1 PRESIDENT COOPER: While members of the
2 public continue to file in, we're going to go
3 ahead and get started, recognizing there are
4 still people who are coming in.

5 Good evening, everyone. My name is
6 Kyle Cooper. I am president of the Chicago
7 Police Board. I'm calling the Board's July 18th
8 public meeting to order.

9 We thank, as always, CAN-TV for
10 covering this meeting. It is being broadcast on
11 Channel 27 and live-streamed at CAN-TV.org and on
12 the CAN-TV app.

13 Along with myself, we have the
14 following Board members attending in person this
15 evening: Vice President Ms. Paula Wolff, Member
16 Steven Block, Member Mareilé Cusack, new Member
17 Katie Liss, and new Member Justin Terry.

18 Board Members Doorley and Safakas
19 are unable to attend this meeting in person and

22 VICE PRESIDENT WOLFF: So moved.

23 BOARD MEMBER BLOCK: Second.

24 PRESIDENT COOPER: All in favor, raise your

2 (CHORUS OF AYES.)

3 PRESIDENT COOPER: Any opposed?

4 (NO RESPONSE.)

5 PRESIDENT COOPER: Seeing none, the motion
6 passes.

7 In addition to the Police Board
8 members, we have the following City officials
9 here with us this evening: The Superintendent of

11 Chief Administrator of the Civilian Office of

1 Police Board Member Katie Liss to her first
2 public meeting. Katie, I will give you a few
3 minutes to introduce yourself.

4 BOARD MEMBER LISS: Hi. Good evening,

18 VICE PRESIDENT WOLFF: So moved. Paula

Police Board Public Meeting
July 18, 2024

1 (NO RESPONSE.)

2 PRESIDENT COOPER: Seeing none, the motion
3 passes.

4 Just a reminder to the general
5 public. The next meeting of the Police Board is
6 scheduled to take place August 15th at 7:30 p.m.,
7 and this meeting will take place where it always
8 does, which is here at the Chicago Police
9 headquarters on Michigan Avenue and 35th Street,
10 and it will also be live-streamed on CAN-TV as
11 well.

12 The next item on the agenda is the
13 closed meeting section. The Police Board meets
14 in executive session to discuss various matters.
15 Those discussions are closed to the public as
16 authorized by Section 2(c)(1) (4), (11), and (21)
17 of the Illinois Open Meetings Act. Information
18 on matters discussed in the executive sessions is
19 included in the minutes of the meetings posted on
20 our website.

21 Is there a motion to close a series
22 of future executive sessions as authorized by
23 these sections of the Open Meetings Act?

24 VICE PRESIDENT WOLFF: So moved. Paula

2 BOARD MEMBER BLOCK: Second. Steven Block.

3 PRESIDENT COOPER: All in favor, please raise
4 your hands and say aye.

5 (CHORUS OF AYES.)

6 PRESIDENT COOPER: Any opposed?

7 (NO RESPONSE.)

8 PRESIDENT COOPER: Hearing and seeing none,
9 the motion passes.

10 The next item on the agenda is an
11 update on the arbitration.

12 This update is to provide the public
13 with an update regarding the arbitrator's ruling
14 and the litigation concerning such, regarding
15 police disciplinary cases, including an update on
16 the status of cases currently before the Police
17 Board.

18 As I've noted in the past several
19 meetings, on March 21st, Cook County Circuit
20 Judge Michael Mullen issued his ruling that
21 allowed Chicago police officers who are members
22 of the Fraternal Order of Police to have the most
23 serious police disciplinary cases heard by an
24 arbitrator rather than the Police Board.

1 In April, the Fraternal Order of
2 Police filed a notice of appeal of Judge Mullen's
3 decision.

4 The Union is challenging that
5 ruling, that the arbitration proceedings be open
6 to the public, and that accused officers may be
7 suspended without pay while the arbitration case
8 is pending.

9 The FOP's opening brief is due later
10 this month on July 24th, and it appears that it
11 will be some time before the Illinois Appellate
12 Court decides the issue.

13 Since Judge Mullen's ruling and as
14 noted on the Police Board's website, 13 FOP
15 members who have disciplinary cases before the
16 Board for which an evidentiary hearing has not
17 taken place have filed motions to transfer their
18 cases to arbitration and terminate the Police
19 Board proceedings.

20 The Board has received no
21 information from the parties as to whether the
22 City and the FOP have agreed on the arbitration
23 process that is open to the public.

24 These 13 cases therefore remain on

1 hold, and there will be no arbitration hearings
2 until the establishment of a public arbitration
3 process.

4 There will also be no Police Board
5 hearings without the consent of the accused
6 officer regarding the cases; however, there are
7 three police officers whose Board hearings were
8 completed before Judge Mullen's ruling was
9 issued, and each filed a motion requesting that
10 the cases be transferred to arbitration, or,
11 alternatively, that the Board stay issuing a
12 decision in the case.

13 The Board will be ruling on these
14 three motions tonight.

15 The Police Board's website,
16 Chicago.gov/PoliceBoard, will continue to keep
17 the public informed of any new developments in
18 litigation and of the status of disciplinary
19 cases currently before the Board. And I
20 encourage all members of the public to check the
21 news and police discipline sections of our
22 website for the most current and up-to-date
23 information.

24 The next item on our agenda is

1 disciplinary cases. The Police Board hears cases
2 when the Superintendent files charges
3 recommending that an officer be discharged from
4 the Chicago Police Department for violating CPD's
5 rules of conduct.

6 The Board, as authorized by the Open
7 Meetings Act, has discussed in a closed meeting
8 several police disciplinary cases. We will now
9 take final action on these cases.

10 In case numbers 23 PB 3017,
11 23 PB 3019, and 23 PB 3020, each of the accused
12 officers filed a motion requesting that the case
13 be transferred to arbitration, or, alternatively,
14 that the Board stay issuing a decision in those
15 cases.

16 The evidentiary hearings for each of
17 these cases was completed before Judge Mullen's
18 March 21st, 2024, ruling in FOP V City of
19 Chicago.

20 Is there a motion to deny all three
21 of these motions because Judge Mullen's ruling
22 does not apply to cases for which the Police
23 Board hearing had already been completed and
24 because the Board must resolve issues before it

Police Board Public Meeting

2 VICE PRESIDENT WOLFF: So moved. Paula

4 BOARD MEMBER BLOCK: Second. Steven Block.

7 Wolff.

8 VICE PRESIDENT WOLFF: Aye.

6 Chicago Police Department?

7 VICE PRESIDENT WOLFF: So moved. Paula
8 Wolff.

9 BOARD MEMBER BLOCK: Second. Steven Block.

22 The motion passes by a vote of 6 to 0.

23

24

1 The final disciplinary case we will
2 consider is case number 23 PB 3019. Is there a
3 motion to find Police Officer Shawn Bryant not
4 guilty of unnecessary use of deadly force, guilty
5 of violating CPD directives on body-worn cameras
6 and loading his firearm, and to order these
7 violations be noted on his record?

1 Wolff, Block, Doorley, Safakas, Terry, and
2 myself. The motion passes by a vote of 6 to 0.

3 Board Member Cusack recused herself
4 from this case as required by the Municipal Code.

5 Is there another motion to adopt
6 the written decisions that have been reviewed by
7 all Board members who participated in the cases
8 we just voted on?

9 VICE PRESIDENT WOLFF: I so move. Paula
10 Wolff.

11 MR. BLOCK: Second. Steven Block.

12 PRESIDENT COOPER: All in favor?

13 (CHORUS OF AYES.)

14 PRESIDENT COOPER: Any opposed?

15 (NO RESPONSE.)

16 PRESIDENT COOPER: Hearing and seeing none,
17 the motion passes.

18 There is one additional matter that
19 is up for vote tonight.

20 In case number 23 PB 3035, the
21 accused CPD member, Sergeant Timothy Conlan,
22 who's not a member of the FOP, filed a motion to
23 stay the Police Board proceedings and/or transfer
24 his case to arbitration. Is there a motion to

2 VICE PRESIDENT WOLFF: So moved. Paula
3 Wolff.

4 BOARD MEMBER BLOCK: Second. Steven Block.

6 the Board for their votes. Vice President Wolff.

7 VICE PRESIDENT WOLFF: Aye.

8 PRESIDENT COOPER: Member Block.

9 BOARD MEMBER BLOCK: Aye.

10 PRESIDENT COOPER: Member Cusack.

11 BOARD MEMBER CUSACK: Aye.

12 PRESIDENT COOPER: Member Doorley.

15 BOARD MEMBER LISS: Aye.

16 PRESIDENT COOPER: Member Safakas.

17 BOARD MEMBER SAFAKAS: Aye.

18 PRESIDENT COOPER: Member Terry.

19 BOARD MEMBER TERRY: Aye.

20 PRESIDENT COOPER: I also vote in favor of
21 the motion. Voting in favor are Board Members
22 Wolff, Block, Cusack, Doorley, Liss, Safakas,
23 Terry, and myself. The motion passes by a vote
24 of 8 to 0.

1 The written decisions for all of
2 these cases will be entered as of today's date,
3 sent to the parties, and then promptly posted on
4 the Board's website.

5 Finally, there's one announcement
6 of a ruling and disagreement case this evening.
7 Board Member Terry will make this announcement.

8 BOARD MEMBER TERRY: Thank you. I was
9 randomly selected from the Police Board's
10 membership to consider one matter on which the
11 Chief Administrator of the Civilian Office of
12 Police Accountability and the Superintendent of
13 Police do not agree regarding the discipline of a
14 police officer.

15 In request for review number
16 24 RR 05, the Chief Administrator recommended
17 that Police Officer Delilah Garcia be discharged
18 from the Chicago Police Department for making
19 false statements in violation of Rule 14, and
20 further misconduct stemming from an accidental
21 firearm discharge while off duty.

22 The Interim Superintendent did not
23 agree that Officer Garcia violated Rule 14 and
24 proposed that she be suspended for 30 days.

1 After considering this matter, it
2 is my opinion that the Interim Superintendent did
3 not meet the burden of overcoming the Chief
4 Administrator's recommendation for discipline.

5 Based on the seriousness of a Rule
6 14 violation and its impact on a police officer's
7 credibility, an evidentiary hearing in which
8 Officer Garcia and responding officers and
9 supervisors give sworn testimony is an
10 appropriate next step in determining whether
11 Officer Garcia violated Rule 14.

12 A copy of the written opinion will
13 be posted on the Board's website.

14 PRESIDENT COOPER: The next item on the
15 agenda is appeals by disqualified applicants to
16 become Chicago police officers.

17 When a person who applies to become
18 a Chicago police officer is disqualified and
19 removed from the eligibility list due to the
20 results of a background examination, that person
21 has a right to appeal that decision to this
22 Board. The Board, as authorized by the Open
23 Meetings Act, has discussed in a closed meeting
24 several appeals. We will now take final action

1 on these appeals.

2 Is there a motion to affirm the
3 disqualification decision for the following
4 appeals: 24 AA 09, 12, 16, 17, 19, and 20, and
5 reverse the disqualification decision for the
6 following appeal: 24 AA 18?

7 VICE PRESIDENT WOLFF: So moved. Paula
8 Wolff.

9 BOARD MEMBER CUSACK: Second. Mareilé
10 Cusack.

11 PRESIDENT COOPER: I will now call on members
12 of the Board for their vote. Vice President
13 Wolff.

14 VICE PRESIDENT WOLFF: Aye.

15 PRESIDENT COOPER: Member Block.

16 BOARD MEMBER BLOCK: Aye.

17 PRESIDENT COOPER: Member Cusack.

18 BOARD MEMBER CUSACK: Aye.

19 PRESIDENT COOPER: Member Doorley.

20 BOARD MEMBER DOORLEY: Aye.

21 PRESIDENT COOPER: Member Liss.

22 BOARD MEMBER LISS: Aye.

23 PRESIDENT COOPER: Member Safakas.

24 BOARD MEMBER SAFAKAS: Yeah, I vote in favor

1 of the motion, but I note that I dissent from the
2 majority and appeal under 24 AA 12.

3 PRESIDENT COOPER: Thank you, Member Safakas.
4 Member Terry.

5 BOARD MEMBER TERRY: Aye.

6 PRESIDENT COOPER: And I vote in favor of the
7 motion, except I also dissent from the majority
8 and appeal 24 AA 12.

9 Voting in favor are Board Members
10 Wolff, Block, Cusack, Doorley, Liss, Safakas,
11 Terry, and myself. The motion passes.

12 The written decisions of these
13 appeals will be entered as of today's date, sent
14 to the parties and posted on the Police Board's
15 website.

16 The next item on the agenda is the
17 Board's policy on training.

18 At last month's meeting, we
19 announced and then posted on our website for
20 public comment a draft policy on training for
21 Police Board members and hearing officers. The
22 Board did not receive any comments on the draft
23 policy. Is there a motion to adopt the policy
24 that has been posted on the Board's website?

Police Board Public Meeting
July 18, 2024

1 VICE PRESIDENT WOLFF: So moved. Paula
2 Wolff.

3 BOARD MEMBER CUSACK: Second. Mareilé
4 Cusack.

5 PRESIDENT COOPER: All in favor, raise your
6 hand and say aye.

7 (CHORUS OF AYES.)

8 PRESIDENT COOPER: Any opposed?

9 (NO RESPONSE.)

10 PRESIDENT COOPER: Hearing and seeing none,
11 the motion passes.

12 At this time, I now call on
13 Superintendent Mr. Larry Snelling to give his
14 report.

15 SUPERINTENDENT SNELLING: Good evening,
16 everybody.

17 First off, I want to talk about
18 what's happening in four weeks. So approximately
19 a month from now, we'll have the Democratic
20 National Convention where we are expecting 50,000
21 delegates, dignitaries, journalists, and other
22 visitors that are expected to pour in on
23 convention day.

24 Ever since we got this, we started

1 training for it, and we're prepared for what may
2 happen, what may come.

3 Our officers are being trained on
4 First Amendment and Fourth Amendment protections.
5 This is important to make sure that we have a
6 successful interaction between our officers and
7 those who wish to have their voices heard.

8 Although we expect people to
9 converge upon the City, we are protecting the
10 areas around the venues, which would be McCormick
11 Place and the United Center, we're still also
12 concerned about the neighborhoods, especially
13 those neighborhoods that are most affected by
14 crime.

15 You know over the Fourth of July
16 weekend, we had over 100 people shot. We had
17 basically upwards of 20 people who were murdered.

18 At 71st and Woodlawn, just a
19 horrendous event where two mothers and an
20 8-year-old were murdered in their home. An
21 8-year-old and 5-year-old also injured.
22 5-year-old was fighting for his life. Luckily,
23 it sounds like both of them are recovering at
24 this point. But still, you know, just keep them

1 in your prayers. It's very important.

2 We're losing children. When we
3 look at over a hundred people shot and people
4 murdered, we had children in that group of people
5 and both of those groups ranging from tender-age
6 minors up to teenagers. So it's very important
7 that we make sure that we maintain a presence in
8 the neighborhoods. We're working with our
9 outreach partners. We're working with community
10 groups and other agencies from the City of
11 Chicago to make sure that we have manpower out
12 there around the clock to assist, victim
13 services, and also our family liaison program
14 with our detective division.

15 So as we prepare for what's going
16 to happen in August, we're continuing to prepare
17 for the neighborhoods. It is important that we
18 do not -- we do not overextend our department to
19 where we cannot protect our neighborhoods.

20 So we're going to make sure that we
21 have the appropriate amount of manpower in the
22 districts to make sure that we can respond to
23 calls for service, as well as be proactive to
24 prevent crime out there.

1 So it's really important to protect
2 our children out there.

3 So with that being said, I'd like
4 to say welcome, newly appointed Board Member
5 Katie Liss. And thank you for the time,
6 President Cooper.

7 PRESIDENT COOPER: Thank you, Mr.
8 Superintendent. Excuse me. We'll have time for
9 public questions at the end of the meeting.

10 Excuse me. Please.

11 The next person that we'd like to
12 call on -- we'll have time for public comments at
13 the end for everybody -- is that we ask for the
14 COPA Chief Administrator's report, and First
15 Deputy Eaddy will give that report.

16 FIRST DEPUTY EADDY: Thank you, President
17 Cooper. For the month of June, COPA received 326
18 complaints and notifications. Through July 15th
19 of 2024, we have received a total of 3,418
20 complaints. 2,730 of those were referred to the
21 Bureau of Internal Affairs. 688 have been
22 retained at COPA. The total cases currently
23 under investigation for COPA are 593, with 61
24 currently in preliminary review and investigation

1 in our intake unit, and 532 currently being
2 investigated.

3 COPA just completed its second
4 quarter report and posted it on our website at
5 ChicagoCOPA.org. It can be reviewed there.

6 Through two quarters, COPA has
7 received 1 -- I apologize. In the second
8 quarter, which would be April 1st through June
9 30th, COPA received 1,703 complaints and
10 notifications, which is a 16 percent increase
11 compared to last year this time. 1,264 of those
12 have been referred to the Bureau of Internal
13 Affairs, and 439 for the second quarter were
14 retained at COPA.

15 As it pertains to the Consent
16 Decree, the Independent Monitoring report 9
17 reflects that COPA is at 100 percent preliminary
18 compliance, 99 percent secondary compliance, and
19 82 percent full compliance.

20 COPA just completed its third
21 session of its People's Academy, a six-week
22 condensed version of our internal training
23 academy that our investigators and legal staff go
24 through. It is available for members of the

1 public to learn about how COPA conducts its
2 investigations, analyzes video, leads witness
3 credibility, et cetera. It was held at North
4 Park University. Our prior two sessions last
5 year were held on the west side of Chicago in the
6 Joint Public Training Center.

7 The participants in this particular
8 COPA People's Academy session 3 spanned 15 wards
9 and 12 police districts. So there was adequate
10 attendance across the City.

11 Our fall will be a virtual academy
12 that will be open to the public and to
13 practitioners around the country.

14 The plan is in spring of 2025 to
15 host a People's Academy on the south side of
16 Chicago.

17 Also, our upcoming all-staff
18 meeting, as we have tried to engage communities
19 and have our all-staff meetings in communities
20 around the City, the next will be at the
21 Ukrainian Institute of Modern Art. In the past,
22 we visited the DuSable Museum and Mexican Museum
23 of Art.

24 On July 16th, COPA released a press

1 statement regarding an officer-involved shooting
2 that occurred on Saturday, July 13th, near 3800
3 West North Avenue. An officer did discharge
4 their weapon, striking an individual. A gun was
5 recovered on the scene, and the individual was
6 transported to the hospital. The incident was
7 captured on body-worn camera, and unless
8 prohibited by court order, COPA will release all
9 relevant video and materials, including police
10 reports, in accordance with the City's 60-day
11 video release policy.

12 Having said that, those are our
13 updates for this Police Board meeting. Thank
14 you.

15 PRESIDENT COOPER: Thank you, First Deputy
16 Eaddy.

17 At this time, as promised, I will
18 now call on members of the public who signed up
19 in advance to speak. And to make sure that
20 everybody has time to speak and that we can hear
21 from everybody who has taken time out of their
22 day to come here, we would just ask that you
23 follow our standard practice, which is two
24 minutes. There is a time limit. I see there's

1 some questions. I will just note that given the
2 size of the number of public in the room, that
3 even if you haven't signed up to speak, and you
4 still want to speak, we will allow that, just so
5 that everybody can be heard, if that was your
6 question.

7 With that being said, I would first
8 like to call Dr. Rita Pritchett up to speak.

9 DR. PRITCHETT: Good evening, everyone.
10 Board, Superintendent, everyone, and my sisters
11 and brothers of the community. My name is Rita
12 Pritchett. I'm a retired Chicago police officer.
13 I'm here to speak as a retired police officer and
14 citizen of the City of Chicago for me at 78. I
15 envision a co-existence between Chicago Police
16 Department and the community, to facilitate
17 serving the citizens of Chicago with a window of
18 opportunity and engagement for us all to
19 participate. For us all to participate.

20 Superintendent Snelling and his
21 staff have made strides to achieve the goals that
22 are necessary, I think, to reduce crime so that
23 the citizens of Chicago can have and maintain a
24 sense of safety in each of their communities.

1 Both the police and the citizens
2 have a responsibility to remedy violations in
3 terms of criminal element.

4 The police can't do it without the
5 citizens, because the citizens know what is
6 happening in their communities.

7 If you don't tell the police, the
8 police don't know.

9 I think that Superintendent
10 Snelling through each one of his districts and
11 through the faith-based initiatives and the
12 programs that he's implemented has offered every
13 opportunity for the citizens to be engaged with
14 the police department so that we can communicate
15 with one another. With one another, not at one
16 another.

17 We can get together. We can make
18 this work. We can come together as one knowing
19 together we can. We can work together on
20 strategies between the police and the community
21 to maintain an open dialogue, to work together in
22 partnership in addressing both the concerns of
23 the citizens and the police. And just for your
24 information, police officers are required to live

1 in the City of Chicago. I'm a citizen. Thank
2 you.

3 PRESIDENT COOPER: Thank you, Ms. Pritchett.
4 And thank you for your service to the City.

5 The next person I would like to
6 call up is Mr. Bobby Kennedy.

7 MR. KENNEDY: You all remember last time I
8 was here you didn't have an answer for me on the
9 affinity policing program.

10 I just gave you that, that's the
11 phone number of the source. Do you have any
12 answers on that about the disenfranchised
13 communities that were supposed to get these
14 community identity cards?

15 PRESIDENT COOPER: I'm sure somebody would be
16 happy to speak with you after the meeting, Mr.
17 Kennedy. Mr. Snelling?

18 SUPERINTENDENT SNELLING: Same thing. Speak
19 to you after.

20 MR. KENNEDY: Okay. Thank you.

21 PRESIDENT COOPER: Thank you, Mr. Kennedy.

22 The next person I would like to
23 call is Ms. Brenda Horsley.

24 MS. HORSLEY: Good evening, everyone, Officer

1 Snelling. My name is Brenda Horsley. Little bit
2 about my background. I taught school for
3 approximately ten years. I left the school
4 system, not because I dislike the school system,
5 but because there was a higher calling for me. I
6 -- we had a practice on 75th Street, Dr. Neil
7 Horsley Podiatry, and that practice stayed in the
8 same place since 1955 until December 12th of this
9 year. We retired the practice out of the
10 community. But, however, I am here to speak on
11 behalf of Commander Branch. There's a lot of
12 negative things that are said about the police,
13 but there are some positive things.

14 I have to start out with the
15 negative before I get to the positive. On --
16 yesterday, I working at my home, and I found that
17 my gate had been -- someone tried to get into my
18 gate. Across the way, the next house, someone
19 had tried to break into the garage and a whole
20 series of things. So the question was -- when I
21 called 911 trying to get someone to come out, I
22 was very, very, very disappointed in the process
23 of me trying to say there's a possible invasion.
24 I need help. The young lady hung up on me in mid

1 sentence. So that angered me. And I'm pretty
2 sure that would have angered any of you and
3 anyone in this room, because when you are in
4 stress, you don't want anyone hanging up on you,
5 especially 911, because this is where you get
6 help.

7 Well, upon doing that, I said,
8 Okay. What do I do now? So I called a neighbor.
9 I says, Look, I need a little help. I need a
10 little help. Please help me out. So from this
11 point, Commander Branch was called. Commander
12 Branch had not gone into work. He immediately
13 came over to where I was at. He immediately
14 calmed me down from you, Officer Snelling, from
15 you having to put handcuffs on me. But he calmed
16 me down.

17 But my point I'm making is, Commander
18 Branch in the 3rd District is doing everything
19 that you would want a commander to do for the
20 community.

21 When we call him, he comes. He
22 comes. He comes, and he supports us. And a lot
23 of his officers support us, too.

24 So, in closing, I would like to say

1 that the 3rd District need a new place to work.
2 He is a wonderful man, and he should not be
3 working in that dirty place on Cottage Grove.
4 Thank you.

5 PRESIDENT COOPER: Thank you, Ms. Horsley.

6 Next person I would like to call to
7 speak is Mr. Rodney Johnson.

8 MR. JOHNSON: Okay. Good evening, everyone.
9 My name is Rodney Johnson, and I am also a
10 neighbor of Ms. Brenda Horsley. I represent a
11 group, Neighbors United, from which, amongst many
12 other community endeavors, is concerned about
13 75th Street and issues we have going on with 75th
14 Street and the bars that bring an element to the
15 community from outside of our community for that
16 matter, and it causes mayhem.

17 We've been working on these issues
18 for a while. We've had a chance to speak,
19 Superintendent, even before you were
20 Superintendent. And congratulations. Never had
21 a chance to tell you personally.

22 But we really want to applaud
23 Commander Branch and Commander Tate.

24 For those who don't know, 75th

1 Street is the dividing line between two
2 districts. South side is one district, north
3 side of the street is a different district. But
4 we've had a whole plan for dealing with some of
5 this, especially in the summer.

6 My request is, speaking to both
7 commanders, their resources in terms of their
8 budgets are being drained with the overtime that
9 they have to use to effectively deal with the
10 issues that we have. And I'm just appealing to
11 you, Superintendent, to please give them the
12 resources that they need for overtime, for tow
13 trucks.

14 On the 4th of July weekend, they
15 had no parking along 75th Street, I think from
16 11:00 to 6:00 a.m. And, boy, I tell you, they
17 were out there. Three tow trucks, all kind of
18 policemen, Lieutenant Cleggett. We sent a
19 compliment on his behalf. He was out there 2:00
20 o'clock in the morning clearing those people out.
21 I went out there. People were on their cell
22 phones, Hey, you better move your cars. They
23 writing tickets. And that's the kind of
24 resources that we need, because without that, it

1 becomes mayhem. And we go back a couple of
2 years. There have been massive shoot-outs that
3 come from these crowds that come into the area.

4 So please can we continue to give
5 them the resources that, you know, both the 6th
6 and 3rd District Commander Tate and Commander
7 Branch need.

8 PRESIDENT COOPER: Thank you, Mr. Johnson.

9 The next speaker is Ms. Jasmine
10 Smith.

11 MS. SMITH: I wasn't expecting to speak
12 tonight. So I wasn't expecting to speak tonight,
13 but Superintendent Snelling is here, and I am
14 Jasmine Smith, activist with the Chicago Alliance
15 Against Racism and Political Repression. I'm
16 co-chair over the Campaign to Free Incarcerated
17 Tortured Survivors and wrongfully convicted.

18 My two loved ones, Lester Owens and
19 Rico Clar, was kidnapped by Chicago Police
20 Department detectives Brian Forberg, Kevin
21 Eberle, and John Foster. They've been gone for
22 14 years and 17 and a half years on cases where
23 it was put on them, and these detectives coerced,
24 badgered, harassed, and forced these witnesses to

1 make false confessions against them.

2 It was just brought to my
3 attention, you, Superintendent Snelling, and the
4 FBI congratulated Kevin Eberle named for the FBI
5 task force, officer of the year, June 11th, and
6 y'all congratulated him for being the officer of
7 the year for the FBI task force and is saying
8 that Detective Eberle is the task force officer
9 on FBI violent crimes task force and chosen for
10 the award because of his dedication to public
11 safety and a passion for service.

12 I'm giving you a fair warning right
13 now. Last year because of the exposure and a
14 reporter going public, Channel 2 nationally,
15 about Forberg, y'all forced him to retire five
16 days later after he made the news. Eberle is
17 still on the force. He is not a person of public
18 safety. You told us you were going to hold these
19 officers accountable, but instead they're being
20 rewarded for their corruption.

21 It's a shame, and we want to be
22 exposing him next. I got fliers ready and the
23 lawyers have video footage.

24 After the DC, we will be publicly

1 dropping bombs on the corruption of Eberle,
2 Foster, and Forberg, and every other State's
3 Attorney and judges that had their hands in
4 wrongfully convicting right now 27 known wrongly
5 convicted by Eberle, Foster, and Forberg.

6 Justice need to be served. And you
7 all need to help us bring our loved ones home who
8 have been harmed and kidnapped by these
9 detectives, because they're wrong. They're
10 corrupt, and they -- this code of silence have to
11 stop. We need accountability out here. And the
12 public doesn't want to involve themselves with
13 you guys because there is no accountability for
14 when you do wrong to us. So until that is done
15 and justice is served in that way, then the
16 public will trust the police. But it is no trust
17 when they being rewarded for doing damage and
18 harm to these communities other than protecting
19 like they supposed to.

20 PRESIDENT COOPER: Thank you, Ms. Smith.

21 The next speaker is Jackie
22 Bradford.

23 MS. BRADFORD: Good evening, everyone. My
24 name is Jackie Bradford. I'm a retired Chicago

1 police officer. I worked with the Department for
2 30 years. I live right off 75th Street. I live
3 in the 6th Police District, and I'd just like to
4 reiterate what Mr. Johnson stated about giving
5 Commanders Tate and Branch the help that they
6 need in continuing to try to quell the issues
7 that we have when we have warm weather.

8 We also need assistance in finding
9 the owners of vacant lots that are on 75th Street
10 where if people aren't parked on the street, they
11 will post up in these vacant lots. And we have
12 problems with people taking it upon themselves
13 to -- in their cars, they're selling alcohol to
14 people who may not be getting into the bars. We
15 have people who have bought food trucks, and
16 they're not licensed.

17 So we need other City services to
18 come in and help enforce these people that are
19 doing illegal -- performing illegal activities by
20 ticketing them. And if we consistently do these
21 things, it will encourage them not to come to our
22 neighborhoods and make it uncomfortable and
23 scary and just unlivable. Thank you for your
24 time.

1 PRESIDENT COOPER: Thank you, Ms. Bradford,
2 for your comments and service.

3 The next person we'd like to call
4 is Grace Patino.

5 MS. PATINO: Good evening. I'm here to raise
6 the demands of the community. Justice for Dexter
7 Reed. We need to fire the cops involved in his
8 murder. Abolish the racist tact teams and end
9 pretextual traffic stops.

10 Larry Snelling, you decided to
11 ignore the Inspector General's call to reopen the
12 investigation into eight officers who showed up
13 on the Oath Keepers' roster, in spite of CPD
14 originally reaching out to the Inspector General
15 asking for help in conducting the investigation
16 into the Oath Keepers. This is unacceptable.

17 Within less than a year, we had the
18 96-shot murder of Dexter Reed, the Oath Keepers'
19 report, and the UN coming out with a special
20 report on racial discrimination, talking about
21 how CPD and the State of Illinois perpetuated
22 police abuses, torture, and injustice against
23 Chicagoans, ripping families apart. This is all
24 within less than a year.

1 When CPD commits crimes, it's not
2 just local news. Their misconduct is now making
3 international news.

4 Let me explain why that should be
5 embarrassing to this Board. It's not just a
6 reflection on CPD. That's a reflection on
7 everyone failing to hold them accountable.

8 Today you voted to -- I don't know
9 if it was to fire or to discipline an officer
10 with cocaine usage. Okay. Fine. Can you please
11 take a stance against murder?

12 I am once again inviting you to
13 stand with the community and demand the police be
14 held accountable for the execution of Dexter
15 Reed.

16 And we had our first public speaker
17 making a comment up here that if the people don't
18 tell the police what's going on, then the police
19 won't know. Well, we've been coming here to tell
20 you guys, and we won't ever stop asking for
21 justice for Dexter Reed, and we won't ever stop
22 coming here to tell you that.

23 PRESIDENT COOPER: Next speaker is Patty
24 Droogan.

1 MS. DROOGAN: Hi. Thank you very much for
2 allowing me to come in and talk today. I'm also
3 here today on behalf of Dexter Reed as well, and
4 all of the people who have been murdered out on
5 the streets without being charged, without
6 getting their day in court, and without having
7 good representation.

8 I'm not saying that everybody is
9 innocent. What I am saying is I agree with you.
10 We want to work together with the police. We
11 want to be able to come to the police. We want
12 the police to be out in our neighborhoods. We
13 also want for the police to understand that we
14 don't get to pull a person over for a traffic
15 stop and shoot them 96 times without being held
16 accountable for what they've done. We want to
17 work with you.

18 I really wish that Dexter Reed
19 would have gotten the same courtesy that this
20 young lady over here said that we should all be
21 getting for one another.

22 If you guys don't start -- it
23 starts at the top. All of our brothers and
24 sisters here -- and that includes me, because I'm

1 a friendly neighbor to the community -- if you
2 guys don't start at the top, you can't expect for
3 anybody else. You set the tone. You set the
4 precedence. And once you start doing right by
5 the citizens and our communities here, everything
6 else will fall smoothly into place. Thank you.

7 PRESIDENT COOPER: The next speaker is
8 Carolyn Ruff. I think it's Carolyn Ruff.

9 MS. RUFF: Right here. Thank you. We need
10 to laugh.

11 I'm also here for the Dexter Reed
12 family. And I was here the last time we had the
13 Board meeting. I was here. My name is Carolyn
14 Ruff. Black Lives Matter Women of Faith.
15 Probably have seen me several times protesting
16 for justice. I stand in solidarity with the
17 Dexter family. We're demanding that the five
18 officers that murdered Dexter Reed or
19 assassinated Dexter Reed to be fired. We are
20 begging you to please hurry on this
21 investigation, because I understand that COPA
22 have done their investigation, and now State
23 Attorney Kim Fox has to do hers.

24 Now, I'm sure she's finished with

1 her investigation. So we're asking where are the
2 files now? Who's investigating this? Because we
3 deserve answers. And we deserve respect from the
4 community and from the police, because we pay
5 your salary. I'm a taxpayer. I'm 76, and I want
6 justice for Dexter Reed before I turn 80, because
7 I know it takes two years to finish an
8 investigation, but it should not take that long
9 to finish something that's been videoed, and the
10 whole world have seen the video to finish, and to
11 indict these five people that was involved.

12 We're also asking you -- please, can I finish?

13 PRESIDENT COOPER: You absolutely can.

14 MS. RUFF: Thank you. We're also demanding
15 that you get rid of the tactical force, because
16 they look like thugs to me. They did not
17 identify themselves, you know. They jumping out
18 of a car, pointing their gun at this young man.
19 What do you expect? You know, he feared for his
20 life. This is the same thing that happened to
21 Laquan McDonald. He was shot 16 times and Dexter
22 Reed was shot at 96 times. Think about it. 13
23 bullets went in him. And when he was handcuffed,
24 they were still shooting him. So the officers

1 that was shooting Dexter, we demand that they are
2 fired, indicted, fired, and convicted.

3 PRESIDENT COOPER: Thank you, Ms. Ruff.

4 MS. RUFF: Thank you.

5 PRESIDENT COOPER: Next speaker is Tulsi
6 McDaniels.

7 MS. McDANIELS: Hello. My name is Tulsi
8 McDaniels. I am part of the Chicago Alliance.

9 Typically, I wouldn't make public
10 comment because I get pretty nervous, but I'm
11 realizing I don't have to be nervous because you
12 all are wasting our time, so I'm going to go
13 ahead and waste your time.

14 First of all, I'd like to get
15 started with how we entered the meeting room. We
16 were told it started at 7:00 o'clock. Our time
17 is wasted. And also just comment about Kobi who
18 got here late, and they were saying he couldn't
19 enter because we were at capacity. We're not at
20 capacity. So you get to waste our time. You get
21 to -- and you get to turn the community around.

22 We work all day, and then we have
23 to come here and do this bullshit. Why is that?
24 Why?

1 So, anyway, so I am here for Dexter
2 Reed. I'm going to take my time, because you all
3 waste my time every day.

4 So, again, we want charges against
5 all five officers. We want tact teams disbanded,
6 and we want an end to pretextual traffic stops.
7 Justice for Dexter Reed. Justice for Dexter
8 Reed.

9 PRESIDENT COOPER: Next speaker signed up is
10 Troy Gaston.

11 MR. GASTON: Gaston, G-A-S-T-O-N. Good
12 evening, everyone. My name is Troy Gaston. I am
13 an organizer with Black Lives Matter. I want to
14 first start off by saying I agree with everyone
15 here who came up here and talked about Dexter
16 Reed.

17 I'll tell you right now, we going
18 to shut this fucking city down about Dexter Reed.

19 My personal opinion, this thing
20 about Dexter Reed going to be worser than what
21 we've seen during George Floyd.

22 Young black men in this City mad
23 than a mother fucker. I'm one of them, and I'm
24 ready to kill. That's where we at with it.

1 They killing us, and they using the
2 legal system to kill us. They don't like how we
3 talk. They don't like how we walk. They don't
4 like how we trained. They don't like the power
5 in our voices. They despise us. They don't like
6 the power of a black man.

7 The Police Department in the City of
8 Chicago do not like the power of a black man.
9 Don't matter we got no black mayor. Don't matter
10 if we got a black superintendent. White
11 supremacy in this City is alive.

12 Superintendent Snelling, I know a
13 lot of people get on your neck, which is well
14 deserved because you're head of the Department
15 that's got a lot of messed-up history, but I want
16 to say it was a good start when they brought the
17 administration to the streets on 71st. It gave
18 all the people that was up in that community an
19 opportunity to let their voices be heard about
20 something that brought all the community
21 together. Unfortunately, it was a tragedy where
22 you explained two women that was part of this
23 community for years and the baby was murdered.
24 But it so happened that it's often in those black

1 and brown communities. Why do we have a black
2 superintendent, a black mayor, a black State's
3 Attorney, a black chief judge, a black -- no, a
4 black vice president, a black Attorney General,
5 right, we got all this black leadership, but
6 y'all can't protect black lives.

7 PRESIDENT COOPER: Next person I'd like to
8 call is Nam Bengé. Is there a Nam Bengé here?

9 Next person is Bryant Merma.

10 MR. MERMA: So I'm here for the family of
11 Dexter Reed. I'm a public school teacher, and I
12 want to first speak on the disrespect to the
13 public, starting this hearing late. We have
14 elderly people, people with disabilities here
15 this evening, and it just speaks to the
16 spinelessness of these class traitors here.

17 You have to be a damn fool to think
18 that after 96 shots, these murderers, and
19 cowards, and pigs can give the courtesy of
20 dialogue.

21 PRESIDENT COOPER: Is there a Roosevelt
22 Banks.

23 MR. BANKS: Good evening, everyone. I want
24 to start by saying my name is Roosevelt Banks.

1 I'm the uncle of Dexter Reed. And I just want to
2 say a little bit about myself. I worked for the
3 City of Chicago, Chicago Housing Authority for 19
4 years. My nephew was -- he played ball in
5 Westinghouse. He led them to a regional
6 championship in 2016, and he went to Morton
7 College. And so I think everything speaks to a
8 lot of what is being said.

9 The first thing that we have to
10 identify is that if he wasn't blocked in that
11 day, he would be alive right now, if proper
12 procedures were called.

13 And I am a product of the City,
14 resident citizen, and I love the Police
15 Department, so let me just say that.

16 Commissioner Snelling, this is the
17 first time I think I've actually been able to see
18 you, and I just want to say that I voted for
19 Mayor Brandon in the administration that he's
20 currently under. It kind of hurt my heart
21 because I understand you being a
22 Superintendent -- and we heard from Brandon the
23 day before they released the footage, but we have
24 yet to hear that from you for an apology.

1 I understand your position, but
2 we're human beings as well.

3 I just want to say that if there's
4 no way to stop what's being done in this City and
5 in this country, this is going to get very
6 seriously worse. And I'm hoping they look in
7 they hearts and souls and get this one right with
8 my nephew, because it's just been a lot of pain,
9 just know -- not just my nephew, but other young
10 men and women are being killed. And I am -- I'm
11 not understanding the process of the two
12 different situations.

13 And my heart goes out to all of the
14 officers. I have friends that I've grew up with
15 that are police officers. My heart goes out to
16 all the officers that we lost. And so I tried to
17 get them to understand that y'all's pain is the
18 same pain we feel. There is no different pain.
19 That's the same pain that you all feel, we feel
20 that same pain.

21 And so that I look at things -- I
22 try to keep myself conscious of what's going on.
23 And so I see with the gentleman that shot the
24 police officer, they caught him in ten days.

1 They tracked him in three states. And then I see
2 the other two young gentlemen who shot that very
3 wonderful officer on the west side, but they
4 caught them, and that's good. But it's like the
5 things that are going on in this City and in this
6 country dictate what policy and supremacy is
7 going on.

8 We have a City that has been taking
9 on migrants. Money's been allocated, \$81 million
10 and another 70 million. You have homeless
11 people, veterans that have been here for decades
12 living under viaducts and everything that have
13 been getting no housing assistance, no nothing.

14 And so like I said, again, I voted
15 for the mayor and the administration. So I just
16 want to get them to understand that these
17 officers that have done this, they had on
18 hoodies. They had -- they didn't jump out and
19 announce they were police officers.

20 We know what's going on with these
21 carjackings and smash-and-grabs. And so to my
22 understanding, I know my nephew had to be
23 terrified. He is not a bad person. And so
24 hopefully everything that's in the dark is going

1 to come to the light. And I'm hoping that you do
2 at some point fire them and indict them, because
3 let me tell you, if it was any one of us, we
4 would have been in the process.

5 We have a president -- a former
6 president that has 34 felonies that's about to
7 run for president of this country.

8 I don't know if anybody is aware of
9 Project 2025. And I'm not probably the only one
10 paying attention in this City.

11 I want to give a congratulations to
12 COPA for the process that they did in getting
13 this information out and being transparent about,
14 you know, what's happening.

15 You have situations where -- I know
16 this is not a good -- it is a dangerous job, but
17 at the same time, I look at the video footage
18 released on these two gentlemen in Cicero, one is
19 a victim and one a suspect, both were shot. When
20 you look at the footage, I'm quite sure that was
21 a situation they could have been tasered. And I
22 think a lot of these shootings could have been
23 simply tasered.

24 I mean because some of these stuff

1 you see, there's not a great deal of danger in an
2 officer's life. But I'm looking at Carol Stream.
3 Isaac, he was in his bedroom sleeping. He was
4 killed in his room unarmed.

5 I mean we as people have to come
6 together because what they're trying to do -- I
7 don't know if everybody is paying attention to
8 this election and to where we going with this
9 with all powers of government. They want to
10 change from low to high, we -- this is a time
11 when our City needs to come together so that we
12 can try and get a domino effect.

13 So if they see the examples that we
14 set here in Chicago, they can be probably a
15 model.

16 I just want to say I've been a
17 victim of three attempted carjackings this year.

18 I know Obama's administration had
19 police officers on 39th and Lake Park and 38th
20 and Lake Park, simply because of the young lady
21 Pendleton. I know you guys are aware of her.
22 And so when his administration was over, the
23 officers stayed there for about another year and
24 a half, and it brought a sense of safety on the

1 block, because one -- that's my block where one
2 of the attempted carjackings happened.

3 So if you just put cars in our
4 communities like they do on the north side, so it
5 might not stop, but it would deter. If they
6 don't see nothing -- I seen on the news they took
7 12 minutes in a liquor store, cars riding past.
8 Come on. There's nothing in place. I don't know
9 the process of the police officers, but I mean if
10 you know these guys are out here doing these
11 things at these times of nights, there should be
12 some kind of tactical forces put together in
13 terms of observing these types of things so we
14 can eliminate -- because I hate when I see people
15 of my -- when I look in the mirror, and I see
16 them committing murder. They're not doing
17 nothing but killing each other, killing us. So
18 we need to come together as people.

19 PRESIDENT COOPER: Thank you, Mr. Banks.

20 MR. BANKS: I wanted to say I didn't mean to
21 take up -- I wanted to say that. I love the
22 Police Department.

23 PRESIDENT COOPER: Next speaker I'd like to
24 call is Ms. Nicole Banks.

1 MS. BANKS: Good morning. Good morning,
2 everyone. First of all, I would like to say
3 thank you, God. Thank you, Jesus, for waking me
4 up this morning and allowing me to be able to be
5 here.

6 Second of all, I would like to say
7 thank you, everyone, that's been here to support
8 my son Dexter Reed. I appreciate everyone that
9 been protesting for my son. Apologize. It's
10 been really hard for me. I have days that I'm
11 okay, and I have days that I'm not. Only thing
12 that I'm asking for is justice for my son,
13 because I can't believe how it went down. It
14 just terrified me, and it was a part of me that's
15 just missing that's never going to come back.
16 I'm just trying to cope right now, and I just
17 want justice. I feel it was unfair for the way
18 that they did my son.

19 I don't hate the police. I fear
20 them sometimes. All police are not bad police.
21 So I still have respect for the officers.

22 Mr. Snelling, I feel the same way
23 that my brother has felt in regards to we did not
24 get an apology from you. I've seen you on

1 several occasions at these meetings. No one from
2 the police district has come and apologized to me
3 and my family on behalf of my son, as though he
4 was a crime syndicate or something, and that
5 really hurt my heart. I put in dues for the
6 police when they call me to give for this, give
7 for that. I've done that. But it's okay because
8 I put everything in the hands of God. He will
9 handle everything, and I am not worried.

10 So I will take upon this time to
11 say thanks once again for everyone that's been
12 supportive of my son Dexter Reed, and I shall
13 survive. Amen.

14 PRESIDENT COOPER: Thank you --

15 MR. BANKS: One quick question. I would like
16 to know. The only question I do want to know is
17 how is our police morale where we have wonderful
18 officers, and then we have these officers that
19 they know are terrible? How is our police morale
20 to work knowing that? That was just my only
21 question.

22 PRESIDENT COOPER: Thank you, Mr. Banks. I'm
23 sure somebody will be happy to talk with you.

24 The next speaker we have signed up

1 is Ms. Natalie Manning.

2 MS. MANNING: Good evening, everyone. I'm a
3 little nervous. My name is Natalie. I'm with
4 This is Life organization. I want to thank
5 Superintendent Snelling for coming out to our
6 community event on June 29th. We understand that
7 they both have busy schedules, but we really
8 appreciate your time for coming to the event and
9 showing our community that they are in support.

10 Their presence let the families
11 know they are here to support them and we
12 appreciate. We have work to do for your
13 continued dedication to make it a positive impact
14 in our community. Thank you again. Happy
15 birthday.

16 PRESIDENT COOPER: Next speaker is Porshia
17 Banks. Sorry about that.

18 MS. PORSHIA BANKS: Hello. Good evening. So
19 I have a couple of things I would like to
20 pinpoint before I say what I came to say from my
21 heart.

22 Number one is, looking around, and
23 I see several seats in here, at least about 15,
24 and it's groups of people outside, and they're

1 saying that the place over capacity, and it's
2 not. We have more family members outside that
3 would like to share their words and their
4 thoughts or just to be here for support. Like
5 they said, you were already 30 minutes late.
6 When we get in here, you all said you're trying
7 to push to start, when it was only about 6 people
8 sitting down at the beginning, which was me and
9 my family.

10 So I really do agree with -- again
11 with what she said is, our time matters as well
12 your time matters. So that was very
13 disrespectful.

14 Another thing I would like to
15 pinpoint is what my uncle and my mom said. It's
16 actually my first time seeing Snelling in person,
17 and we have been waiting like maybe four months
18 and about two, three days, waiting for just a
19 branch out or speak, just apologize, you know.
20 You don't owe us anything, but just showing your
21 respect to the situation that happened. So I
22 feel that that was very wrong.

23 I also would like to bring to light
24 because I see mayor -- the mayor at a lot of

1 events, and he speak upon Dexter and saying how
2 they're going to make a lot of changes and things
3 like that, but, again, it's been four months.

4 And as she was saying, I know it
5 takes two years on an investigation, but it
6 doesn't take months to investigate when clearly
7 the videos are there to investigate the officers
8 who should be locked up, because even if they
9 have to investigate three, the main one, Spanos,
10 to shoot someone that many times, to let off his
11 clip more than three times, is just disgusting.

12 And I'm just here to say that
13 pretextual traffic stops should be stopped. The
14 tactical teams should be banded, if they're not
15 going to have on the correct clothing, where we
16 know who they are and pulling people over the
17 correct way, and with their lights like the blue
18 and white do, and asking for driver's license,
19 and insurance, and showing who they are, because,
20 of course, you all don't know Dexter, but we do.
21 He couldn't see. He had one eye. So he didn't
22 really understand what was really going on. All
23 he see is guns drawn at him.

24 Again, if he was pulled over the

1 correct way, maybe he would still be here.

2 I don't know if that -- seeing
3 there's more video that the family seen that the
4 public didn't see, they already was riding
5 around. The police was riding around like they
6 were on some type of bull stuff already.

7 But I'm just here to say these
8 people come here, even when I'm not here, every
9 other week, but it's more stuff that be going on
10 where words be heard, don't seem like it matters,
11 just wasting people time.

12 You get paid to do your job. Do
13 your jobs. So make a change.

14 If this situation with Dexter would
15 have happened on the north side, Wrigley Field or
16 something like that, the City would be enraged.
17 It would be going up in flames. Just because it
18 happened on the west side of Chicago where you
19 all would think it would happen doesn't mean that
20 you all should not take accountability. Like the
21 police should be held accountable for what they
22 did to my brother. And to even have my mom come
23 up here today to speak like she said, y'all pain
24 is our pain and stuff like that, just like

1 everybody have different pains. And y'all just
2 don't understand to see someone lose their life
3 on national TV through the world.

4 This just wasn't happening in the
5 City and the state. This hit the country. This
6 hit worldwide.

7 I think that someone should be
8 accountable for this. Just like I said, you all
9 don't want no one to flip out, because you don't
10 know how people feel when they mad and in they
11 hearts how they feel toward people.

12 To put those same officers back on
13 the street after what they did, murder to
14 someone, and they already have over 40 complaints
15 of these same group of officers, it's just like
16 they out here, and that's what they waking up to
17 do. This is what they're doing.

18 So it was like you see them, and
19 this is your job, why won't you fire them? Why
20 won't you lock them up? Do what you are supposed
21 to do.

22 It won't bring Dexter back, but it
23 still bring some type of justice in the hearts
24 for my brother, and that's all I have to say.

1 PRESIDENT COOPER: Thank you.

2 The next speaker -- Ms. Banks
3 brought it up. I first want to apologize and
4 clear up confusion when the meetings -- the
5 Police Board meetings start. They do start at
6 7:30 on the third Thursday of every month. So I
7 apologize if there was any confusion that the
8 meeting was supposed to start at 7:00 o'clock.

9 I know we did have several members
10 of the public who were waiting outside, and we
11 did try to start the meeting a little bit later.
12 I wanted to apologize for everybody who didn't
13 get in who thought the meeting was supposed to
14 start at a different time. Last thing we want to
15 do is waste your time. I do apologize.

16 The next speaker is Pastor Doyle.

17 PASTOR DOYLE: Good evening. For the record,
18 Doyle, D-O-Y-L-E. Landry, L-A-N-D, as in David,
19 R-Y.

20 So for the record, D-O-Y-L-E.
21 Landry, L-A-N-D, as in David, R-Y.

22 I will do my best in two minutes.
23 First and foremost, for the family of Dexter
24 Reed, may God give you the justice you deserve.

1 The book of the Ecclesiastics is
2 clear, to everything there is a season. Sunday
3 will be a season three months since Officer Luis
4 Huesca, star number 18913, came home from work
5 but did not make it to the door. Just three
6 months. I'm saying that in context of a Marine
7 Corps veteran. You all heard me for the last
8 three months say this, that this is now the
9 second July 4th as to why I can't wrap my head
10 around the fact that we wake up on the 4th of
11 July, and there's something that we can't
12 describe.

13 So two years ago in Highland Park
14 for the 22-year-old and two years later at 6:15
15 in the morning on 71st and Woodlawn, the
16 crickets, the silence in the black community is
17 appalling, because nobody white came inside 71st
18 and Woodlawn and did that.

19 So for the two black mothers who are
20 dead, they deserve the same justice. And the
21 answer comes from people who look like me. It's
22 nice, and I'll say it how I'm going to say it,
23 Brady Bunches -- Brady Bunch like for white
24 people to want justice, but this is where you are

1 not -- this comes from us, because today when I'm
2 -- I'm old school, I read the paper, and I'm
3 looking at the picture of the survivors in the
4 hospital, they're just beginning their journey,
5 and it's two weeks today.

6 So, Superintendent Snelling, thank
7 you very much for continuing to make an impact in
8 Englewood, because I have to put him on the spot.
9 He grew up in Englewood. He comes to Englewood.
10 Ms. Manning's event was in Englewood at the park
11 where he grew up. So I want to thank you for the
12 ripple effect that you are having, because it's
13 unnoticed. Doesn't get captured by my
14 colleagues.

15 Again, I used to be a full-time
16 reporter. It doesn't get captured.

17 I wouldn't want to be in your shoes
18 in the next month. I said that to you six months
19 ago, because I don't see the win situation. I
20 don't -- wherever you go between the 19th and the
21 22nd, like I said to you six months ago, I don't
22 see the win situation because the leadership
23 isn't you, it is Mayor Johnson. So if we're
24 going to start holding being accountable -- well,

1 if we must be honest, it is our color votes who
2 put him in office.

3 So when we meet again next month on
4 the 15th, again, we have to start being honest,
5 an inconvenient truth, making people
6 uncomfortable, because the same justice that we
7 want again for Dexter Reed's family, we should
8 want for Elizabeth French's family, for Carolyn
9 Wortham's family, and for every black mother who
10 wakes up every day with the same pain. Thank you
11 very much.

12 PRESIDENT COOPER: Thank you.

13 Marquette Blake is the next
14 speaker.

15 Ms. Cece Edwards.

16 MS. EDWARDS: Good evening. Ms. Wolf, Mr.
17 Cooper, and Superintendent, good evening.

18 I want to say, number one, that we
19 in the 6th District, we support Commander Tate
20 without question. We support Commander Branch
21 without question. They have worked very
22 diligently. We came last month. They have done
23 -- I call it operation permit parking, operation
24 parking. Operation get out of the neighborhood.

1 Okay. After 2:00 o'clock in the morning, you
2 should not be in our neighborhood, period.
3 You've had your fun. You don't live in the
4 neighborhood. Let's go, you know. And this is
5 what I think a lot of the homeowners are
6 objecting to, you know. They're not objecting to
7 the bars being open or the vibrancy of an
8 historic district like 75th Street. And for the
9 last 14 months, we as a group, we work together
10 to get that type of public safety done. We were
11 successful.

12 Now, we're just following through.
13 We have a group King Drive to Cottage Grove, and
14 we are separate and distinct from any other
15 group, and we work very hard to get public safety
16 on that group.

17 Now one of the things we talked
18 about, we had a meeting with Commander Tate, and
19 he was very gracious, and we have decided that we
20 need to advocate, as some of the other members
21 here have mentioned, for more police resources.

22 I have personally been on the third
23 watch, Superintendent. And there was nobody
24 there. I mean it was just a few officers, and I

1 was like -- I thought it was going to be like a
2 lot of officers, and it's not. And there's other
3 reasons and resources, as you know, that are
4 being distributed across the City. And I
5 mentioned about the 250 new recruits that were
6 graduated. That was last month I think when we
7 were here, or even the month before, and could we
8 get a few more, and he stated, well, maybe I'll
9 only get 10, you know, maybe we won't.

10 But those are the things that we
11 need very much so.

12 So if you could put it on the
13 calendar to see what you could do to help us get
14 more resources.

15 The other thing we talked about was
16 maybe you could help us get LAZ Parking. LAZ
17 writes tickets.

18 The commander and his resources in
19 the 3rd and 6th District, we need them to answer
20 911 calls. Okay? So LAZ can write and bring in
21 revenue, Mr. Cooper, to the City. So we need
22 that. And we need help to get that done.

23 We got our cameras. Thank you very
24 much. Ms. Green worked very hard to get that, so

1 did I. So I really appreciate that help.

2 And in closing, I just want to say
3 that we know that the officers work very hard.
4 We also know they're human beings, and they can
5 make mistakes. And we need to also be just
6 forgiving and work with them and try to make sure
7 everyone is protected and everyone is safe.
8 Thank you.

9 PRESIDENT COOPER: Mr. Matthew Brandon.

10 MR. BRANDON: Good evening, all, and
11 Superintendent. I just come to also talk about
12 the support that we get in the 3rd and 6th
13 District. I hate to say that, because I don't
14 want to see them gone, you know. You know how
15 they disappear once they get to doing a good job.

16 Supe, leave them there for a while.

17 But to the Reed Family, deepest
18 condolences. And I, too, wish you get justice
19 that you seek.

20 I just wanted to dispel the myth
21 that was said that police officers don't have a
22 dangerous job.

23 In 1984, I went -- I'm a former
24 police officer. I met my wife in the academy. I

1 went to work. She went to work. She didn't come
2 home. She got killed in the line of duty. So
3 police officers do have a dangerous life.

4 I want to talk to you,
5 Superintendent, about the money that's being
6 spent out here on these grants -- these violence
7 intervention grants where you have all these
8 so-called violence interrupters that are out
9 here, and these grants are designed as a response
10 to violence instead of prevention to violence.

11 So, you know, you got all these
12 eggheads in these universities who never stood on
13 71st and Jeffrey or 63rd and Cottage, and they
14 make decisions about how it's going to be safe.
15 It doesn't work like that.

16 This community decides how that
17 should be done. And none of them are called to
18 the table.

19 Common sense is not used in the
20 equation. And that's where this is failing. So
21 the community has to be bought in to those
22 discussions before that money is put on the
23 street, because it's spent on salaries and it's
24 spent on all other kinds of things, but it's not

1 spent on the community trying to help solve the
2 problem. Thank you.

3 PRESIDENT COOPER: Thank you. Thank you, Mr.
4 Brandon.

5 Ms. Jennifer Edwards is the next
6 speaker on the list.

7 MS. EDWARDS: Good evening. You all notice I
8 don't have a cane today?

9 I want to also say thank you for
10 Commander Branch and for Commander Tate. Don't
11 take them away. Okay?

12 But I want to kind of say a little
13 something, so if I can have a little extra time.
14 I appreciate them. They've done a lot on 75th
15 Street. I know because it comes down to where I
16 am on 76th Street. So they being the police.
17 Okay? I went to the Thor Soderberg street
18 naming -- was it last week, I think it was, and
19 the dedication. And this was an officer that was
20 killed on the job. I didn't know him. And I was
21 very, very impressed by the number of recruits
22 that they have. And these recruits, everybody,
23 look like us. Okay.

24 Now, some of the things that's been

1 happening in the neighborhoods, and the police
2 not coming out, because we don't have the police,
3 but a whole bunch of folks like the police we
4 just can't get them, because we don't have them.

5 We walk down behind them. They
6 were all standing up and saying, "Good morning,
7 ma'am," and all that attention. I was so proud,
8 I didn't know what to do, because here we got
9 some young folks that want to work for the City,
10 and they want to do something. Okay?

11 Now, I've been here a couple of
12 times -- more than a couple of times, and -- for
13 years with the last Superintendent, too, and
14 young people coming in. I appreciate you all --
15 one more minute.

16 PRESIDENT COOPER: Go ahead.

17 MS. EDWARDS: But we need you to come out
18 there with us. Okay? We get older. We going to
19 the gas station. We were out there at 71st and
20 Woodlawn. All these people came out to be on
21 camera. We are out there. Okay? And I'm going
22 to bed at night, but I'm out there in the
23 daytime. We walking around. We doing what we
24 need to do. We know all these people. We know

1 the -- some of the fallen officers. We know
2 Sammy Wortham. Like Matt said, his first wife,
3 who was the first officer killed. Okay? Female
4 officer. That is always ignored when it comes
5 out. Okay? And so we going to do something
6 about that, too, Superintendent.

7 But we need you young people. I
8 met some folks at the door, a young man, I think
9 he's gone. He is going to UIC. Got the same
10 major I had, black studies. He was very
11 respectful.

12 We need to work with you all. We
13 need to pull all this together, because we're not
14 going to be able to do it by ourselves. And we
15 see you. I give my cards out. I try to talk to
16 you. I ask where you coming from. We going to
17 the meetings. We're seeing what is going on with
18 the carjackings, with everything. We're doing
19 this on a weekly basis. We want you guys to come
20 out, too, with us. Okay?

21 PRESIDENT COOPER: Thank you, Ms. Edwards.

22 MS. EDWARDS: Thank you.

23 PRESIDENT COOPER: I want to thank you all,
24 the members of the public who spoke today. I

1 found -- it looks like we have two more speakers.

2 ERIN: Thank you, guys, so much for your
3 time. I will be brief, I promise. I'm also from
4 the 75th Street group, but I am actually not
5 advocating for that right now, since the rest of
6 the group has done so well speaking on that
7 issue.

8 My name is Erin. I am a nurse
9 practitioner, psychiatric mental health
10 practitioner, and I work in the community. I
11 love working in the community. It's the air I
12 live and breath. It's absolutely amazing. And
13 that being said, my heart has really been hurt
14 recently given the death of the 7-year-old at
15 Oakley Square apartments.

16 That community has been so deeply
17 affected by community violence, and I would love
18 to see the same resources we get on 75th Street
19 in the 12th District for that community in
20 particular.

21 I've had patients who have PTSD
22 from being shot through their own windows while
23 sitting in their living room trying to watch TV
24 and enjoy their families. People who have come

1 out to have their cars completely obliterated,
2 and even the loss of two lives a year ago that
3 caused a lot of changes in the community.

4 We always say treatment not trauma,
5 treatment not trauma, and it is so difficult to
6 practice that model when you can't get there to
7 be the treatment because of all the trauma in the
8 area.

9 Even recently, they did a really
10 valiant effort of trying to put up some screening
11 around the community to make it harder for, you
12 know, potshots to come in, and still someone shot
13 through just two days ago.

14 So having the resources that we've
15 seen, that visual presence, that building of a
16 community, with the community to identify these
17 issues early and do that treatment not trauma,
18 right, directing the care teams for domestic
19 violence, for connecting the youth to job
20 programs, to mental health services, all of those
21 pieces that we really, really need that in that
22 community in particular.

23 So I thank you for time for my
24 last-minute addition. Thank you so much.

1 PRESIDENT COOPER: Thank you. Our last
2 public speaker for the night.

3 MR. GUILLORY: Good evening, everybody. My
4 name is Kobi Guillory. I did email you earlier
5 today. I came a little bit late. I don't know
6 if my name was called or not. I apologize for my
7 lateness.

8 I just want to make a
9 recommendation. I think if you all start the
10 meetings at 7:30, it makes more sense to let
11 people in at 7:00 o'clock so people don't have to
12 stand outside. It takes some time to get through
13 security. People need to be sitting down.
14 People have disabilities and elders in here.

15 I also think it's kind of messed up
16 that I came in here -- I was stopped at the door,
17 and they told me it was at capacity. And I come
18 in here and see about 15 empty seats, right, and
19 a whole lot of space in the back where there
20 could be more seats. So what that sounds like,
21 you don't want to hear from the community.
22 That's what it sounds like. There's community
23 members outside, members of the public. This is
24 a public meeting. According to the Public

1 Meetings Act, they have the right to be here, to
2 hear and be heard, to see and be seen, right.

3 I also think it's a shame that
4 months after the mention of Dexter Reed, our tax
5 dollars are still paying those criminals who
6 killed him.

7 I think it's a shame that over a
8 year after the killing of Reginald Clay, Junior,
9 we're still paying those criminals who killed
10 him.

11 I think it's a shame that those
12 tact teams -- those pretextual traffic stops that
13 do not keep anybody safe are still in place.
14 Those policies need to change. The police
15 officers need to be accountable to the community
16 for what they do and for what think don't do.
17 They need to be held accountable for killing
18 people and for not solving murders. They need to
19 be held accountable for harming people's safety
20 and not keeping people safe.

21 And, lastly, I want to say I'm very
22 concerned about the officers -- the thousands
23 probably of officers who are going to be invading
24 this City for the Democratic National Convention.

1 Only a few days ago on Monday there
2 was a man named Samuel Sharpe, Junior, who was
3 experiencing a mental health crisis and killed by
4 Ohio -- Ohio police officers in Milwaukee.

5 There was also a Palestinian woman
6 who was shoved from behind by a Republican
7 senator who was then arrested by Texas police
8 officers.

9 So we don't need that kind of stuff
10 happening in Chicago. I don't want t hear about
11 Nebraska police officers killing black and brown
12 people here in Chicago.

13 So anyone who walks around with a
14 gun and a badge, they need to be held accountable
15 to the community, and I urge you all to make that
16 happen. Thank you.

17 PRESIDENT COOPER: So at this time, all
18 members of the public who have signed up to speak
19 have been called.

20 I just want to thank everybody
21 again and the family of Dexter Reed for coming
22 out today and sharing their comments.

23 With that, is there a motion to
24 adjourn the meeting?
