RE: **EMERGENCY PURCHASE OF MASONRY MATERIALS –
YELLOW BUTTER BRICK – CERAMIC GLAZED SHADE 4163**
RX #: 26814

Dear Ms. Lumpkin:

The Department of Transportation, Division of In-House Construction (Streets) is requesting an emergency purchase of 2,000 – Yellow Butter Brick – Ceramic Glazed Shade# 4163 to be used by CDOT in the amount of \$3,000. This amount should satisfy CDOT's, Division of In-House Construction, requirement until the new contract is awarded. Without this material the Bridge Maintenance Programs will not be able to be completed and would create hazardous conditions to the general public. This item is used to replace deteriorated walls on the bridge houses.

The Department of Transportation is working in conjunction with the Department of Procurement Services to develop Specification# 40371 for a contract to purchase Various Concrete Blocks. Presently no contract exists to purchase this item.

CDOT's request for the materials above is based on the enclosed price quote from Rauch Clay Sales Corporation. CDOT has requested quotes (3) vendors and (2) can not supply us with the exact desired material.

Rauch Clay Sales \$ 1.50 / brick
Illinois Brick - not available in color
Elgin Butler - no response

See attached, CDOT recommends that this emergency purchase be awarded to Rauch Clay Sales Corporation who can start delivery within 24 hours after approval.

If additional information is required, please contact Lou Langone at 312-744-5717. Your help in expediting our request at your earliest convenience will be greatly appreciated.

Sincerely

Cheri Heramb
