MEMORANDUM

Date: March 9, 2009

To: Montel M. Gayles
Chief Procurement Officer, Department of Procurement Services

From: Richard M. Monocchio
Commissioner, Department of Buildings

Re: Request for Emergency Authorization

The Department of Buildings requires the services of a wrecking contractor to demolish the buildings at 9523 S. Yale Ave. The demolition is necessary due to the front building is structurally unsound and in danger of collapse. The rear coach house has sustained severe fire damage and thus, has also become structurally unsound. Both buildings pose a hazard to the surrounding community. Accordingly, the Department of Buildings is requesting authorization for this purchase in the amount of \$9,600.00.

Attached please find the price quotations that we obtained. We are recommending Spirit Wrecking & Excavation, Inc. as they are the lowest responsible bidder.

Please contact Donald Mitchell at (312) 743-3556 if you have any questions.

I certify that this emergency poses a clear and imminent danger, requiring immediate procurement of services, supplies or equipment to prevent or mitigate the loss or impairment of life, health, property, or essential public services and would not have been avoided by due care and diligence.

Thank you for your assistance.

Richard J. Monocchio
