MEMBERS OF THE PUBLIC.

Police Board Public Meeting
August 15, 2024

1 PRESIDENT COOPER: Good evening, everyone.
2 We're going to get started in just one minute to
3 make sure that everybody who wants to get in can
4 get in.

5 We're going to get started. Good
6 evening again. My name is Kyle Cooper. I am the
7 president of the Police Board. I want to welcome
8 you to the Board's August meeting.

9 I'm calling the Board's August 15th
10 public meeting to order. We thank CAN-TV for
11 covering this meeting. It is being live-streamed
12 at CAN-TV.org and on the CAN-TV app. It is also
13 being televised on CAN-TV 27.

14 Along with myself, we have the
15 following Board members attending in person this
16 evening, Vice President Ms. Paula Wolff, Member
17 Ms. Claudia Badillo, Board Member Mareile Cusack,
18 Board Member Katie Liss, Board Member Andreas
19 Safakas, and Board Member Justin Terry. Board
20 Member Steven Block is unable to attend this
21 meeting in person and would like to attend
22 remotely. Is there a motion to permit him to do
23 so?

24 VICE PRESIDENT WOLFF: I so move. Paula

Police Board Public Meeting
August 15, 2024

1 Wolff.

2 BOARD MEMBER CUSACK: Second, Mareile Cusack.

3 PRESIDENT COOPER: All in favor, please raise
4 your hands and say aye.

5 (CHORUS OF AYES.)

6 PRESIDENT COOPER: Seeing no hands, the
7 motion passes.

8 In addition to members of the Police
9 Board, we have the following City officials here
10 with us this evening: The Chief of the Chicago
11 Police Department Bureau of Internal Affairs,
12 Yolanda Talley, who is representing Mr. Larry
13 Snelling. Superintendent Snelling would like to
14 have been able to attend today, but, as I'm sure
15 you will understand, he is attending to
16 DNC-related activities, and he is quite busy
17 getting ready for next week's convention.

18 The First Deputy Chief Administrator
19 of the Civilian Office of Police Accountability,
20 Mr. Ephraim Eaddy, who is representing COPA Chief
21 Administrator Andrea Kersten.

22 We have the Deputy Inspector General
23 for Public Safety, Ms. Tobara Richardson.

24 We have Deputy Chief of the Chicago

Police Board Public Meeting
August 15, 2024

1 Police Department Bureau of Internal Affairs,
2 Traci Walker.

3 We have General Counsel to the
4 Superintendent, Mr. Scott Spears.

5 And, as always, we have the
6 Executive Director of the Police Board, Mr. Max
7 Caproni.

8 We will now proceed to the items on
9 the meeting agenda.

10 Is there a motion to approve the
11 drafts of the minutes of the Board's public and
12 closed meeting held on July 18th?

13 VICE PRESIDENT WOLFF: So moved. Paula
14 Wolff.

15 BOARD MEMBER CUSACK: Second. Mareile
16 Cusack.

17 PRESIDENT COOPER: All in favor, please raise
18 your hands and say aye.

19 (CHORUS OF AYES.)

20 PRESIDENT COOPER: Hearing none, the motion
21 passes.

22 The next regular public meeting is
23 scheduled to take place Thursday, September 19th,
24 at 7:30 p.m., and this meeting will be held where

Police Board Public Meeting
August 15, 2024

1 all Chicago Police Board meetings are held, which
2 is right here at the Chicago Public Safety
3 Headquarters, and the meeting will start at 7:30
4 p.m.

5 More information about the
6 logistics, location, and start time of the
7 Board's meetings can be found on the Police
8 Board's website.

9 The next item on the agenda is
10 closed meetings. The Police Board meets in
11 executive session to discuss various matters.
12 Those discussions are closed to the public as
13 authorized by Section 2(c)(1), (4), (11), and
14 (21) of the Illinois Open Meetings Act.

15 Information on matters discussed in
16 the executive session is included in the minutes
17 of the meetings posted on our website.

18 Is there a motion to close a series
19 of future executive sessions as authorized by
20 these sections of the Open Meetings Act?

21 VICE PRESIDENT WOLFF: So moved. Paula
22 Wolff.

23 BOARD MEMBER CUSACK: Second. Mareile
24 Cusack.

Police Board Public Meeting
August 15, 2024

1 PRESIDENT COOPER: All in favor, please raise
2 your hands and say aye.

3 (CHORUS OF AYES.)

4 PRESIDENT COOPER: Any opposed?

5 (NO RESPONSE.)

6 PRESIDENT COOPER: Hearing and seeing none,
7 the motion passes.

8 The next item on our agenda is
9 update on the arbitration proceeding.

10 As I've noted in the past couple of
11 meetings, the Fraternal Order of Police, which
12 represents Chicago police officers below the rank
13 of sergeant, has filed an appeal of two rulings
14 that are part of the March 21st Cook County
15 Circuit Court decision that allows officers to
16 choose to have the most serious cases of police
17 disciplinary conduct be heard before an
18 arbitrator rather than the Police Board.

19 The Union is challenging the ruling
20 that arbitration proceedings be open to the
21 public and that accused officers may be suspended
22 without pay while the arbitration case is
23 pending.

24 The FOP filed its opening brief with

1 the Illinois Appellate Court in late July. The
2 due date for the City's brief is later this
3 month, specifically on August 30th.

4 It appears that it may be some time
5 before the Illinois Appellate Court decides this
6 appeal with a decision likely to be expected no
7 sooner than in the next nine months.

8 There are no new developments in the
9 13 cases currently before the Police Board in
10 which the accused officer has requested
11 arbitration.

12 The Board has received no
13 information from the parties as to whether the
14 City and the FOP have agreed on an arbitration
15 process that is open to the public. These 13
16 cases therefore remain on hold. There will be no
17 arbitration hearings until the establishment of a
18 public arbitration process, and there will be no
19 Police Board hearings without the consent of the
20 accused officer. No new disciplinary cases
21 against FOP members have been filed with the
22 Police Board since the March 21st Circuit Court
23 decision. There has, however, been one new case
24 against a Chicago Police sergeant that's been

1 filed with the Board thus far in 2024.

2 The Police Board's website,
3 Chicago.gov/PoliceBoard, will continue to keep
4 the public informed of any new developments in
5 the ongoing litigation and status of disciplinary
6 cases currently pending before the Board. I
7 encourage members of the public to check the news
8 and the police discipline section of our website
9 for the most current and up-to-date information
10 on this pending litigation and any new cases that
11 may be filed with the Board.

12 The next item on our agenda is
13 police disciplinary cases. Pursuant to
14 ordinance, the Police Board hears cases when the
15 Superintendent files charges recommending that an
16 officer be discharged from the Chicago Police
17 Department for violating CPD's rule of conduct.
18 The Board, as authorized by The Open Meetings
19 Act, has discussed in closed meetings one matter
20 relating to the police disciplinary case. We
21 will now take final action on that matter. In
22 case number 22 PB 3009-1, which the Board decided
23 in October of 2023, Police Officer Armando Ugarte
24 filed a motion requesting that the Board change

Police Board Public Meeting
August 15, 2024

1 the date of his reinstatement to the Chicago
2 Police Department. Is there a motion to deny
3 Officer Ugarte's motion?

4 VICE PRESIDENT WOLFF: So moved. Paula
5 Wolff.

6 BOARD MEMBER CUSACK: Second. Mareile
7 Cusack.

8 PRESIDENT COOPER: I will now call on members
9 of the Board for their votes. Vice-president Ms.
10 Paula Wolff.

11 VICE PRESIDENT WOLFF: Aye.

12 PRESIDENT COOPER: Board Member Badillo.

13 BOARD MEMBER BADILLO: Aye.

14 PRESIDENT COOPER: Board Member Block.

15 BOARD MEMBER BLOCK: Aye.

16 PRESIDENT COOPER: Board Member Cusack.

17 BOARD MEMBER CUSACK: Aye.

18 PRESIDENT COOPER: Board Member Liss.

19 BOARD MEMBER LISS: Aye.

20 PRESIDENT COOPER: Board Member Safakas.

21 BOARD MEMBER SAFAKAS: Aye.

22 PRESIDENT COOPER: Board Member Terry?

23 BOARD MEMBER TERRY: Aye.

24 PRESIDENT COOPER: I also vote in favor of

1 the motion. Voting in favor are Board Members
2 Wolff, Badillo, Block, Cusack, Liss, Safakas,
3 Terry, and myself. The motion passes by a vote
4 of 8 to 0.

5 A written order will be entered as
6 of today's date, sent to the parties, and then
7 promptly posted on the Board's publicly available
8 website.

9 There is one announcement of a
10 ruling in a disagreement case this evening, and
11 Board Member Liss will read that announcement.

12 BOARD MEMBER LISS: Good evening. I was
13 randomly selected from the Police Board
14 membership to consider one matter on which the
15 Chief Administrator of Civilian Office of Police
16 Accountability and the Superintendent of Police
17 did not agree regarding discipline of a police
18 officer.

19 In request for review number
20 24 RR 06, the Chief Administrator recommended
21 that Police Officer Jonathan Zarate be suspended
22 for 45 days for excessive use of his Taser on a
23 man involving a struggle with Officer Zarate's
24 partner.

1 The Interim Superintendent proposed
2 a finding of Not Sustained and no discipline for
3 Officer Zarate.

4 After considering this matter, it
5 is my opinion that the Interim Superintendent did
6 not meet the burden of overcoming the Chief
7 Administrator's recommendation for discipline.

8 A copy of the written opinion that
9 explains my ruling will be posted on the Board's
10 website.

11 PRESIDENT COOPER: Thank you, Board Member
12 Liss.

13 The next item on the agenda is
14 appeals by disqualified applicants to become
15 Chicago police officers.

16 When a person who applies to become
17 a Chicago police officer is disqualified or
18 removed from the eligibility list due to the
19 results of a background investigation, that
20 person has a right to appeal to the Police Board.

21 The Board, as authorized by the Open
22 Meetings Act, has discussed in a closed meeting
23 several appeals. We will now take final action
24 on these appeals.

Police Board Public Meeting
August 15, 2024

1 Is there a motion to affirm the
2 disqualification decision for the following
3 appeals: 24 AA 14, 24 AA 21 through 27?

4 VICE PRESIDENT WOLFF: Paula Wolff. So
5 moved.

6 BOARD MEMBER CUSACK: Second. Mareile
7 Cusack.

8 PRESIDENT COOPER: I will now call on the
9 members of the Board for their votes. Vice
10 President Wolff.

11 VICE PRESIDENT WOLFF: Aye.

12 PRESIDENT COOPER: Board Member Badillo.

13 BOARD MEMBER BADILLO: Aye.

14 PRESIDENT COOPER: Board Member Block.

15 BOARD MEMBER BLOCK: Aye.

16 PRESIDENT COOPER: Board Member Cusack.

17 BOARD MEMBER CUSACK: Aye.

18 PRESIDENT COOPER: Board Member Liss.

19 BOARD MEMBER LISS: Aye.

20 PRESIDENT COOPER: Board Member Safakas.

21 BOARD MEMBER SAFAKAS: Aye.

22 PRESIDENT COOPER: And Board member Terry.

23 BOARD MEMBER TERRY: Aye.

24 PRESIDENT COOPER: I also vote in favor of

1 the motion. Voting in favor are Board Members
2 Wolff, Badillo, Block, Cusack, Liss, Safakas,
3 Terry, and myself. The motion passes, and the
4 written decisions of these appeals will be
5 entered as of today's date, sent to the parties
6 and promptly posted on the Board's website.

7 At this time, I would now ask Chief
8 Talley to give the Superintendent's report.

9 CHIEF TALLEY: Good evening. We are about 72
10 hours from the start of the Democratic National
11 Convention. It's not on. Sorry, guys.

12 Good evening. We are about 72
13 hours from the start of the Democratic National
14 Convention, and let me assure everyone here and
15 throughout the City and across the country the
16 Chicago Police Department is ready.

17 We have been preparing and training
18 for this DNC for more than a year.

19 Our officers have received hours of
20 training in de-escalation, crowd control, and
21 other tactics and techniques to ensure public
22 safety and a successful convention.

23 We've conducted numerous table-top
24 exercises and gone over countless what-if

1 scenarios, because as Superintendent Snelling
2 says, What is predictable is preventable.

3 We expect tens of thousands of
4 people to come to Chicago during the four-day
5 convention, including many who are here to
6 express their First Amendment rights.

7 Our officers have received
8 specialized training for the DNC to respond to
9 First Amendment activity.

10 This training is rooted in the First
11 and Fourth Amendments. We will respect and
12 protect everyone expressing their First Amendment
13 rights. What we will not tolerate is vandalism
14 or violence. While we will do everything in our
15 power, along with our federal, state, and local
16 partners, to protect the delegates, the media,
17 dignitaries, and other visitors coming for the
18 DNC, we will continue to be present in our
19 neighborhoods. We will always protect every
20 community in our City. Thank you.

21 PRESIDENT COOPER: Thank you, Chief Talley.

22 I will now call on the First Deputy
23 Chief Administrator -- I will now call on the
24 First Deputy Chief Administrator Eaddy to give

1 his report.

2 MR. EADDY: Thank you, President Cooper.

3 Just want to share COPA's preparation also for
4 the Democratic National Convention, and then I
5 will give a few numbers related to the month of
6 July in terms of complaints and notifications
7 received.

8 COPA's preparation is really
9 divided up into four categories in terms of our
10 primary efforts. One is in staffing. Proper
11 staffing levels are crucial to the handling of
12 any surge of complaints without causing delays,
13 and adequate staffing ensures that enough trained
14 personnel will be available to log complaints as
15 they come in while maintaining the quality and
16 speed of the intake process. To accommodate peak
17 times or unexpected surges in complaint volume
18 related to the Democratic National Convention,
19 COPA has flexible staffing on standby. We
20 believe that it is essential to the success of
21 receiving a substantial number of complaints.

22 This means having a pool of trained
23 pre-identified staff who can support our intake
24 unit as needed, ensuring that no complaint goes

1 unlogged due to staff shortages.

2 So we have prepared our COPA intake
3 unit to manage a high volume of potential
4 complaints and to effectively capture pertinent
5 information to facilitate an effective and
6 efficient triage process, and COPA is prepared to
7 increase staffing levels based on that volume.

8 One of the things that we learned from past civil
9 unrest following the murder of George Floyd and
10 civil unrest around statues a few years ago was
11 the specific tagging of complaints within our
12 case management system that then allows us to
13 track those as they move throughout the
14 investigative process.

15 So our complaints will be --
16 related to the Democratic National Convention,
17 will be tagged as DNC within our system.

18 Also, is the two-stage triage
19 process. There will be an initial intake triage.
20 The initial triage will be conducted by intake
21 staff to assess basic factors such as duplicate
22 complaints, jurisdiction, identification of
23 urgent complaints, complaint liability, and the
24 closure of non-actionable complaints. That also

1 will be followed by a second triage by
2 investigations, if necessary, further assessment
3 by assigned experienced investigator staff
4 involving decisions regarding priority, complaint
5 viability, assignment of investigative resources,
6 and the closure of complaints.

7 So we are prepared to implement a
8 flexible and effective triage process to properly
9 address complaints, and address those that are of
10 the most serious allegations of misconduct.

11 This will be accomplished on
12 multiple levels by intake staff and supervisors
13 within the Civilian Office of Police
14 Accountability.

15 Thirdly, we thought it was
16 important to provide specific training to the
17 Democratic National Convention. Training is a
18 critical component to ensure COPA staff are
19 prepared. We would like to thank the Chicago
20 Police Department who invited us in
21 collaboratively to attend a CPD training for the
22 Democratic National Convention on July 31st,
23 which was attended by all investigative staff and
24 supporting staff and other roles.

1 COPA also had a follow-up internal
2 training on August 7th in preparation for the
3 Democratic National Convention.

4 COPA also will have an incident
5 response team active to respond to certain
6 incidents, as we would in any other instance when
7 the incident response team is needed.

8 Lastly, the fourth approach, is our
9 public information. An event like the Democratic
10 National Convention typically -- potentially
11 prompts an influx of complaints and an increase
12 in inquiries from both the public and media. The
13 public may seek information on how their
14 individual complaints are being handled and why,
15 while the media may inquire about the types of
16 complaints COPA received and the steps being
17 taken to address those.

18 Transparency becomes paramount in
19 these moments providing COPA with the opportunity
20 and a duty to publicly share information
21 regarding those kinds of complaints.

22 To ensure high levels of
23 transparency, COPA is prepared to take the
24 following actions: One, we will be on tomorrow,

1 tomorrow being Friday, launching our web page
2 dedicated to sharing information regarding the
3 Democratic National Convention and complaints
4 received. We have created a dedicated web page
5 that would include a dashboard reflecting the
6 number of complaints received. The complaints
7 will be separated by categories as alleged by the
8 complainant. Just to give a little bit of a bit
9 of clarity, this will not reflect the allegations
10 against the officer as COPA moves through its
11 preliminary investigation. They will reflect
12 what the member of the public has expressed their
13 complaint is in those categories.

14 The allegation categories will be
15 given a week after the Democratic National
16 Convention concludes. By that time, we believe
17 we conducted all preliminary investigations in
18 order to determine what allegations will be
19 received, and that will also be on our website.

20 There will be an FAQ listed to help
21 the public understand our jurisdiction and the
22 investigative process. There will also be
23 dedicated email address that will be posted on
24 this page for members of the public who desire to

1 email photos or videos of perceived misconduct.

2 If a person did not necessarily want to go
3 through the full complaint process, but simply
4 are passing along a video or an image that they
5 have captured, that they can do so. Again, that
6 email address will be on our website.

7 Updates will be sent to elected
8 officials on a daily basis so that they can
9 communicate with their constituents, if needed.

10 And then we will issue press releases or
11 statements when necessary to inform the public at
12 large.

13 As with any investigation, if it
14 rises to this level, COPA will work with the Cook
15 County State's Attorney's Office, FBI, and
16 Department of Justice, if warranted.

17 Just regarding our complaints
18 received. In the month of July, we received 350
19 complaints and notifications. 72 fell under
20 COPA's jurisdiction. And we had one video
21 release of a fatal officer-involved shooting that
22 occurred at 300 South Cicero that was released in
23 the month of July, and we also released video
24 today of an incident that occurred at 8100 South

1 Hermitage.

2 Also would like to thank the Chicago
3 Police Department for affording us the
4 opportunity to attend that training for the DNC.
5 Thank you.

6 PRESIDENT COOPER: Thank you very much, First
7 Deputy Chief Administrator Eaddy, for that very
8 fulsome and helpful report.

9 At this time, I would like to call
10 upon the members of the public who have signed up
11 in advance to speak. To make sure that everyone
12 here has a chance to speak and to be heard, we
13 would just ask that all members adhere to our
14 normal policy of allowing a two-minute time limit
15 that we will try to enforce as best we can. With
16 that being said, I'd like to call the first
17 speaker who signed up, Ms. Patricia Phente to the
18 podium.

19 MS. PHENTE: Thank you. My name is Patricia
20 Phente. Thank you for having me here. I am
21 filing a noise ordinance. I moved from the
22 suburbs to Chicago, Illinois, and when -- excuse
23 me. And when I moved, the Hispanic people had
24 their music very loud. I come out of work at

1 11:00, I want to get home, sleep, and they have
2 their Hispanic music very loud. I fought with
3 them. Thank God in my building, the matter was
4 taken care of. I got reprimanded by the police,
5 but I don't care, as long as they do their job.

6 The other thing is -- occurred, like I
7 said, noise ordinance, music from three blocks.
8 I followed the music. When I went, I called the
9 police. It took them like three hours to get
10 there. The Hispanics with the loud music came
11 out and started harassing me, and I went across
12 the street and told them I'm -- I have the right
13 to be across the street, and I stayed there, even
14 though they were harassing me. And then when a
15 police car -- District 1 car was passing by, I
16 thought that was District 8, and I pulled him
17 over, and they're like, Oh -- I asked him, Can
18 you just please tell them to lower their music.
19 And they're like, Oh, yeah, yeah. But before
20 this when I -- when the party people started
21 harassing me, they started telling me -- I told
22 them, I'm going to call the police. They said,
23 We tell the police what to do. Are you kidding
24 me? But I stayed. The police -- the District 1

1 went, and they told me, Don't worry. Go home.
2 We'll take care of it. The only thing I want is
3 for them to lower their music. But something
4 made me follow them. So I followed the car --
5 the squad car, and I followed them around the
6 corner of the alley. And what was my surprise?
7 The police officers from District 1 were eating
8 tacos. Did they tell them to lower the music?
9 No. But the thing is, after waiting so much, the
10 sergeant went back. They did give them a ticket.
11 Thank God for that.

12 I had another incident with noise
13 ordinance, too. And this is what St. Mary of the
14 Sea center told me, because I live in front of
15 them. This is what they told me. I went and
16 asked them, Please, can you lower your music? We
17 know Chuy Garcia. We know Angie
18 Guerrero-Cuellar. We know dot dot dot.

19 PRESIDENT COOPER: Thank you, Ms. Phente.

20 MS. PHENTE: Three minutes already passed?
21 It passed. But you know what? This is what they
22 said, We tell the police what to do.

23 PRESIDENT COOPER: So thank you, Ms. Phente.
24 I'm sure if you stick around --

Police Board Public Meeting
August 15, 2024

1 MS. PHENTE: I hope they don't tell the
2 police anymore what to do. And the other thing
3 is, thank God, the problem has been solved --

4 PRESIDENT COOPER: Ms. Phente, if you stick
5 around after the meeting, I'm sure somebody from
6 the CPD will be happy to talk with you.

7 MS. PHENTE: Thank you.

8 PRESIDENT COOPER: You're welcome. The next
9 person I would like to call to speak is Ms.
10 Duchess Watkins.

11 MINISTER PLUMP: Thank you. My name is
12 Minister Robert Floyd Plump, and she told me to
13 tell the Chicago Police Board that she apologizes
14 for not being present; however, she had another
15 meeting to attend, and it was a 911, but Duchess
16 Watkins.

17 PRESIDENT COOPER: Thank you for letting me
18 know.

19 Ms. Cece Edwards.

20 MS. EDWARDS: I was kind of waiting for the
21 long haul.

22 But good evening, Board members and
23 Chief Talley, and thank you for being here in the
24 presence of the Superintendent, but we do miss

1 him. But I'm here particularly to thank the
2 Chicago Police Department. 3rd District and 6th
3 especially, because we have had a very good
4 result in their -- I call it Operation Tow Truck,
5 Operation Just Shut It Down. Okay? And we have
6 had a very good result. There have been a couple
7 little incidents, but they've been mild, you
8 know. And when I took video, which I do have, at
9 11:30 at night, it was very calm. It wasn't as
10 raucous as it has been in the past. And I feel
11 like public safety is finally coming to 75th
12 Street. I felt a little safer.

13 I just want to make sure that we
14 continue with the consistency.

15 Chief Talley, if you can pass that
16 on to the Superintendent.

17 And also I'd like to also ask that
18 you ask the -- that's the 4th District on 111th,
19 that they ask their detective division to be more
20 responsive to complaints that are coming in and
21 not, you know, put us on hold and never talk to
22 us, and it takes weeks to get in touch. Finally
23 you got to talk to the chief or the commander or
24 you got to go to the sergeant. So that was a

1 personal experience. I said, wow, if I'm having
2 that experience, I wonder what is happening to
3 the rest of the public? So I want to just pass
4 that along.

5 But, again, thank you very much.
6 I'm hoping that we can come back again.

7 The DNC upon us, that we will have
8 that public safety piece that you mentioned, that
9 we will be okay. Thank you.

10 PRESIDENT COOPER: Thank you very much, Ms.
11 Edwards.

12 The next speaker I'd like to call
13 is Ms. Marquette Blake.

14 Mr. Bobby Kennedy.

15 MR. KENNEDY: Always got my handouts.

16 PRESIDENT COOPER: You do, Mr. Kennedy.

17 MR. KENNEDY: Pass them down that way. I
18 have one for you. There is a note on the back
19 here just for your eyes. This letter on one
20 side, it says March 15th, that's the side you
21 should read. The other one is the letter for
22 Glen Brooks.

23 Okay. All right. Chicago affinity
24 police program, CPD Special Order SO203. Please

1 feel free to correct me if I am wrong on
2 anything, Kyle. Okay? Affinity police program
3 came about as part of a federal mandate in 2019.
4 The federal mandate is broken down into Consent
5 Decrees, the way I interpret it, where the
6 disenfranchised communities that were identified
7 by the judge, Judge Dow, overseeing the federal
8 mandate is the black and Hispanic communities.
9 Judge Dow did not identify the gay or Chinese
10 communities as disenfranchised. For newcomers,
11 I'm complaining about the police rainbow car.
12 Anyway, there is a course of action to follow
13 should CPD not follow the Consent Decree.
14 Independent monitors for the consent decree. You
15 should report these shortfalls by email or by
16 phone to an oversight group, which I've yet to
17 hear from. Can you imagine that? I didn't hear
18 from them. Yeah. Attorney General -- Attorney
19 General Kwame Raoul had his input into this
20 program as well. Would you say the
21 disenfranchised group consist -- groups Consent
22 Decree have been followed by the affinity
23 policing program? I cannot say as I cannot find
24 it in any legal pile of information.

1 Glen Brooks will not provide me
2 with the information which I have repeatedly
3 asked for. In the letter I have, I wrote to Glen
4 on the backside of the letter, just, you know,
5 you can see what I asked for. Okay. I would
6 also like information on what qualifications a
7 group must have to qualify as a disenfranchised
8 group. And that's in that letter. I just see
9 with my own eyes one group that is not identified
10 as a disenfranchised group. It is getting all
11 the recognition, and no others are being
12 recognized almost five years after the program
13 was implemented. I'm talking about the rainbow
14 police cars representing the gay community.
15 They're the only ones that are supposedly
16 disenfranchised. How many years does this
17 federal mandate have left until CPD is done with
18 it?

19 And one more thing. As the police
20 tell me, if you do it for one, you have to do it
21 for all.

22 PRESIDENT COOPER: Thank you, Mr. Kennedy.

23 The next speaker I would like to
24 call is Dr. Rita Pritchett.

1 DR. PRITCHETT: Good evening. I guess
2 everybody asleep but good evening. To this
3 honorable Board and to the citizenry of Chicago,
4 shortly we will be experiencing a lot of people
5 here in our City, and so I would just like to
6 offer a petition to the divine presence, or the
7 absolute cause, or whatever it is that you may
8 call it to stir up the hearts and minds of all
9 the people concerned to have their hearts towards
10 a vision that is worthy of both honor and dignity
11 for a more excellent way towards maintaining a
12 cohesiveness, and out of our constitution for a
13 more perfect union, if you will, of we the
14 people, and to the local government, let us
15 remember who we are. We are all human beings
16 doing. Thank you.

17 PRESIDENT COOPER: Thank you, Doctor.

18 The next speaker I'd like to call
19 Ms. Dianne Hodges.

20 MS. HODGES: Good evening. I'm the team
21 leader of the South Merrill Community Garden
22 which is located in South Shore. I'm also the
23 public safety strategist for the NNA, which is in
24 Neighborhood Network Alliance. I'm here today on

1 behalf of the children and the people in my
2 neighborhood. My block was a 40-year drug
3 portal.

4 In the last 14 years we've shut
5 down several trap houses on that block. Recently
6 after 14 years, we shut down a 51-unit trap
7 house, but we're still having a little difficulty
8 in keeping the -- the misbehaving people out of
9 that building.

10 I want to thank John Jones and
11 Brandon Kimmel from the Health Department that
12 came out two weeks ago, and we did a site tour.
13 But I'm here to speak about drug-free zones,
14 because the O'Keefe School sits in the heart of
15 two hot spots. They have 22 sex offenders that
16 live around that school. There's a vape store on
17 the corner at 71st and Merrill. After three
18 years of no violence, we had three shooting
19 altercations during the time that the children
20 were getting out of school for summer -- summer
21 school.

22 So in the safety concerns, the
23 presence of drug act -- drug and gang activity
24 can lead to more increased crime, exposure to

1 illegal activities, witnessing or being involved
2 in such activities can have long-term
3 psychological effects. It disrupts their
4 learning. Students may feel anxious or unsafe,
5 making it difficult for them to focus or to even
6 study. It reduces community engagement because
7 we do have programming at our garden. The
8 negative influences on children, this can
9 increase their risk of addiction and negative
10 impacts.

11 So please consider assisting us in
12 creating drug zones that are enforced, because
13 right now they're not being enforced. And please
14 send our two tact unit people back, because they
15 were sent up north to help the north side with
16 their robberies.

17 PRESIDENT COOPER: Thank you, Ms. Hodges.

18 The next speaker I'd like to call is
19 Ms. Jennifer Edwards.

20 MS. HODGES: And it was the 3rd District, the
21 tact unit.

22 PRESIDENT COOPER: Thank you, Ms. Hodges.

23 MS. EDWARDS: I didn't sign up. Someone
24 signed me up, but I'll talk anyway.

1 PRESIDENT COOPER: The floor is all yours.

2 MS. EDWARDS: I want to thank all of you,
3 everybody in the audience, that's coming out. We
4 asked for more community and police involvement.
5 We need that more and more. Our neighbors --
6 what Ms. Dianne Hodges was talking about, that
7 stuff is happening again. We got some wonderful
8 commanders. We can call; they call us back. The
9 3rd District, 6th District, 4th District we still
10 working, but he is good. 7th District we're
11 working on Commander Courts. We're trying to
12 pull all those areas together. So whatever can
13 be done to get more people involved and to
14 policing and getting out here and walking the
15 blocks with us would be very much appreciated.
16 Thank you.

17 PRESIDENT COOPER: Thank you, Ms. Edwards.

18 The next speaker I would like to
19 call is June Norfleet.

20 MS. NORFLEET: Gracious evening to you all.
21 Hello, neighbors. Hello, Board. How are you
22 doing? So good to be back here with you. Thank
23 you for being here, Ms. Talley. We appreciate --
24 deputy. Chief Talley. Okay. That just goes to

1 show I knew her way back then. Okay? We are
2 glad to have all of you here. Just want to
3 reiterate what our neighbor Dianne Hodges said
4 about the enforcement, and if not enforcement,
5 creation of safe zones, but we do have those
6 already in existence. We have ordinances that
7 are already in existence. Again, we are asking
8 for the enforcement of those ordinances to
9 protect our youth. So we will not have another
10 generation of loss that we are currently living
11 through, which is why we are going through this
12 traumatic situation right now.

13 In particular, we're also -- I am
14 also asking for the Grand Crossing area the
15 institution or reinstitution of our beat
16 officers. We need foot patrol. You've got to
17 get out here, as I have encouraged the Board
18 previously, take a ride, roll down your window,
19 see what's really going on out here, so that when
20 you adjudicate on these situations, you can do it
21 from lived experiences.

22 Also, pretextual traffic stops,
23 whatever your involvement is in that, we ask that
24 you don't do just a blanket disapproval of that.

1 There are times when we say that a lot of
2 challenges or incidents in our neighborhood can
3 be stopped because of the fact that our skilled
4 and experienced officers recognize that there's
5 something afoot. So we don't want a blanket
6 disavowment of those types of situations. And
7 then the Office of Gun Violence Reduction, we
8 also ask that you review that with an open mind.
9 Thank you.

10 PRESIDENT COOPER: Thank you, Ms. Norfleet.

11 The next speaker I'd like to call is
12 Ms. Carolyn Ruff.

13 MS. RUFF: I'm going to pass because I don't
14 see the family here, so I'm going to pass.

15 PRESIDENT COOPER: Okay. Jasmine Smith is
16 the next individual who signed up to speak.

17 MS. SMITH: Good evening, everyone. Just so
18 much going on. So it's just -- every time I come
19 to these meetings, it just breaks my heart to
20 hear what my fellow black brothers and sisters
21 have to say when it comes to our communities and
22 the way it's being policed and what they feel.
23 And the reason why I say that because it's so
24 selfish they only care about they neighborhoods

1 and not all black neighborhoods.

2 Now, to address this man, too, that
3 instead -- he came up with this rainbow cop
4 situation. We might as well be LGBTQ, because
5 they controlling everything. They are not going
6 to get rid of those rainbow cops and those cars.
7 Come up and talking about that. There's more
8 important stuff going on in the world, like the
9 fact that everyone is getting prepared for the
10 DNC, and I appreciate the trainings that y'all
11 invited -- COPA, y'all doing y'all damn thing.

12 They invited COPA to see what the
13 police is being trained to do when it comes to
14 the protestors, because I myself would be in them
15 streets. But the thing is, the City is poking
16 the bear and making it hard for us to have a
17 peaceful protest as democratic and citizens here
18 across the world.

19 So with that being said, the things
20 that they are basically reneging on, that we've
21 planned for years as well as months and all of
22 that to get together for people to come out with
23 they kids, they families and stuff, so our
24 protest can be a family-friendly protest, they're

1 stabbing us in our back. So it's like the City
2 is -- like they deliberately are trying to turn a
3 peaceful protest into a riot.

4 So I'm urging Superintendent
5 Snelling, Mayor Brandon Johnson, y'all need to
6 put your foot down when it comes to the City,
7 because, again, y'all know it is tens of
8 thousands of people coming to express their
9 demands of the injustices. And they're not going
10 to sit and just allow us to be shut down after we
11 done put so much heart, sweat, blood, and tears
12 in getting this prepared for us to make our
13 demands loud and clear and sight and sound. So
14 that's a fair warning.

15 And for everybody in here, the
16 Police Board is hiring if y'all want to get up
17 here and make a decision. They ain't got enough
18 power for me so I don't want it. But if y'all
19 want to fill out, they hiring.

20 PRESIDENT COOPER: Thank you.

21 The next speaker signed up is Rabbi
22 Michael Ben Yosef.

23 RABBI YOSEF: Shalom aleichem. Peace and
24 blessings to everyone. My name is Rabbi Michael

1 Ben Yosef. I'm here on behalf of the family of
2 Reginald Clay, Junior. Please stand. Say his
3 name. Say his name. Say his name. Say his
4 name. This family deserves justice. And this
5 Board is watching this family wait for a simple
6 decision of holding Fernando Ruiz accountable for
7 the murder of Reginald Clay. Is that correct?
8 We need this family to have that day of knowing
9 the results. You may get results of knowing what
10 you get on a test, you get it immediately. You
11 get it maybe -- you want to find out a day or
12 something like that. But this family has to wait
13 two years to hear about what is going to be the
14 outcome of their loved one murdered by the
15 Chicago Police.

16 This Board talks about public
17 safety. I beg to differ. I don't feel safe
18 knowing a police officer is shooting me 96 times.
19 I don't feel safe when you are murdering me,
20 shooting me, harassing me, and going into my home
21 that I pay taxes on. I don't feel safe knowing
22 that Fernando Ruiz is still on the force getting
23 the same result of a pension, same result of
24 benefits, same results of this family not having

1 an answer of them being accountable.

2 So I want to also echo the
3 sentiment of my comrade, that this Board needs to
4 interact in the Brandon Johnson administration to
5 not allowing to have pots. Not having any bit of
6 public accommodations for the protestors. That's
7 like having an animal to hold some urine, how
8 long? Aren't you human? That tells you this
9 system does not see us as human beings.

10 We emphatically denounce this
11 decision of the Brandon Johnson community to say
12 these organizers are not having access to proper
13 accommodations. How pathetic is that? How
14 pathetic is it not having a toilet. That's the
15 Chicago Police I know. The Chicago Police I know
16 will take the rights and not look at people like
17 me, like my brother, my sister as human beings.
18 Shame on you all, man.

19 PRESIDENT COOPER: Thank you, Rabbi. I know
20 the Clay Family will stay after. There will be
21 somebody from the CPD and COPA who I know will be
22 willing and able to speak with you about the
23 status of the case.

24 RABBI YOSEF: Thank you.

1 PRESIDENT COOPER: Board member Wolff wants
2 to say something.

3 VICE PRESIDENT WOLFF: I appreciate the
4 comments. I think we need to explain that these
5 cases are just not coming to the Police Board
6 anymore. And as much as we appreciate the
7 opportunity to be able to decide cases like this,
8 the legal system, the courts, the Fraternal Order
9 of Police --

10 RABBI JOSEF: You can do something about it.

11 VICE PRESIDENT WOLFF: We -- the Police Board
12 does not get these cases anymore. I just want to
13 make that clear.

14 RABBI JOSEF: You can do something about it.
15 I got to go to the bathroom. So I can't go to
16 the bathroom? Come on. You got pregnant women
17 that's going to be there with the family.

18 PRESIDENT COOPER: Thank you, Rabbi.

19 The next speaker we'd like to call
20 is Tara Henderson.

21 MS. HENDERSON: Good evening, everyone. My
22 name is Tara Henderson. I'm Reginald Clay's
23 mother. This is his daughter, Kayloni Clay, and
24 Reginald Clay, Senior, the father.

1 And it's no words. You want to
2 start and I just go?

3 MR. CLAY: I just heard what you said, y'all
4 not going to be able to hear -- to hear the cases
5 anymore. That's a shame, you know, because --
6 that's a shame, you know, because we've been
7 waiting a long time -- you know what I'm
8 saying -- to get some type of justice for my son.
9 You know, you guys don't understand what's going
10 on right now, man -- you know what I'm saying.
11 We suffering right now -- you know what I'm
12 saying. We see this on TV every day, man. I
13 didn't think I was going to be in these shoes.
14 I'm not saying I'm special, but what I'm saying
15 is, I didn't think I was going to be in these
16 shoes to see my son get done the way he done,
17 man, on camera.

18 If y'all got kids, y'all will
19 understand -- you know what saying -- how we
20 feel, you know. I watched my son take his last
21 breath, man. You understand what I'm saying?
22 And I feel less of a man that I wasn't there with
23 him to comfort him, man, his last time. You
24 understand what I'm saying?

1 I'm getting therapy right now, man.
2 You know what I mean? I'm out of my comfort
3 zone. This is not my plan in life -- you know
4 what I'm saying -- for my family. You understand
5 what I'm saying? I got his daughter right here
6 to take care of, his mom right here, my family,
7 brothers and sisters, my wife. You know, I got
8 an autistic daughter right there with the green
9 headphones on. She asks me every day, Is he
10 coming back? How can I explain that to her --
11 you know what I'm saying -- because the way
12 autistic people think, as you guys may know, they
13 don't think the same way we think. They don't
14 understand the same way we understand. You
15 understand what I'm saying.

16 I watched -- and by all means I'm
17 glad it happened. I watched Sonya Massey get
18 murdered. I watched the officer get arrested
19 immediately. Why we got to wait? Why we got to
20 wait?

21 You guys have a federal Consent
22 Decree foot pursuit policy that's been not upheld
23 by the officers when he takes my son down and
24 murdered my son like a dog. He was trying to get

1 away from you. Why would you chase him down and
2 why would you murder him like that? If somebody
3 trying to get away from me, I'm going to leave
4 them alone, especially when there is a Consent
5 Decree in play, foot pursuit policy, that they
6 can't chase civilians due to the safety of
7 civilians and the officers because they end in
8 murder. They end in murder. You guys got to
9 have a heart and understand where we coming from.
10 We up here pleading with y'all, and I hate that
11 we got to plead with you, because we just watch
12 the officer get arrested on the spot. Why do we
13 got to go through these things? This is
14 heartbreaking, man. Y'all don't even understand
15 because you are not in our shoes.

16 I heard -- which one is Chief
17 Talley? Which one is -- I been hearing your
18 name. I didn't see the face, too. I wanted
19 to -- you know what I'm saying -- meet you -- you
20 know what I'm saying.

21 This is really, really
22 heartbreaking, you know, that all these families
23 have to go through the things that we have to go
24 through and have to plead in order to get

1 justice, and it's just so unfair. And you guys
2 expect us to go on with life like it's normal.
3 This ain't normal. Our life is changed forever.
4 I drive a semi. I got my own truck company. I
5 be in truck and sometimes I got to pull over
6 because I'm crying. I may hear a song, I may see
7 a kid with my son's same mannerism, and it breaks
8 me down. I go in a store, I may see something
9 that he may like. It breaks me down. You think
10 I want to go through life? I got to go through
11 this for the rest of my life, man. I got to go
12 through this for the rest of my life, seeing my
13 son pictures, trying to visualize his smile. My
14 son was a brilliant kid, man. He didn't deserve
15 that. He was 24 years old. Never been arrested.
16 Never been convicted on anything. They never
17 been in a gang. Had a FOID card, everything.
18 They couldn't even put smut on his name. You
19 know how they do when they kill somebody, they
20 put smut on they name to make they seem like a
21 bad individual to justify what they done? They
22 couldn't do that with my son because my son
23 wasn't about that. He was just at the wrong
24 place at the wrong time. Going to a funeral.

1 Meet up with friends on the block so everybody
2 can go together. And my son didn't make it to
3 the funeral. We had to have a funeral for him.
4 How does that make any sense?

5 I tell you, my son, we went on
6 Easter break. We went to Wisconsin Dells. I
7 dropped my son off Monday. My son was dead on
8 Saturday. Last words he told me when he was
9 leaving me, I love you, Dad. I said, I love you,
10 man. You know, this is crazy, man -- you
11 understand what I'm saying? You don't understand
12 what we going through. It got me going crazy,
13 you know. I ain't got nothing else to say.

14 RABBI YOSEF: Say his name. Say his name.

15 MS. HENDERSON: I want to add that -- he said
16 basically everything, but I just want to add like
17 she started school, and they asked -- invite the
18 parents and other kids got up, and they said
19 about they father, and she told that her dad is
20 dead. People in the school was like thinking she
21 making something up. When her mom came and got
22 her, they were like she said her father dead, and
23 they was like, No, he ain't dead. Yeah, like her
24 dad got killed. And that's horrible that she has

1 to get up and say something like that in school
2 while the other little kids got they dad, and she
3 said the police killed my dad. He was just
4 chilling and the police killed him. Every time
5 she see people -- because we been doing this --
6 she ask, What they doing, grannie, protesting?
7 She shouldn't have to be like that. She is four.
8 Her dad was -- his murder, you can Google it.
9 She gonna be able to Google that and see her dad
10 die like that. Somebody needs to pay for that.
11 It was wrong. He killed my baby. He -- my baby
12 wasn't doing nothing. He said he was leaning in
13 a car. He was standing. If you saw the video,
14 he was standing. That's the Fourth Amendment
15 right to stand there and not be bothered. They
16 didn't activate their body cams. It was two
17 officers. If that officer feared for his life,
18 why the other officer didn't shoot? They shot my
19 son in his groin. In his groin. Like, come one.
20 That makes no sense. That is his private area.
21 That makes no sense. That makes no sense. And
22 like he said, he died by himself in a dirty
23 alley, and it kills me to know that my baby was
24 back there in that pain on that ground by

1 himself, by himself. And then you ask why,
2 nothing. For nothing. For nothing. Was he
3 robbing someone? Was he killing somebody? What
4 was he doing? He was trying to put the gun down.
5 He did have one. He was putting it down. It was
6 aimed at the 6:00 o'clock position. It was down.
7 He transferred, and he still getting shot. He
8 still laid it down and put his hands up, his
9 bloody hands and died. Died. They didn't let us
10 see him at Mount Sinai.

11 This is so inhuman what we have
12 been through. And it has to stop. You have
13 people walking around like us every day, every
14 day with this pain in our heart. You got ticking
15 time bombs walking around because you can't live
16 with this. You can't live with this. That's why
17 we are begging like do the right thing. Set an
18 example. Just can't keep causing this type of
19 pain on people. It can't keep doing. She has --
20 my son, he loves -- he was so good to his
21 daughter. He loved her. This is his first and
22 only child. She -- no daughter-daddy dances,
23 nothing. No trick or treat. No Christmas
24 presents. Nothing she will ever get from her

Police Board Public Meeting
August 15, 2024

1 father again and tell me why? Why? It's no
2 reason.

3 PRESIDENT COOPER: Ms. Henderson, I know --
4 like I said, somebody from both COPA and CPD will
5 speak with the family after the meeting. Thank
6 you very much for sharing. It was very
7 difficult. Very difficult.

8 MS. HENDERSON: So we ask you all to please,
9 please do the right thing, please. That's all
10 we're asking. We're sick and tired of this.
11 Please do the right thing.

12 PRESIDENT COOPER: Thank you.

13 The next speaker who signed up to
14 speak is Mr. Robert Plump.

15 MINISTER PLUMP: Thank you, Chicago Board.
16 My name is Minister Robert Floyd Plump. I am
17 that I am and Yahweh shalom. We don't die, we
18 multiply.

19 Life is beautiful and black power.
20 I also represent black love matters in my heart.

21 And as a minister, none but the
22 pure hearted and righteous are going to see God.

23 Chicago, America, and the world
24 must stop the violence, robbing, stealing, and

1 the killing, the looting, and the children
2 killing children. You know that ain't right. We
3 know that ain't right either. Chicago Police
4 killing children. Our own people killing
5 children. So I am here to speak on behalf of our
6 sister Felicia Jean Gardner. Something else
7 ain't right, too. Police demonstrating with
8 confusion. Got the sister on watch. Got the
9 sister's phone tapped. You know, just doing
10 wrong. Wrong is wrong, and we ain't going along
11 with that. I mean Chicago, America, and the
12 world. We do represent black Wall Street in
13 Chicago. We do represent Hollywood in Chicago,
14 and we also dedicating our location to Dr. Webb
15 Evans. This is Dr. Webb Evans month. Buy black,
16 invest into black, give back, and most of all
17 love black. We love God, we love you, and we do
18 want you to help us, too, because it's too big
19 for Chicago Police. Nothing is too hard for God.
20 Amen, Amen. Thank you.

21 PRESIDENT COOPER: Thank you, Pastor.

22 I'd like to call up Pastor Doyle as
23 the next speaker.

24 PASTOR DOYLE: Good evening, Board. For the

1 record, D-O-Y-L-E. Land, this land is your land,
2 R-Y.

3 So, first, for our ministry, we've
4 used McDonald's as a partner for over 30 years.
5 Longer explanation later. Today's Sun-Times and
6 -- so as a Marine Corps veteran, I watched the
7 entire incident. One, black men are committing
8 suicide by cop. Again, if my life wasn't working
9 and no one teaches me -- because in some cases my
10 father didn't bother or my mother keeps me away
11 from my father, it happens, I can grow to be
12 belligerent, defiant, and hope, as it says in
13 that article, that you put a gun to my head and
14 take me out of my misery. But back to 47th and
15 Cottage.

16 So mental health is real. And I'm
17 draggy because with regard to senior citizens --
18 hope you understand, senior citizens who are
19 experiencing a high rate of anxiety here in
20 Chicago, because we're two weeks past the
21 property tax deadline. And elderly individuals
22 who are stressed out of their mind as to how
23 they're going to stay in the house that they
24 purchased. I need a sense of time because those

1 of us who are on the front line as it relates to
2 elderly individuals who are afraid to go out
3 because of the violence. And while they're
4 inside, particularly in the last 15 days,
5 particularly black grandmothers, have given up
6 their medication costs and everything meaningful
7 to them. Hocked jewelry and other heirlooms
8 because they're desperately trying to save their
9 home.

10 What does that have to do with the
11 police? For the next two weeks starting with the
12 DNC on the 19th and the absence of officers in
13 the Chicago Public Schools on the 26th, we are in
14 for the worst two weeks because we cannot fix
15 what we will not face. And when you have mothers
16 and fathers who have to live daily with the
17 absence of the child that they didn't ask to
18 leave, at the end of the day, for those of us who
19 are on the front lines wondering who's going to
20 be next, I simply ask that the Superintendent,
21 not here tonight, and the Chief Administrator,
22 not here tonight, start acting like adults.

23 PRESIDENT COOPER: Thank you, Pastor.

24 PASTOR DOYLE: Meaning, I see peace,

1 therefore other people follow. Shouldn't be
2 airing your differences out because we as
3 taxpayers lose. Thank you.

4 PRESIDENT COOPER: Thank you, Pastor.

5 The next speaker I'd like to call is
6 Jasmine, and apologies if I get your last name
7 wrong.

8 MS. JASMINE: That's me again.

9 PRESIDENT COOPER: If you've already spoken,
10 we only allow one time to speak at a meeting.

11 MS. JASMINE: I wanted to mention one more
12 quick thing.

13 PRESIDENT COOPER: If you're quick. We have
14 a couple more speakers.

15 MS. SMITH: Okay. I think I was the last
16 speaker, to be honest, President.

17 PRESIDENT COOPER: We have one more speaker
18 after you.

19 Ms. Smith: An investigation needs to be
20 opened up against Detective Kevin Eberle. He is
21 the reason why my two loved ones is still rotting
22 in prison right now being wrongfully convicted.

23 I also want to mention because a
24 lot of people are starting to realize that CPD is

1 the part of the reason why a lot of these kids is
2 out here lost and killing each other, too,
3 because they done stole they mamas and daddies,
4 wrongfully convicted them for years. Hundreds of
5 people have been freed from being wrongfully
6 convicted by these crooked cops. Get them off
7 the force and maybe they can be home and keep the
8 families apart -- together, rather than apart,
9 and these kids will be able to be saved in these
10 streets other than lost without they mothers and
11 they fathers to be at home to teach the right
12 thing about loving each other, rather than hating
13 each other and what the people who is suppressing
14 is putting it out for them to do. Let's not
15 forget that.

16 PRESIDENT COOPER: Thank you.

17 The last speaker I'd like to call
18 tonight is Mr. Matt Brandon.

19 MR. BRANDON: Good evening, Board, Chief
20 Talley, Deputy, and community. My heart to you
21 and to your husband and your family.

22 What I want to talk about is the
23 DNC and what's about to happen here in the City
24 of Chicago, and I particularly want to focus on

1 the families who have just cause to be upset
2 about encounters with the Chicago Police
3 Department.

4 Those things that are under
5 investigation have to be investigated and
6 whatever that result is, it will be. But what I
7 ask you is not to allow the hundreds of
8 anarchists that are going to come into this town
9 to hijack your cause for themselves. They will
10 stand behind you. They will throw their bricks,
11 and they will disappear in the crowd and leave
12 you standing there. Watch out who is standing
13 next to you. They are professional anarchists
14 coming here, and they are going to hijack your
15 cause. Okay? So, please, your cause is just.
16 Theirs isn't. They're only here to cause
17 violence.

18 And I pray to God that those
19 families who are here for their loved ones don't
20 let these animals who are coming here hijack your
21 cause. Okay.

22 PRESIDENT COOPER: Thank you, Mr. Brandon.

23 At this time, as all the members
24 have spoken, and I just want to thank everybody

Police Board Public Meeting
August 15, 2024

1 who has spoken tonight, especially the Clay
2 Family for sharing your story. Very heart
3 wrenching. Is there a motion to adjourn the
4 meeting?

5 VICE PRESIDENT WOLFF: So moved. Paula
6 Wolff.

7 BOARD MEMBER CUSACK: Second. Mareile
8 Cusack.

9 PRESIDENT COOPER: All in favor, please raise
10 your hands and say aye.

11 (CHORUS OF AYES.)

12 PRESIDENT COOPER: The motion passes and the
13 meeting is adjourned.

14 (WHEREUPON, the proceedings
15 were adjourned at 8:37 p.m.)
