### **General Notes**

(a) Each actual or estimated Public Investment reported here is, to the extent possible, comprised only of payments financed by tax increment revenue, and may include interest amounts paid to finance the Public Investment amount. In contrast, each actual or estimated Private Investment reported here is, to the extent possible, comprised of payments financed by revenues that are not tax increment revenues and, therefore, may include private equity, private lender financing, private grants, other public monies, or other local, state or federal grants or loans.

(b) Each amount reported here under Public Investment Undertaken, Total Estimated to Complete Project, is the maximum amount of payments financed by tax increment revenue that could be made pursuant to the corresponding Project's operating documents, but not including interest that may later be payable on developer notes, and may not necessarily reflect actual expenditures, if any, as reported in Section 3 herein. The total public investment amount ultimately made under each Project will depend upon the future occurrence of various conditions, including interest that may be payable on developer notes as set forth in the Project's operating documents.

### **Project/Program-Specific Notes**

Re: Roosevelt/Racine Redevelopment Project Area  
(the "Redevelopment Project Area")

Dear Addressees:

I am the Corporation Counsel of the City of Chicago, Illinois (the "City") and, in such capacity, I am the head of the City's Law Department. In such capacity, I am providing the opinion required by Section 11-74.4-5(d)(4) of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq. (the "Act"), in connection with the submission of the report (the "Report") in accordance with, and containing the information required by, Section 11-74.4-5(d) of the Act for the Redevelopment Project Area.

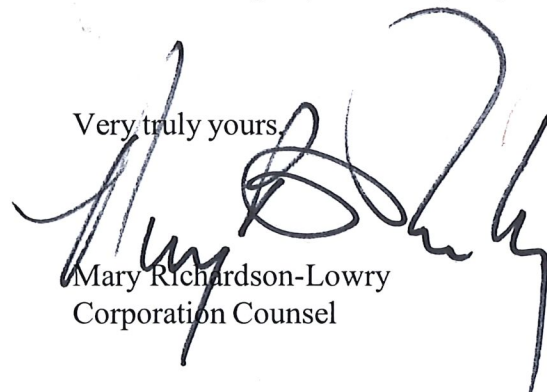

Attorneys, past and present, in the Law Department of the City and familiar with the requirements of the Act, have had general involvement in the proceedings affecting the Redevelopment Project Area, including the preparation of ordinances adopted by the City Council of the City with respect to the following matters: approval of the redevelopment plan and project for the Redevelopment Project Area, designation of the Redevelopment Project Area as a redevelopment project area, and adoption of tax increment allocation financing for the Redevelopment Project Area, all in accordance with the then applicable provisions of the Act. Various departments of the City, including, if applicable, the Law Department, Department of Planning and Development, Department of Finance and Office of Budget and Management (collectively, the "City Departments"), have personnel responsible for and familiar with the activities in the Redevelopment Project Area affecting such City Departments and with the requirements of the Act in connection therewith. Such personnel are encouraged to seek and obtain, and do seek and obtain, the legal guidance of the Law Department with respect to issues that may arise from time to time regarding the requirements of, and compliance with, the Act.

In my capacity as Corporation Counsel, I have relied on the factual certification of the Commissioner of the Department of Planning and Development attached hereto as Schedule 1, along with the general knowledge and actions of the appropriately designated and trained staff of the Law Department and other applicable City Departments involved with the activities affecting the Redevelopment Project Area. In addition, I have caused to be examined or reviewed by members of the Law Department of the City the certified audit report, to the extent required to be obtained by Section 11-74.4-5(d)(9) of the Act and submitted as part of the Report, which is required to review compliance with the Act in certain respects, to determine if such audit report contains information that might affect my opinion. I have also caused to be examined or reviewed such other documents and records as were deemed necessary to enable me to render this opinion. Nothing has come to my attention that would result in my need to qualify the opinion hereinafter expressed.

Based on the foregoing, it is my opinion that, in all material respects, the City is in compliance with the provisions and requirements of the Act in effect and then applicable at the time actions were taken from time to time with respect to the Redevelopment Project Area.

This opinion is given in an official capacity and not personally and no personal liability shall derive herefrom. Furthermore, the only opinion that is expressed is the opinion specifically set forth herein, and no opinion is implied or should be inferred as to any other matter. Further, this opinion may be relied upon only by the addressees hereof and the Mayor of the City in providing his required certification in connection with the Report, and not by any other party.

Very truly yours,

Mary Richardson-Lowry  
Corporation Counsel

5.12 **Additional Documentation.** Developer will have provided documentation to DPD, satisfactory in form and substance to DPD concerning Developer's employment profile and copies of the Ground Lease, Reciprocal Easement Agreement by and between the Museum and Developer, any operating leases and other tenant leases executed by Developer for leaseholds in the Project, if any.

5.13 **Environmental Audit.** The Developer Parties will have provided DPD with copies of all phase I and phase II environmental audits completed with respect to the Property, if any, and a letter from the environmental engineer(s) who completed such audit(s), authorizing the City to rely on such audits. If environmental issues exist on the Property, the City will require written verification not later than the date of the Certificate

Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Developer and any other parties required by this **Section 5.14** to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an event of default under this Agreement.

**5.15 Litigation.** The Developer Parties have provided to Corporation Counsel and DPD a description of all pending or threatened litigation or administrative proceedings involving any of the Developer Parties or any Affiliate of the Developer Parties (excluding the Investor Member) specifying, in each case, the amount of each claim, an estimate of probable liability, the amount of any reserves taken in connection therewith, and whether (and to what extent) such potential liability is covered by insurance.

## **SECTION 6: AGREEMENTS WITH CONTRACTORS**

### **6.01 Bid Requirement for General Contractor and Subcontractors.**

(a) DPD acknowledges that Developer has selected (i) collectively, The Bowa Group Inc., the Blackwood Group, LLC and MIKK Construction and Developers Corporation, as the General Contractor for the New Buildings Construction Project and (ii) Griggs Mitchell & Alma of IL, LLC d/b/a GMA Construction Group for the Museum Property Construction Project and the Museum Property Rehabilitation Project. 6.02 **Construction Contract.** Prior to the execution thereof, Developer shall deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 6.01 above, for DPD's prior written approval, which shall be granted or denied within ten (10) Business Days after delivery thereof. 6.03 **Performance and Payment Bonds.** Prior to commencement of construction of any portion of the Project, Developer shall require that the General Contractor be bonded for its performance and payment by sureties having an AA rating or better using American Institute of Architect's Form No. A311 or its equivalent. Prior to the commencement of any portion of the Project which includes work on the public way, Developer shall require that the General Contractor be bonded for its payment by sureties having an AA rating or better using a bond in the form attached as Exhibit I hereto. The City shall be named as obligee or co-obligee on any such bonds

6.04 **Employment Opportunity.** Developer will contractually obligate and cause the General Contractor to agree and contractually obligate each subcontractor to agree to the provisions of Section 10 hereof.

6.05 **Other Provisions.** In addition to the requirements of this Section 6, the Construction Contract and each contract with any subcontractor shall contain provisions pursuant to Section 3.04 (Change Orders), Section 8.08 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Employment Requirement), Section 10.03 (MBE/WBE Requirements, as applicable), Section 12 (Insurance) and Section 14.01 (Books and Records) hereof. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) Business Days of the execution thereof.

## **SECTION 7: COMPLETION OF CONSTRUCTION AND REHABILITATION**

7.01 **Certificates of Completion of Construction and Rehabilitation.** (a) Upon the completion of the construction and rehabilitation of the Project in accordance with the terms of this Agreement and after the final disbursement from the Escrow, and upon the Developer's written request, DPD shall issue to the Developer the Certificate. The Certificate shall be in recordable form (substantially in the form attached hereto as Exhibit N) certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. DPD shall respond to the Developer's written request for either certificate within forty-five (45) days by issuing either the requested certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer in order to obtain the requested certificate. The Developer may resubmit a written request for a Certificate upon completion of such measures.

(b) The Certificate will not be issued until the following requirements have been met:

- (i) The Developer has obtained a partial or final Certificate of Occupancy that covers all 222 New Rental Units or other evidence reasonably acceptable to DPD that the Developer Parties have complied with building permit requirements;
- (ii) The Project has been constructed substantially according to the Plans and Specifications;
- (iii) The Developer Parties and the Market Rate Units Owner, as applicable, have entered into the Ground Lease;
- (iv) The Developer Parties have acquired fee title to the improvements located on the Museum Property, which may be by Ground Lease and not necessarily by deed; and
- (v) The City's Monitoring and Compliance unit has determined in writing that the Developer Parties are in complete compliance with all City requirements (MBE/WBE, City residency and prevailing wage) as required in this Agreement;
- (vi) Developer Parties have incurred costs for TIF-Funded Improvements or such amounts are included in the Project Budget in an amount equal to or higher than \$17,000,000; and
- (vii) There exists neither an Event of Default (after any applicable cure period) which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

**7.02 Effect of Issuance of Certificate; Continuing Obligations.**

(a) The Certificate relates only to the construction and rehabilitation of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer Parties' obligation to complete such activities have been satisfied. After the issuance of the Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate must not be construed as a waiver by the City of any of its rights and remedies under such executory terms.

(b) Those covenants specifically described at Section 8.02 (Covenant to Redevelop), Section 8.18 (Real Estate Provisions), and Section 8.19 (Affordability Requirements) as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement, provided that upon the issuance of the Certificate the covenants of Section 8.02 (Covenant to Redevelop) shall be deemed fulfilled. The other executory terms of this Agreement that remain after the issuance of the Certificate will be binding only upon each of the Developer Parties or a permitted assignee of the Developer Parties who, as provided in Section 18.14 (Assignment) of this Agreement, has contracted to take an assignment of Developer Parties' rights under this Agreement and assume Developer Parties' liabilities hereunder.

**7.03 Failure to Complete.** If Developer Parties fail to complete the Project in compliance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed under this Agreement;

(b) the right (but not the obligation) upon not less than thirty (30) days prior written notice to the Developer to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of such TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, the Developer Parties shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer Parties, provided that the City is entitled to rely on an opinion of counsel that such reimbursement will not jeopardize the tax-exempt status of the TIF Bonds.

7.04 **Notice of Expiration of Term of Agreement.** Upon the expiration of the Term of the Agreement, DPD shall provide Developer Parties, at their written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

7.05 **Release of Agreement as to Market Rate Units and NPHM Property.** Following the legal separation of the Market Rate Units by vertical separation and completion of construction of such units as evidenced by the issuance of a certificate of occupancy therefore, DPD shall provide Developer (provided Developer is in compliance with Section 8.19 hereof), in accordance with the terms of this Agreement, with a written partial release in recordable form releasing the Market Rate Units and the NPHM Property from the lien and encumbrance of the Redevelopment Agreement and stating that this Agreement no longer encumbers the Market Rate Units or the NPHM Property.

8.05 **Other Bonds.** Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) TIF Bonds or other bonds (the "Bonds") in connection with the Roosevelt/Racine Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements; provided, however, that any such amendments shall not have a material adverse effect on Developer or the Project. Developer shall, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 **Employment Opportunity; Progress Reports.** Developer Parties covenant and agree to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and, as applicable, to cause the General Contractor to contractually obligate each subcontractor to abide by the terms set forth in Section 10 hereof. In addition, Developer will submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.13 **Insurance.** Solely at its own expense, Developer will comply with all provisions of Section 12 hereof.

8.14 **Non-Governmental Charges.**

(a) **Payment of Non-Governmental Charges.** Except for the Permitted Liens, and subject to subsection (b) below, Developer Parties agree to pay or cause to be paid when due any Non-Governmental Charges assessed or imposed upon the Project, or any fixtures that are or may become attached thereto and which are owned by Developer

Parties, which create, may create, or appear to create a lien upon all or any portion of the Project; provided however, that if such Non-Governmental Charges may be paid in installments, Developer Parties may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer Parties will furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other evidence satisfactory to DPD, evidencing payment of the Non-Governmental Charges in question.

(b) Right to Contest. Developer Parties will have the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charges by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charges, prevent the imposition of a lien or remove such lien, or prevent the transfer or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer Parties' covenants to pay any such Non-Governmental Charges at the time and in the manner provided in this Section 8.14); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD will require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such transfer or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charges and all interest and penalties upon the adverse determination of such contest.

8.15 Developer Parties' Liabilities. No Developer Parties shall enter into any transaction that would materially and adversely affect the Developer Parties' ability to perform its obligations under this Agreement hereunder or to repay any material liabilities or perform any material obligations of a Developer Party to any other person or entity. Each Developer Party will immediately notify DPD of any and all events or actions which may materially affect a Developer Party's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.16 Compliance with Laws. To the best of the Developer Parties' knowledge, after diligent inquiry, the Property and the Project are in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Property and the Project. Upon the City's request, Developer Parties shall provide evidence satisfactory to the City of such compliance.

8.17 Recording and Filing. The Developer Parties will cause this Agreement, certain exhibits (as specified by Corporation Counsel) and all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of Cook County, Illinois against the Property. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. The Developer Parties will pay all fees and charges incurred in connection with any such recording. Upon recording, Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.18 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Subject to subsection (ii) below, Developer Parties agree to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer Parties or all or any portion of the Property or the Project. "**Governmental Charge**" means all federal, state, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer Parties, the Property, or the Project, including but not limited to real estate taxes.

(ii) Right to Contest. Developer Parties have the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or transfer or forfeiture of the Property. No such contest or objection will be deemed or construed in any way as relieving, modifying or extending Developer Parties' covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer Parties' intent to contest or object to a Governmental Charge and, unless, at DPD's sole option:

(x) Developer Parties will demonstrate to DPD's satisfaction that legal proceedings instituted by Developer Parties contesting or objecting to a Governmental Charge will conclusively operate to prevent or remove a lien against, or the sale or transfer or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings, and/or;

(y) Developer Parties will furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD may require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or transfer or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer Parties' Failure To Pay Or Discharge Lien. If Developer Parties fail to pay or contest any Governmental Charge or to obtain discharge of the same as required by this Section 8.18, Developer Parties will advise DPD thereof in writing, at which time DPD may, but will not be obligated to, and without waiving or releasing any obligation or liability of Developer Parties under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, will be promptly disbursed to DPD by Developer Parties.

Notwithstanding anything contained herein to the contrary, this paragraph must not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer Parties fail to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer Parties' own expense.

#### 8.19 Affordability Requirements.

(a) Affordable Units. Of the 222 units comprising the Project, 130 units (or 59% of the Project's units) shall be affordable to households with AMI not greater than 80%, of which 80 units (or 36% of the Project's units) shall be CHA Units; and 92 units shall not have any affordability restrictions.

(b) CHA Units. The Developer Parties agree and covenant to the City that, prior to any foreclosure of the Property by a lender providing Lender Financing, the provisions of that certain City Regulatory Agreement executed by the Developer Parties and the City as of the date hereof shall govern the terms of the Developer Parties' obligation to provide affordable housing. Following foreclosure, if any, and from the date of such foreclosure through the date set forth in subparagraph (c) below, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(i) During the term of the RAD Use Agreement and HAP Contract, all of the CHA Units shall be operated and maintained solely as residential rental housing;

(ii) All of the CHA Units shall be available for occupancy to and be occupied solely by Low Income Families (as defined below) upon initial occupancy; and

(iii) All of the CHA Units have monthly rents not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

(iv) As used in this Section 8.19, the following terms have the following meanings:

(A) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and

(B) "Low Income Families" shall mean Families whose annual income does not exceed eighty percent (80%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(c) The covenants set forth in this Section 8.19 shall run with the land for a period of forty (40) years from the date of the Certificate and be binding upon any transferee.

(d) The City and the Developer Parties may enter into a separate agreement to implement the provisions of this Section 8.19;

8.20 **Job Readiness Program.** If requested by the City, Developer will use commercially reasonable efforts to encourage its tenants at the Project to participate in job readiness programs established by the City to help prepare individuals to work for businesses located within the Roosevelt/Racine Redevelopment Area.

8.21 **Inspector General.** It is the duty of each Developer Party and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of a Developer Party's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code, and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Each Developer Party represents that it understands and will abide by all provisions of Chapter 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.22 **No Business Relationship with City Elected Officials.** The Developer Parties acknowledge receipt of a copy of Section 2-156-030(b) of the Municipal Code and that the Developer Parties have read and understand such provision. Under Section 2-156-030(b) of the Municipal Code of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a "Business Relationship" (as defined in Section 2-156-080(b)(2) of the Municipal Code), or to participate in any discussion of any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship. Violation of Section 2-156-030(b) by any elected official, or any person acting at the direction of such official, with respect to this Agreement, or in connection with the transactions contemplated thereby, will be grounds for termination of this Agreement and the transactions contemplated thereby. The Developer Parties hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated thereby.

8.23 **Environmental Features.** The Developer will provide evidence that the Project has achieved 100 points for new construction and 25 points for rehabilitation on the City's Sustainable Development Policy (2017.01.12).

8.24 **Annual Compliance Report.** Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, the Developer shall submit to DPD and to BMO Harris the Annual Compliance Report within 60 days after the end of the calendar year to which the Annual Compliance Report relates.

8.25 **FOIA and Local Records Act Compliance.**

(a) FOIA. The Developer Parties acknowledge that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer Parties receive a request from the City to produce records within the scope of FOIA, then the Developer Parties covenants to comply with

such request within 48 hours of the date of such request. Failure by the Developer Parties to timely comply with such request shall be an Event of Default.

(b) **Exempt Information.** Documents that the Developer Parties submit to the City under Section 8.24, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer Parties to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer Parties mark any such documents as "proprietary, privileged or confidential." If the Developer Party marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) **Local Records Act.** The Developer Parties acknowledge that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer Parties covenant to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act.

**8.26 Survival of Covenants.** All warranties, representations, covenants and agreements of the Developer Parties contained in this Section 8 and elsewhere in this Agreement are true, accurate and complete at the time of the Developer Parties' execution of this Agreement, and will survive the execution, delivery and acceptance by the parties and (except as provided in Section 7 upon the issuance of the Certificate) will be in effect throughout the Term of the Agreement.

## **SECTION 9: COVENANTS, REPRESENTATIONS, AND WARRANTIES OF THE CITY**

9.01 **General Covenants.** The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 **Survival of Covenants.** All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

## **SECTION 10: DEVELOPER PARTIES' EMPLOYMENT OBLIGATIONS**

10.01 **Employment Opportunity.** Each Developer Party, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer Parties, the "**Employers,**" and individually defined herein as an "**Employer**") to agree, that for the Term of this Agreement with respect to Developer Parties and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental

status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time-to-time (the "**Human Rights Ordinance**"). Each Employer must take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, must state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required (i) to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Roosevelt/Racine Redevelopment Area; and (ii) to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Roosevelt/Racine Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et. seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every construction contract entered into in connection with the Project and shall require inclusion of these provisions in every subcontract entered into by any subcontractors and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof, subject to the cure rights under Section 15.03.

**10.02 City Resident Construction Worker Employment Requirement.** Each Developer Party agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project

shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer Parties, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer Parties may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer Parties, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer Parties, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer Parties, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer Parties, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer Parties, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer Parties have failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project Budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated

residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer Parties, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer Parties pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer Parties must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer Parties shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03 **MBE/WBE Requirements.** Each Developer Party agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the AMBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit C-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

- (1) At least 26 percent by MBEs.
- (2) At least six percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer Parties in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer Parties' MBE/WBE commitment may be achieved in part by Developer Parties' status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer Parties) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer Parties utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which

constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer Parties shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, *inter alia*, the name and business address of each MBE and WBE solicited by Developer Parties or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer Parties shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer Parties, on five Business Days' notice, to allow the City to review Developer Parties' compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer Parties shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer Parties' MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Prior to the commencement of the Project, Developer Parties shall be required to meet with the City's monitoring staff with regard to Developer Parties' compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer Parties shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer Parties, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer Parties to halt the Project, (2) withhold any further payment of any City Funds to Developer Parties or the General Contractor, or (3) seek any other remedies against Developer Parties available at law or in equity.

## SECTION 11: ENVIRONMENTAL MATTERS

Developer Parties hereby represent and warrant to the City that Developer Parties have conducted environmental studies sufficient to conclude that the Project may be rehabilitated, constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Roosevelt/Racine Redevelopment Plan.

Without limiting any other provisions hereof, Developer Parties agree to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Developer Parties: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from all or any portion of the Property or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Developer Parties or any of their Affiliates under any Environmental Laws relating to the Property.

(i) Such Developer Party's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) Such Developer Party's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

(a) the failure of a Developer Party to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of such party under this Agreement or any related agreement;

(b) the failure of a Developer Party to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations under any other agreement with any person or entity if such failure may have a material adverse effect on a Developer Party's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by a Developer Party to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect when made;

(d) except as otherwise permitted hereunder or otherwise approved in writing by the City, the creation (whether voluntary or involuntary) of, or any attempt by a Developer Party to create, any lien or other encumbrance upon the Property or the Project, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(f) the appointment of a receiver or trustee for a Developer Party for any substantial part of a Developer Party or the Developer Parties' assets, or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of a Developer Party; provided, however, that if such appointment or commencement of proceedings is involuntary, such action will not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within 120 days after the commencement thereof;

(g) the entry of any judgment or order against a Developer Party for an amount in excess of \$1.0 million which is not being contested or which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, if any, which default is not cured within any applicable cure period or is otherwise waived by the applicable lender;

(i) the dissolution of a Developer Party;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against a Developer Party or any natural person who owns a material interest in a Developer Party which is not dismissed within 30 days or is not being

(k) the failure of a Developer Party, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to a Developer Party, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer.

For purposes of Sections 15.01(i) and 15.01(j) hereof, a person with a material interest in a Developer Party shall be one owning in excess of **thirty-three (33%)**; of such party's (or such party's ultimate parent entity's) issued and outstanding ownership shares or membership interests.

**15.02 Remedies.** Upon the occurrence and during the continuation of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer Parties are or shall be parties, suspend disbursement of City Funds, and/or seek reimbursement of any City Funds paid. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein.

**15.03 Curative Period.**

(a) In the event the Developer Parties shall fail to perform a monetary covenant which it is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default will not be deemed to have occurred unless the Developer Party has failed to perform such monetary covenant within 10 days of its receipt of a written notice from the City specifying that the Developer Party has failed to perform such monetary covenant.

(b) In the event the Developer Parties shall fail to perform a non-monetary covenant which such Developer Party is required to perform under this Agreement, an Event of Default shall not be deemed to have occurred unless the Developer Party has failed to cure such default within 30 days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such 30 day period, the Developer Party shall not be deemed to have committed an Event of Default under this Agreement if the Developer Party has commenced to cure the alleged default within such 30 day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

**15.04 Right to Cure by the Investor Member, BMO Harris, and/or CIBC.** If an uncured default occurs under this Agreement and as a result thereof, the City intends to exercise any right or remedy available to it that could result in termination of this Agreement, or the suspension, cancellation, reduction or reimbursement of City Funds disbursed hereunder, or any other remedy under this Agreement, the City shall prior to exercising such right or remedy, send notice of such intended exercise to the Investor Member, CIBC and BMO Harris, and the Investor Member (including, without limitation, by exercise of management take over rights of the Developer under its operating agreement), CIBC and BMO Harris shall have the right (but not the obligation) to cure such default as follows:

(a) if a monetary default exists, the Investor Member may cause to be cured such monetary default within 90 days after the later of (and BMO Harris and CIBC, except for the exercise of rights and remedies in the event of an event of default under the Lender Financing documents or otherwise as provided in Section 15.04(h) below, and the City shall take no action during such 90 day period): (i) the expiration of the cure period, if any, granted under Section 15.03 to Developer Parties with respect to such monetary default; or (ii) receipt by the Investor Member, CIBC and BMO Harris of notice of default from the City. If the Investor Member does not cause such monetary default to be cured within such 90-day time period set forth in the preceding sentence, then BMO Harris and CIBC may cure such monetary default in the manner set forth in Section 15.04(c); and

(b) if a non-monetary default exists (except for a Personal Developer Default, as later defined), the Investor Member may cause to be cured such non-monetary default within 90 days after the later of (and BMO Harris and CIBC, except for the exercise of rights and remedies in the even of an event of default under the Lender Financing documents or otherwise as provided in Section 15.04(h) below, and the City shall take no action during such 90 day period): (i) the expiration of the cure period, if any, granted under Section 15.03 to Developer with respect to such non-monetary default; or (ii) receipt by the Investor Member, CIBC and BMO Harris of notice of default from the City. If the Investor Member does not cause such non-monetary default to be cured within such 90-day time period set forth in the preceding sentence, then BMO Harris and CIBC may cure such monetary default in the manner set forth in Section 15.04(d); and

(c) if a monetary default exists, BMO Harris and CIBC may cure such monetary default within 60 days after the later of (and the non-electing party and the City shall take no action during such 60-day period): (i) the expiration of the Investor Member's 90-day cure period; or (ii) receipt by BMO Harris and CIBC of notice from the City that the Investor Member has failed to cure the default within the timeframe set forth in Section 15.04(a) above; and

(d) if a non-monetary default exists (except for a Personal Developer Default), BMO Harris and CIBC may cure such non-monetary default within 90 days after the later of (and the non-electing party and the City shall take no action during such 90-day period): (i) the expiration of the Investor Member's 90-day cure period; or (ii) receipt by BMO Harris and CIBC of notice from the City that the Investor Member has failed to cure the default within the timeframe set forth in Section 15.04(b) above; provided, however, if such non-monetary default is of a nature that is not subject to cure in 90 days, the cure period will be extended for the time period needed to cure such default (including any time period required by BMO Harris and CIBC to take control of the Project by initiating foreclosure of its mortgage and/or appointing a receiver) and the City shall forbear from exercising its remedies hereunder so long as diligent and continuous efforts are being pursued to cure such default; and

(e)(1) If such non-monetary default would be an Event of Default set forth in Section 15.01(b), (e), (f), (g), (i) or (j) hereof (each such default being a "Personal Developer Default"), the Investor Member, CIBC or BMO Harris (as applicable and in that strict order as more fully provided in this Section 15.04(e) below and not otherwise, the "Electing Party"), may provide written notice (the "Assumption Notice") to the City and the Investor Member, CIBC or BMO Harris (as applicable, the "Non-Electing Parties") within 30 days of receipt of notice from the City of such Personal Developer Default, as more fully provided in Section 15.04(e)(2) below. If notice is delivered within said 30-day period, the Electing Party shall, in accordance with Section 15.04(e)(2) below, either cure or cause to be cured such Personal Developer Default by the assignment pursuant to Section 18.14 hereof of all of the Developer Parties' rights, obligations and interests in this Agreement

to the Electing Party or any other party agreed to in writing by BMO Harris, CIBC and the City, which assumption shall be deemed to cure the Personal Developer Default.

(2) Upon receipt by the City, CIBC and BMO Harris of an Assumption Notice from the Investor Member pursuant to subsection (e)(1) above, the cure period shall be extended for such reasonable period of time as may be necessary to complete such assignment and assumption of the Developer Parties' rights, obligations and interests in this Agreement (but in no event longer than 90 days without the written consent of the City, CIBC and BMO Harris). If the Investor Member does not (i) provide such Assumption Notice within the 30-day period specified in subsection (e)(1), or (ii) identify to the City and the Non-Electing Parties any other party (which may be an affiliate of the Investor Member other than any of the Developer Parties) to assume the Developer Parties' rights, obligations and interests in this Agreement within 30 days from the date of the Assumption Notice, then BMO Harris and/or CIBC shall have 30 days to cure such Personal Developer Default by the assignment, in accordance with the provisions of Section 18.14 hereof, of all of the Developer Parties' rights, obligations and interests in this Agreement to BMO Harris, or an affiliate thereof, or CIBC, or an affiliate thereof, or any other party agreed to in writing by BMO Harris, CIBC and the City.

(f) If such Personal Developer Default is not cured by the Investor Member, CIBC or BMO Harris within the timeframes set forth in Section 15.04(e), then the City shall have available all remedies set forth in this Agreement, including those in Sections 15.02.

(g) During all such times as a Personal Developer Default exists and remains uncured after the expiration of all cure periods, no payments of City Funds shall occur until such time as such Personal Developer Default is thereafter cured.

(h) The City agrees that at any time during which an Event of Default has occurred under the Lender Financing Documents, during the period that BMO Harris or CIBC is diligently and continuously pursuing actions or remedies under the Lender Financing, with or without the Developer Parties, which are intended to cause substantial completion of the Project, and, as part of such actions or remedies, continues to fund or make advances to pay Project costs, the City shall likewise forbear from exercising its remedies under Section 15.02.

(i) Notwithstanding anything to the contrary contained in this Agreement, including, without limitation, the continuation of any cure periods under Section 15.03 and Section 15.04, in the event the Investor Member, CIBC and BMO Harris provide a joint notice of discontinuance of actions or remedies intending to achieve substantial completion, the City may immediately commence to exercise any and all of the remedies specified in Section 15.02 above.

## SECTION 16: MORTGAGING OF THE PROJECT

16.01 **Mortgaging of the Project.** All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that Developer Party may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that Developer Party may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby acknowledged that nothing in this Section 16 shall apply to, or in any way prohibit or limit, the granting of mortgages in connection with the legal separation of the Affordable Units and the Market Rate Units or the conveyance or assignment of the Market Rate Units to the Market Rate Unit Owner and any such mortgage shall be a "Permitted Mortgage" hereunder. It is hereby agreed by and between the City and Developer Parties as follows:

(a) If a mortgagee or any other party shall succeed to a Developer Party's interest in the Property or any portion thereof by the exercise of remedies under a mortgage or deed of trust (other than an Existing Mortgage or a Permitted Mortgage) whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of such Developer Party's interest hereunder in accordance with Section 18.15 hereof, the City may, but will not be obligated to, attorn to and recognize such party as the successor in interest to such Developer Party for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party will be entitled to no rights or benefits under this Agreement, but such party will be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) If any mortgagee or any other party shall succeed to a Developer Party's interest in the Property or any portion thereof by the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of a Developer Party's interest hereunder in accordance with Section 18.14 hereof, then the City hereby agrees to attorn to and recognize such party as the successor in interest to such Developer Party for all purposes under this Agreement so long as such party accepts all of the executory obligations and liabilities of a "Developer Party" hereunder. Notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of a Developer Party's interest under this Agreement, such party will have no liability under this Agreement for any Event of Default of such Developer Party which occurred prior to the time such party succeeded to the interest of such Developer Party under this Agreement, nor shall the City have the right to record a lien against or otherwise enforce any remedies hereunder against the Project, in which case such Developer Party will be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of such Developer Party's interest hereunder, such party will be entitled to no rights and benefits under this Agreement, and such party will be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to Developer Parties of a Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD. After issuance of a Certificate, consent of the Commissioner of DPD is not required for any such New Mortgage.

## **SECTION 18: ADDITIONAL PROVISIONS**

18.01 **Amendments.** Except as provided in this Section 18.01, and except for changes or amendments that are otherwise expressly identified as being in the discretion of the Commissioner, this Agreement and the Schedules and Exhibits attached hereto may not be materially amended without the written consent of all parties. In addition to consents and discretion expressly identified herein, the Commissioner, in his or her sole discretion, may amend or otherwise revise: (a) any exhibits containing legal descriptions in order to correct a surveyor's, scrivener's or clerical error in such a legal description, or to reflect any new subdivision of property index numbers, provided that such correction does not have a material effect on any portion of the Project; and (b) Exhibit B-4 to adjust unit locations and types; (c) Exhibits C-1 in connection with updated budgets and/or the approval of Change Orders resulting in changes in the Project Budget in accordance with Section 3.05; (d) Exhibit C-1 to adjust allocations between line items or to add new line items permitted under the Plan; (e) Exhibit K to reflect the terms of the final Project financing, so long as such financing is not materially inconsistent with that contemplated hereunder; and (f) Exhibit G to correct inadvertent omissions or permit other minor title encumbrances not in the nature of a lien. Amendments required in clauses (b), (c) and (e) shall also require the Developer Parties' consent. The City in its sole discretion, may amend, modify or supplement the Roosevelt/Racine Redevelopment Plan. For purposes of this Agreement, the Developer Parties are only obligated to comply with the Roosevelt/Racine Redevelopment Plan and the Western/Ogden Development Plan, if applicable, as in effect on the date of this Agreement.

18.02 **Complete Agreement.** This Agreement (including each Exhibits attached hereto, which is hereby incorporated herein by reference) constitutes the entire agreement between the parties hereto and it supersedes all prior agreements, negotiations, and discussions between the parties relative to the subject matter hereof.

18.03 **Limitation of Liability.** No member, elected official, appointed official or employee or agent of the City shall be individually, collectively or personally liable to the Developer Parties or any successor in interest to the Developer Parties in the event of any default or breach by the City or for any amount which may become due to the Developer Parties or any successor in interest, from the City or on any obligation under the terms of this Agreement.

18.04 **Further Assurances.** The Developer Parties and City each agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement, and to accomplish the transactions contemplated in this Agreement.

18.05 **Waiver.** Waiver by the City or Developer Parties with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the

respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or Developer Parties in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 **Remedies Cumulative.** The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 **Disclaimer.** Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 **Counterparts.** This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.09 **Severability.** If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.10 **Conflict.** In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, if any, such ordinance(s) shall prevail and control.

18.11 **Governing Law.** This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.12 **Form of Documents.** All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.13 **Approval.** Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

Failure by Developer Parties to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18.18 **Venue and Consent to Jurisdiction.** If there is a lawsuit under this Agreement, each party may hereto agree to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

## INDEPENDENT AUDITOR'S REPORT

The Honorable Brandon Johnson, Mayor  
Members of the City Council  
City of Chicago, Illinois

### **Opinion**

We have audited the accompanying financial statements of the Roosevelt/Racine Redevelopment Project of the City of Chicago, Illinois, as of and for the year ended December 31, 2023, and the related notes to the financial statements, which collectively comprise the Project's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Roosevelt/Racine Redevelopment Project of the City of Chicago, Illinois, as of December 31, 2023, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City of Chicago, Illinois, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Emphasis of Matter**

As described in Note 1, the financial statements of the Roosevelt/Racine Redevelopment Project, City of Chicago, Illinois, are intended to present the financial position and the changes in financial position, of only that portion of the special revenue funds of the City of Chicago, Illinois that is attributable to the transactions of the Roosevelt/Racine Redevelopment Project. They do not purport to, and do not, present the financial position of the City of Chicago, Illinois, as of December 31, 2023 and the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City of Chicago's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

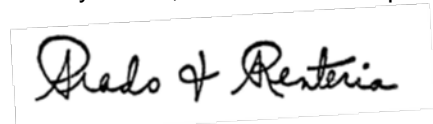

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Roosevelt/Racine Redevelopment Project's basic financial statements. The Schedule of Expenditures by Statutory Code is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, such information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

MANAGEMENT'S DISCUSSION AND ANALYSIS  
(UNAUDITED)

As management of the Roosevelt/Racine Tax Increment Redevelopment Project Area (Project), we offer the readers of the Project's financial statements this narrative overview and analysis of the Project's financial performance for the year ended December 31, 2023. Please read it in conjunction with the Project's financial statements, which follow this section.

*Overview of the Financial Statements*

This discussion and analysis is intended to serve as an introduction to the Project's basic financial statements. The Project's basic financial statements include three components: 1) government-wide financial statements, 2) governmental fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information concerning the Project's expenditures by statutory code.

*Basic Financial Statements*

The basic financial statements include two kinds of financial statements that present different views of the Project – the *Government-Wide Financial Statements* and the *Governmental Fund Financial Statements*. These financial statements also include the notes to the financial statements that explain some of the information in the financial statements and provide more detail.

*Government-Wide Financial Statements*

The government-wide financial statements provide both long-term and short-term information about the Project's financial status and use accounting methods similar to those used by private-sector companies. The statement of net position includes all of the project's assets and liabilities. All of the current year's revenues and expenses are accounted for in the statement of activities regardless of when cash is received or paid. The two government-wide statements report the Project's net position and how they have changed. Net position – the difference between the Project's assets and liabilities – is one way to measure the Project's financial health, or position.

*Governmental Fund Financial Statements*

The governmental fund financial statements provide more detailed information about the Project's significant funds – not the Project as a whole. Governmental funds focus on: 1) how cash and other financial assets can readily be converted to cash flows and 2) the year-end balances that are available for spending. Consequently, the governmental fund statements provide a detailed short-term view that helps determine whether there are more financial resources that can be spent in the near future to finance the Project. Because this information does not encompass the additional long-term focus of the government-wide statements, we provide additional information at the bottom of the statements to explain the relationship (or differences) between them.

MANAGEMENT'S DISCUSSION AND ANALYSIS  
(UNAUDITED)  
(Continued)

*Notes to the Financial Statements*

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and governmental fund financial statements. The notes to the financial statements follow the basic financial statements.

*Other Supplementary Information*

In addition to the basic financial statements and accompanying notes, this report also presents a schedule of expenditures by statutory code. This supplementary information follows the notes to the financial statements.

*Condensed Comparative Financial Statements*

The condensed comparative financial statements are presented on the following page.

*Analysis of Overall Financial Position and Results of Operations*

Property tax revenue for the Project was \$5,803,565 for the year. This was an increase of 73 percent from the prior year. The change in net position (including other financing sources) produced an increase in net position of \$6,011,772. The Project's net position increased by 87 percent from the prior year making available \$12,890,804 of funding to be provided for purposes of future redevelopment in the Project's designated area. Revenues increased this year due to the Project's economic growth and accordingly increasing the total equalized assessed value of parcels and subsequent tax increment and related collections.

ROOSEVELT/RACINE REDEVELOPMENT PROJECT

NOTES TO FINANCIAL STATEMENTS

Note 1 – Summary of Significant Accounting Policies

(a) *Reporting Entity*

In November 1998, the City of Chicago (City) established the Roosevelt/Racine Tax Increment Redevelopment Project Area (Project). The area has been established to finance improvements, leverage private investment and create and retain jobs. The Project is accounted for within the special revenue funds of the City.

The financial statements present only the activities of the Roosevelt/Racine Tax Increment Redevelopment Project and do not purport to present the financial position and the changes in financial position of any other special revenue funds of the City of Chicago, Illinois, as of December 31, 2023 and for the year then ended in accordance with accounting principles generally accepted in the United States of America.

(b) *Accounting Policies*

The accounting policies of the Project are based upon accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB).

(c) *Government-wide and Fund Financial Statements*

The government-wide financial statements (i.e., the statement of net position and the statement of activities) and the governmental fund financial statements (i.e., the balance sheet and the statement of governmental fund revenues, expenditures and changes in fund balance) report information on the Project. See Note 1(a).

(d) *Measurement Focus, Basis of Accounting and Financial Statements Presentation*

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied.

The governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting* with only current assets and liabilities included on the balance sheet. Under *the modified accrual basis of accounting*, revenues are recorded when susceptible to accrual, i.e., both measurable and available to finance expenditures of the current period. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Property taxes are susceptible to accrual and recognized as a receivable in the year levied. Revenue recognition is deferred unless the taxes are received within 60 days subsequent to year-end. Expenditures are recorded when the liability is incurred.

NOTES TO FINANCIAL STATEMENTS  
(Continued)

Note 1 – Summary of Significant Accounting Policies (Continued)

(d) *Measurement Focus, Basis of Accounting and Financial Statements Presentation (Concluded)*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from these estimates.

(e) *Assets, Liabilities and Net Position*

*Cash and Investments*

Cash being held by the City is generally deposited with the City Treasurer as required by the Municipal Code of Chicago. The City Comptroller issues warrants for authorized City expenditures which represent a claim for payment when presented to the City Treasurer. Payment for all City warrants clearing is made by checks drawn on the City's various operating bank accounts.

The City Treasurer and City Comptroller share responsibility for investing in authorized investments. Interest earned and fair market value adjustments on pooled investments are allocated to participating funds based on their average combined cash and investment balances. Since investment income is derived from pooled investments, the fair value measurement and fair value hierarchy disclosures of GASB 72 will not be separately presented in a note disclosure.

The City values its investments at fair value or amortized cost. U.S. Government securities purchased at a price other than par with a maturity of less than one year are recognized at amortized cost.

*Deferred Inflows*

Deferred inflows represent deferred property tax revenue amounts to be recognized as revenue in future years in the governmental fund financial statements.

*Capital Assets*

Capital assets are not capitalized in the governmental fund but, instead, are charged as current expenditures when purchased. The Government-wide financial statements (i.e., the statement of net position and the statement of activities) of the City includes the capital assets and related depreciation, if any, of the Project in which ownership of the capital asset will remain with the City (i.e., infrastructure, or municipal building). All other construction will be expensed in both the government-wide financial statements and the governmental fund as the City nor Project will retain the right of ownership.

(f) *Stewardship, Compliance and Accountability*

*Illinois Tax Increment Redevelopment Allocation Act Compliance*

The Project's expenditures include reimbursements for various eligible costs as described in subsection (q) of Section 11-74.4-3 of the Illinois Tax Increment Redevelopment Allocation Act and the Redevelopment Agreement relating specifically to the Project. Eligible costs include but are not limited to survey, property assembly, rehabilitation, public infrastructure, financing and relocation costs.

The maximum reimbursable amount is set forth in each agreement. If the total project cost is lower than the project budget established in the agreement, the reimbursable amount will be prorated.

Note 2 – Operating Transfers In

During 2023, in accordance with State statutes, the Project received \$4,000,000 from the contiguous Western/Ogden Redevelopment Project to fund the Redevelopment Agreement with the BJ Wright Preservation LP for the Barbara Jean Wright Apartments located at 1354 South Morgan Street.

Note 3 – Tax Abatement Agreement

GASB Statement No. 77, Tax Abatement Disclosures ("GASB 77"), requires governments that enter into tax abatement agreements to disclose: (1) brief descriptive information concerning the agreement; (2) the gross dollar amount of taxes abated during the period; and (3) commitments made by government, other than to abate taxes, that are part of the tax abatement agreement.

The City uses tax increment financing to pay for (or reimburse) developers for the costs of the TIF-funded improvements pursuant to the terms and conditions of the redevelopment agreement entered into by the City and the developer.

Under the terms of a redevelopment agreement, the Project paid a developer \$2,000,000 during the year ended December 31, 2023.

INDEPENDENT AUDITOR'S REPORT

The Honorable Brandon Johnson, Mayor  
Members of the City Council  
City of Chicago, Illinois

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of Roosevelt/Racine Redevelopment Project of the City of Chicago, Illinois, which comprise the statement of net position and governmental fund balance sheet as of December 31, 2023, and the related statement of activities and governmental fund revenues, expenditures and changes in fund balance for the year then ended, and the related notes to the financial statements, and we have issued our report thereon dated June 27, 2024.

In connection with our audit, nothing came to our attention that caused us to believe that the Project failed to comply with the regulatory provisions in Subsection (q) of Section 11-74.4-3 of the Illinois Tax Increment Allocation Redevelopment Act and Subsection (o) of Section 11-74.6-10 of the Illinois Industrial Jobs Recovery Law as they relate to the eligibility for costs incurred incidental to the implementation of the Roosevelt/Racine Redevelopment Project of the City of Chicago, Illinois.

However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the Project's noncompliance with the above referenced regulatory provisions, insofar as they relate to accounting matters.

This report is intended for the information of the City of Chicago's management. However, this report is a matter of public record, and its distribution is not limited.
