Borrower Application Instructions

This page provides instructions for the borrower to use in completing the Application Affidavit. The borrower attests to the truth of all information that he/she writes in as well as to the truth of all statements on the Application Affidavit pre-printed on the form.

Question #1

- a) Print the full name of each person applying for the Mortgage Credit Certificate. Each name appearing on your Mortgage loan application should be included on the application for the Mortgage Credit Certificate. All information for both spouses in a married couple must be included on the application, even if only one spouse is applying for the MCC and Mortgage loan.
- b) Print your current address.
- c) Print your home and work telephone numbers.

Question #2

Print the address of the home that is being purchased. Include the last two-digits of the zip code in the space provided. Check the box appropriate for the number of units in the Residence being purchased.

Question #4

Check box a) if you are buying a home in a Target Area. Check box b) if you ARE NOT buying a home in a Target Area.

- a) Check this box if the home you are buying is in a Target Area. Check the appropriate box to indicate whether you are a first time homebuyer. A first-time homebuyer is an individual who has not had an Ownership interest in his/her primary Residence(s) any time during the preceding three years.
- b) Complete this section only if the Residence being purchased is not located in a Target Area by placing an 'x' in the space provided.

Question #5

If the Residence is not located in a Target Area, attach copies of each Applicant's Federal Income Tax Returns for the prior 3 years. Your Federal Income Tax Returns should show that you did not claim deductions for mortgage interest and/or real estate taxes on your primary Residence. Any deductions taken for mortgage interest and/or real estate taxes must have been claimed for rental income property only. If you filed a 1040EZ, 1040, or 1040A and cannot produce a copy for any of the three years, you may submit an IRS "Letter 1722". This is a request for the IRS to verify information reported on your filed Federal Income Tax Return. The form is available by in-person request only at:

The Internal Revenue Service
230 South Dearborn Street, 17th Floor
Walk-In Service Office

Requests are usually filled in one hour.

If the "Letter 1722" indicates that you claimed deductions for real estate taxes and/or mortgage interest, you are required to submit copies of the actual Federal Income Tax Returns and applicable Schedules that were filed with the IRS to show that these deductions were not claimed for your primary Residence. A request for copies of the Federal Income Tax Returns and applicable Schedules can be made by filing IRS "Form 4506". IRS "Form 4506" can be obtained from the Participating Lender. The IRS will take approximately 45 days to process your request and provide you with copies of your Federal Income Tax Returns.

If you were not required by law to file a Federal Income Tax Return for any year during the last three years, you must sign an Income Tax Affidavit and state the specific reason for not being required to file a Federal Income Tax Return. The Income Tax Affidavit can be obtained from the Participating Lender.

If the loan is scheduled to close between January 1 and February 15, and you have not filed your preceding year's Federal Income Tax Return, you must sign and submit the Income Tax Return Affidavit. By signing this document, you will certify that you are not entitled to claim deductions for taxes or interest on a Principal Residence for the preceding calendar year.

If the loan closing occurs after February 15, you must submit a copy of the Federal Income Tax Return for the preceding year.

Question #6

Enter the Purchase Price of the Residence you are purchasing in the space provided. This amount should not include any fees paid in connection with obtaining financing or the value of services provided by the borrower(s) and members of their family.

Question #13

Enter the amount of your household income, including the income of all individuals who will be employed and living in the Residence to be purchased. If the number of borrowers is the same as the number of household members, household income for the MCC application will be the same as income reported on the mortgage loan application. If your current income is not a good indicator of your annual income due to fluctuations in hours worked or commissions earned, etc., the total household income is computed by taking the average of all household income earned for the last four months and multiplying that amount by 12.

Provide the name and age of each household member and indicate whether or not each individual is employed.

Question #14

Each Applicant must enter the date of application completion. Each Applicant shall print and sign his/her name and record his/her social security number.

The signing of the application must be notarized by a Notary Public.

Additional Instructions

If you are purchasing an incomplete/uninhabitable Residence and will receive a Mortgage loan for the purchase and the rehabilitation, you must complete the Rider to the Application Affidavit. (An example is a FHA 203(k) Loan)

A Cosigner/Guarantor on your Mortgage loan must execute the Affidavit of Cosigner/Guarantor. A Cosigner/Guarantor cannot have an Ownership interest nor reside in the Residence being purchased.

I (We) understand that this affidavit is a material inducement to the issuance of a Mortgage Credit Certificate (an "MCC") under the MCC Program. I (we) understand that the completion and submission of this Affidavit does not assure that an MCC will be issued to me (us) and is a part of the application process under the MCC Program. If issued, the MCC will be issued in conjunction with a Mortgage loan (the "Mortgage Loan") obtained by me (us) for the purchase of a single-family Residence (the "Residence") containing one to four living units.

1. My (Our) legal name(s): _____

Current residence(s): _____ (city, state and zip)

Telephone Numbers: Work () _____ Home () _____

2. The Residence being purchased is either a single-family home, condominium, or townhouse (containing one to four living units) located in the City of Chicago at the following address: _____, Chicago, IL 606 _____

The Residence will not be used as an investment property, vacation home or recreational home and not more than 15% of the area of the Residence will be used in a trade or business. No other person shall have an Ownership interest in the Residence. I (We) understand the MCC will be immediately revoked if the Residence ceases to be my (our) Principal Residence. I (We) will immediately notify the City in writing if the Residence ceases to be my (our) Principal Residence.

4. **CHECK AND COMPLETE ONE** of the two following sections, whichever applies to you, the undersigned. If the Residence is located in a designated Target Area, complete paragraph 4A and proceed to paragraph 6. (See list of Target Areas). 15. I (We) acknowledge and understand that this Affidavit will be relied upon for purposes of determining my (our) eligibility for an MCC under the City's MCC Program. I (We) acknowledge that a material misstatement intentionally or negligently made in this Affidavit or in any other statement made by me (us) in connection with an application for an MCC will constitute a federal violation punishable by a fine of \$10,000. Notice of Potential Recapture on Sale of Home

Reservation No.: _____

Name of Applicant: _____

Social Security No.: _____

Because you are receiving a Mortgage Credit Certificate with your Mortgage loan, you are receiving the benefit of a credit against your federal income taxes. If you sell or otherwise dispose of your home during the next nine years, part or all of this benefit may be "recaptured". The recapture is accomplished by an increase in your federal income tax for the year in which you sell your home. The recapture only applies, however, if you sell your home at a gain and if your income increases above specified levels.

The recapture was enacted in 1988. According to the United States General Accounting Office, the purpose of the recapture is to retrieve the subsidy from owners who experience rapid income increases after purchasing their homes and, as a result, do not need the subsidy to remain homeowners. If your income does not increase more than five percent per year, you will likely not incur a recapture liability.

You may wish to consult a tax advisor or the local office of the Internal Revenue Service at the time you sell your home to determine the amount, if any, of your actual recapture tax. (See Section 143(m) of the Internal Revenue Code generally.) Along with this notice, you are being given additional information that will be needed to calculate the recapture tax.

The undersigned Mortgagor(s) has (have) received and read a duplicate copy of this Notice of Potential Recapture Tax on Sale of Home and the accompanying three page Notice to Borrower(s) of Maximum Recapture Tax and of Method to Compute Recapture Tax on Dispositions of Home.

Maximum Recapture Tax and Computation of Tax Amount

Maximum Recapture Tax and Method for Computing Recapture Tax on Dispositions of Home

If you receive a Mortgage Credit Certificate (“MCC”) and sell or otherwise dispose of your home financed in connection with the MCC within 9 years, following the date of issuance of the MCC, you may be subject to a “recapture tax”. Pursuant to Section 143(m) of the Internal Revenue Code of 1986 as amended (the “Code”), a portion of the tax savings from MCC tax credit can be recaptured in the form of an additional tax at the time the home is sold or disposed of.

This summary is believed accurate but is qualified in its entirety by reference to Section 143(m) of the Code. The provisions of Section 143(m) may be amended at any time and could result in higher or lower recapture than described in this notice. If you have any concerns about the recapture tax you should contact your tax advisor or the Internal Revenue Service.

Exceptions, Limitations and Special Rules

- a) No recapture tax is due if you dispose of your home later than nine years after you close your Mortgage loan.
- b) No recapture tax is due if your home is disposed of as a result of your death.
- c) No recapture tax is due if you transfer your home either to your spouse or to your former spouse incident to divorce and you have no gain or loss included in your income under section 1041 of the Internal Revenue Code.
- d) No recapture tax is due if you dispose of your home at a loss.
- e) No recapture tax is due if your MCC was issued for a home improvement loan.
- f) If you give away your home (other than to your spouse or former spouse incident to divorce), you must determine your actual recapture tax as if you had sold your home for its fair market value.
- g) If two or more persons own a home and are jointly liable for the subsidized Mortgage loan, the actual recapture tax is determined separately for them based on their interests in the home.
- h) If you repay your loan in full during the 9 year recapture period and then sell your home during this same 9 year period, your holding period percentage will be calculated using the date of repayment, not the date of sale or disposition.

Actual Recapture Tax

The maximum recapture tax that you may be required to pay is the Federally Subsidized Amount, as defined below. The actual amount of recapture is the lesser of the following two calculations:

1. The Federally Subsidized Amount (defined below) multiplied by the Holding Period Percentage (defined below), and then multiplied by the Income Percentage (also defined below).

- OR -

2. The gain realized on the sale or disposition multiplied by 50%.

Federally Subsidized Amount

The federally subsidized amount is calculated by multiplying the highest principal loan amount by 6.25 per cent.

Holding Period Percentage

<i>No. Of Years</i>	<i>Corresponding Holding Period percentage is :</i>
<i>After Purchase that Disposition Occurred:</i>	
During the first year	20 %
During the second year	40 %
During the third year	60 %
During the fourth year	80 %
During the fifth year	100 %
During the sixth year	80 %
During the seventh year	60 %
During the eighth year	40 %
During the ninth year	20 %

Income Percentage

To determine the income percentage, compare your modified adjusted gross income to the limits determined using the following chart. Modified adjusted gross income (“MAGI”) is defined as adjusted gross income as shown on your IRS Form 1040 plus tax-exempt interest you earned less gain on the sale or disposition of the Residence.

No recapture tax if MAGI is equal to or less than the following limits. The limits are the percentage below multiplied by the Income Limit in effect on the date the MCC Number of Years was issued. When considering the Income Limit, consider the family size and whether or not the home was in a Targeted Area.

Disposition Occurred:

During the first year	100% of Income Limit
During the second year	105% of Income Limit
During the third year	110% of Income Limit
During the fourth year	116% of Income Limit
During the fifth year	122% of Income Limit
During the sixth year	128% of Income Limit
During the seventh year	134% of Income Limit
During the eighth year	141% of Income Limit
During the ninth year	148% of Income Limit

If your MAGI does not exceed the amount you calculated using column 2 above, you do not need to make any more calculations. If your MAGI exceed the amount calculated using column 2, and the difference is \$5,000 or more, your Income Percentage is 100%. If the difference is greater than zero but less than \$5,000, it must be divided by \$5,000. This fraction, expressed as a percentage, represents your Income Percentage and should be rounded to the nearest whole percentage point. If the result contains less than one half of a percentage point, round down. If the result contains more than one half of a percentage point, round up.

165 contract and the earnest money shall be deposited in the escrow and the Broker shall be made a party to the escrow with regard to commission due. The cost of the
166 escrow shall be divided equally between Purchaser and Seller.

Seller's Affidavit

Name of Applicant: _____ Social Security No.: _____

THERE ARE IMPORTANT LEGAL CONSEQUENCES TO THIS AFFIDAVIT. READ IT CAREFULLY BEFORE SIGNING.

1. I (We), the undersigned, an essential participant in the application for a Mortgage Credit Certificate ("MCC") to be issued by the City of Chicago, Illinois (the "Issuer"), pursuant to its Mortgage Credit Certificate Program, Series 2022 (the "Program"), being submitted by _____ (**the "Buyer"**), in connection with the Buyer's purchase from the undersigned of a single-family home, condominium, townhouse or housing cooperative (containing one to four living units), as applicable (the "Residence"), being first duly sworn, hereby state the following:
2. I (We) am (are) the Seller of the Residence located in the City of Chicago, Cook County, at the following address:
_____.
3. The Residence is a residence comprising a single-family home, condominium, townhouse or housing cooperative, containing one to four living units.
4. **The total Purchase Price for the Residence and the land appurtenant thereto will be \$_____.** For this purpose, "total Purchase Price" includes the cost of acquiring the Residence as a complete unit from me (us). "Total Purchase Price" includes amounts paid by or on behalf of the Buyer for (i) the Residence, (ii) items attached to the Residence (such as carpeting, curtain rods, and light fixtures), (iii) commissions and builder's or architect's fees, (iv) site improvements, (v) fees for permits (including hook-up and tap-in fees), (vi) the capitalized value of ground rent, (vii) subcontracted items, (viii) construction loan interest and (ix) points if the points are paid by the Seller.

"Total Purchase Price" does not include (i) title and transfer costs, survey fees, title insurance, appraisal fees, legal fees, credit reference fees, points if paid by the Buyer, but only to the extent that such costs do not exceed the usual and reasonable costs that would be paid in this area for a mortgage loan not covered by an MCC, (ii) the uncharged value of work performed by the Buyer or the Buyer's immediate family (parents, grandparents, spouse, siblings or children or grandchildren), or (iii) the cost of land owned by the borrower for at least two years before commencement of construction of the Residence.

Apart from any customary real estate agents' commissions, no money is being paid, no promissory note is being delivered, nor is anything else of value (including, without limitation, personal property) being exchanged for or transferred to me (us) or any other persons by the Buyer or, to my knowledge, by any other person in connection with the purchase of the property, except as indicated in the escrow and settlement documents.

I (we) have not entered into any agreement with the Buyer, the developer, the contractor, or any other person pursuant to which any portion of the Residence has been left unfinished or any fixtures or other necessary architectural appointments have been omitted or removed from the Residence in order to reduce the Purchase Price of the Residence.

5. No side deal or agreement, either verbal or written, is in place or contemplated for the completion of or the addition to the Residence unless the actual, reasonable estimated cost of the completion or addition is included in the Purchase Price stated above.
6. The land sold to the Buyer along with the Residence only maintains the basic livability of the Residence and does not provide, other than incidentally, a source of income to me (us). [This provision is not applicable to the acquisition of a condominium or housing cooperative or other purchase where no additional land is sold to the Buyer.]
7. If the Residence was occupied by the Buyer prior to Closing the Mortgage Loan, the rent charged by Seller did not exceed a fair market rent.
8. At no time prior to the date hereof has there been a mortgage on the Residence (whether in the form of a deed of trust, conditional sales contract, pledge, agreement to hold title in escrow or other form of owner financing) securing a loan to the Buyer, other than a construction loan, construction bridge loan or other temporary initial construction financing initially incurred for the sole purpose of acquiring the Residence and initially incurred within twenty-four months from the date of execution of the Buyer's permanent Mortgage and having an original term not exceeding twenty-four months.
9. Except for a two-family Residence in a Target Area, if the Residence is a two- to four-family Residence, it was first occupied for residential purposes at least five years prior to the execution of the Mortgage loan being used for the purchase of the Residence.
10. **I (We) acknowledge and understand that this Affidavit will be relied upon for purposes of determining the Buyer's eligibility for an MCC. I (We) acknowledge that a material misstatement negligently made in this Affidavit or in any other statement made by me (us) in connection with the Buyer's MCC will constitute a federal violation punishable by a fine. I (We) further acknowledge that any material misstatement fraudulently made in this Affidavit or in any other statement made by me (us) in connection with the Buyer's application for an MCC will constitute a federal violation punishable by up to a \$10,000 fine and revocation of the certificate, which will be in addition to any criminal penalty imposed by law.**
11. In addition, I (we) hereby acknowledge and understand that any false pretense, including false statement or representation, or the fraudulent use of any instrument, facility, article or other valuable thing or service pursuant to participation in the program, may be punishable by imprisonment or by a fine.
