That tells me  
21 you are not going to use them. Anyway, there's  
22 -- I'm talking about Chicago Police Department.

23 PRESIDENT COOPER: Thank you, sir. Your time  
24 is up.

1 BOBBY KENNEDY: Okay. Also, your  
2 website still says 15 minutes.

3 MR. LANDRY: Good evening. For the record,  
4 D-O-Y-L-E, Landry, L-A-N-D, as in David, R-Y. So  
5 as a pastor, a Marine Corps veteran, and one who  
6 has lost numerous African American young men and  
7 women who were going somewhere with their lives  
8 to a bullet.

9 Tomorrow makes one year, one, that  
10 the mother of Chicago Police Department Officer  
11 Areeah Preston did the hardest thing a mother  
12 does. She put her child to the ground and walked  
13 away.

14 I want to open with that. As a  
15 former reporter, I can do this in less than two  
16 minutes.

17 The common denominator between  
18 Officer Preston, Officer Thomas Eugene Warner the  
19 Fourth, and other officers who have had their  
20 lives taken from them is the race of the  
21 individual who pulled the trigger.

22 See, the uncomfortable conversation  
23 that we don't have in Chicago revolves around  
24 race. So that discussion took place over ten

1 years ago where the mayor was white, and the  
2 police chief was white.

3 The uncomfortable conversation that  
4 we don't have for those of us who claim black  
5 pride is our failure. Our failure to address why  
6 the murders continue.

7 So as a Marine Corps veteran who  
8 strongly supports those who put their lives on  
9 the line every day to protect, at the end of the  
10 day, African American mothers who have put their  
11 children to the ground and walked away never will  
12 there be another good Mother's Day. Thank you.

13 PRESIDENT COOPER: Thank you, Reverend.

14 That concludes our public comment  
15 portion of the meeting. Is there a motion to  
16 adjourn?

17 VICE PRESIDENT WOLFF: So moved. Paula  
18 Wolff.

19 BOARD MEMBER CUSACK: Second. Mareilé  
20 Cusack.

21 PRESIDENT COOPER: All in favor, please  
22 raise your hand and say aye.
