The Scope of Services for each Special Service Area (SSA) is broadly defined by the funded categories listed in the annual Budget Summary page. If during the contract year, an SSA Commission recommends funding a line item within a previously unfunded category, a budget amendment ordinance must be introduced and approved by City Council. This action is required in order to expand the Scope of Services.

REQUIRED DUTIES OF THE SERVICE PROVIDER:

Website: The Service Provider must maintain a webpage dedicated to the SSA which is easily identified with a link labeled "SSA" on the top or side banner on the home page of the Service Provider's website.

The SSA webpage must contain the following information:

- Listing of Commission meetings for the year
- Meeting Notices and Agendas posted at least 48 hours prior to meetings
- Approved Meeting Minutes
- Current Service Provider Agreement
- Annual Audit (most-recent) Request for Proposals (RFPs)
- SSA Map
- Description of Services and Programs
- Other items as directed by the Commission

Reports: The Service Provider is required to complete and submit Quarterly Reports to the Department of Planning and Development (DPD) within 30 days of the end of each Quarter. These reports should be presented to and approved by the Commission prior to submission to DPD.

Annual Audit: The Service Provider is required to contract with an independent auditing firm to prepare audited financial statements of the preceding year, presented in the Government Model. The audit must be approved by the Commission and submitted to DPD on or before May 1st each year.

Administration: The Service Provider shall adhere to policies and procedures outlined in the SSA Program Guide and submission deadlines posted in the annual SSA Calendar document. The Service Provider is responsible for ensuring services and programs listed in the SSA's annual workplan and budget document are administered in a timely and accurate manner, including subcontracts with vendors. Any changes to line items must be approved by the Commission, and may require additional City Council authorization.

Communication: It is important that the Service Provider facilitate communication among its board of directors, the SSA Commission, all affected aldermen, SSA stakeholders, DPD, and the general public. All Commission meetings are open to the public and governed by the guidelines of the Open Meetings Act. The Service Provider shall brief all affected aldermen of SSA activities and proposed budgets.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Department of Law (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Department of Law:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: latoya.vaughn@cityofchicago.org

To advise Department of Law of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at latoya.vaughn@cityofchicago.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Department of Law

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to latoya.vaughn@cityofchicago.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Department of Law

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to latoya.vaughn@cityofchicago.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to ‘I agree to use electronic records and signatures’ before clicking ‘CONTINUE’ within the DocuSign system.

By selecting the check-box next to ‘I agree to use electronic records and signatures’, you confirm that:
