MAYOR

JAMIE RHEE
CHIEF PROCUREMENT OFFICER

OFFICE OF THE MAYOR
CITY OF CHICAGO

RAHM EMANUEL
MAYOR

2014

Dear Vendors:

Thank you for your interest in doing business with the City of Chicago. Everyone involved in the City's procurement process – from the operating departments to the Department of Procurement Services – is committed to providing information, resources, and tools to assist you in your efforts to compete for City of Chicago contracting opportunities. This Buying Plan is designed to provide a 15 month contract opportunity outlook for your business development.

Each year, we continue to work to become a better customer. Whether that effort includes revamping our specifications to make our requirements easier to understand, reaching out to the primes and subcontractors to assist them in forging working relationships, or streamlining the procurement process to get contracts in place more quickly, while also working to improve our contract administration so that you get paid promptly and completely, we are working hard to earn your participation and trust. Several new initiatives to increase contract participation by small business have been put in place which includes the Small Business Initiative, the Diversity Credit Program and Mentor Protégé Program.

We invite you to stay in touch with us by signing up for our DPS Alerts to receive the most current Bid Announcements. Go to www.cityofchicago.org/dps and submit your email address for weekly updates, and follow DPS on Facebook (www.facebook.com/Chicago) and Twitter (@ChicagoDPS) for the most up-to-date bid advertisements and news. You will also be alerted of all upcoming free workshops, such as: *Meet the Department of Procurement Services*, *Doing Business with the City of Chicago*, *How to Navigate the DPS Website*, and *How to Come Certified*.

We hope that you will use this guide, and choose to become involved in the business of the City of Chicago. Thank you in advance for your time and good work, and for making our city a better place to live and raise families.

Sincerely,

Rahm Emanuel, Mayor

The Department of Procurement Services is committed to providing information, resources and tools to assist you in your efforts to compete for City of Chicago contracting opportunities. Summarized in this Buying Plan are over 300 potential opportunities for goods and services required for use by 27 departments such as Department of Transportation, Fleet and Facility Management, Department of Finance and the Office of Emergency Management and Communications. We encourage you to use this guide and the resources on our website as you prepare your business to compete for these and many other opportunities.

Competitive bidding is the primary method for obtaining solicitations. In general, solicitations will be requested through a document called a Bid, Request for Proposal (RFP), or Request for Qualifications (RFQ). Interested businesses should respond to the document by following the instructions detailed therein. Bid solicitations are published in the *Chicago Sun-Times*.

Many City contracts will include opportunities for businesses to work as prime contractors or as subcontractors (i.e., contracting directly with the City, prime, or another subcontractor to perform a distinct portion of the contract). Subcontracts enable smaller companies to participate in large City contracts. The City encourages companies to participate in the development of small business in the City of Chicago.

Also, pre-bid and pre-proposal meetings provide the perfect opportunity for prime and subcontractors bidding on a project to learn about contractual requirements and project specifications. It is also a great venue to network and discuss opportunities to work with each other. Information about the time and location of pre-bid and pre-proposal meetings will be located in each advertisement and is available at www.cityofchicago.org/procurement.

How to Use this Buying Plan

1. Potential contracting opportunities are divided into the 7 functional categories listed below. The opportunities are listed chronologically according the anticipated quarter for solicitation advertisement. The categories include:

- Architecture & Engineering
- Construction
- Small Orders
- Work Services
- Commodities
- Professional Services
- Vehicles & Heavy Equipment

SPECIAL DESIGNATIONS

- ▶ **Denotes "SBI":** The Small Business Initiative ("SBI") is a Construction Program with the goal of awarding City construction contracts valued at \$3,000,000.00 or less (SBI 1) or \$2,000,000.00 or less (SBI 2) solely to Small Local Business Enterprises. To date, 30 contracts valued at nearly \$50 million have been awarded to these businesses.
- ◆ **Denotes "Target Market" Program:** Opportunities designated Target Market are bid solely to afford Minority Business Enterprise an opportunity to compete for City Business. The program is restricted to businesses that are certified with the City of Chicago as Minority Business Enterprise (MBE) or Women Business Enterprise (WBE).

2. Review the prospective opportunities for your planning and development process; use this information as well as information from our Website to plot your course to competing for public contracts.

Vendor FAQs

Q: What is a bid specification?

A: A specification is a formal statement of the City's needs. It will describe in detail what goods and/or services are required, and will explain the procedures that must be followed to respond to a specification or RFP/RFQ (Request for Proposal/Request for Qualifications).

Q: How do I bid on a City contract?

A: After you've identified the specification you'd like to bid on, the next step is to complete your price quotation and provide all information requested in the bid/proposal documents. All information provided must be typed or written in ink.

Be sure that your bid/proposal is correct and that it is signed and notarized in the appropriate places (e.g. corporation, partnership, sole proprietorship). You must also be sure that all other signatures have been sworn to where required. Note: you must submit ORIGINAL SIGNATURE documents; photocopied signatures will result in disqualification of the entire bid package.

Q: What if I have a question while I am filling out my specification documents?

A: The name and telephone number of the Procurement Specialist is indicated on the cover sheet of each specification. They may be contacted for assistance.

Q: When are bids opened?

A: Bids are opened and read publicly at 11 a.m. on the date indicated on the specification; Respondents of RFPs/RFQs are announced publicly at 4 p.m. The public is invited to attend all bid/proposal openings held in the Bid & Bond Room, 3rd floor lobby, City Hall. Please note that late bids and/or RFPs/RFQs may not be accepted.

Q: Can I have bid opportunity list and specifications faxed to me?

A: Due to the volume of requests, we cannot fax bid opening lists or specifications. However, most bid information is available to download on our website at www.cityofchicago.org/bids. Construction Specification documents must be picked up at the Bid & Bond Room, City Hall, Room 301 or delivery can be arranged by calling the Bid & Bond Room at 312-744-9773.

Q: What disqualifies a bid?

A: You should read the specification document very carefully and follow all instructions. This is the best way to keep from having your bid disqualified. Late bids are not accepted and automatically disqualified. In general, bids and RFPs/RFQs can also be disqualified for the following reasons:

- Late submittals
- Missing information and/or signatures
- Photocopies instead of originals

Note that this list is provided as a guide and should not be considered all-inclusive.

Q: Can I still bid on City contracts if I live out of state?

A: Yes. If you don't live or work in Cook County, you may still bid on City contracting opportunities. If you wish to obtain contracting opportunities, you may call the Bid & Bond at 312-744-9773 for instructions on how to arrange at your expense to have your documents picked up by a courier service of your choice or you can Fax a request to 312-744-5611 with a prepaid air bill and a cover letter containing a copy of your business card and the contracting opportunities you want sent back to you. Please call 312-744-9773 to verify receipt of your request or if you have additional questions regarding these instructions.

Q: Do I need to be certified/pre-qualified/pre-registered before I bid?

A: Not usually. If you can provide the goods and/or services requested in the invitation to bid, you may bid on the specification. However, specifications that are identified as Target Market Program are restricted to businesses that are certified with the City of Chicago as Minority Business Enterprise (MBE) or Women Business Enterprise (WBE).

Q: How does the City process payments to vendors?

A: Each user department will process payment of approved invoices. The invoicing procedure is included in each specification document.

Q: How can I get new information about a specification after I've already picked it up?

A: When you pick up a specification, you will be asked to leave a business card. The reason for this is so we can get in touch with you if there is a change. Any updates, changes, etc. will be sent to you via your contact information on your business card. You may also check www.cityofchicago.org/bids at anytime to download those updates when they're posted.

Q: How can I find out about upcoming projects? Which ones should I bid on?

A: There are a number of ways to find out about upcoming bids:

- **Check the bid opening list on-line** and/or pick up the bid opening list at City Hall, Bid & Bond Room, 3rd floor lobby.
- **Sign-up for DPS Alerts**, a weekly email that notifies vendors of upcoming bid and RFP/RFQ contracting opportunities and other pertinent information, such as the DPS 2013 Workshop Schedule.
- **Look in the Chicago Sun-Times** every Monday, Wednesday and Friday; if you see a project that corresponds with the commodities or services you can provide, visit our website and download the specification documents or come to the Bid & Bond Room and pick up the specifications.
- **Follow DPS on Social Media.** DPS updates Facebook (www.facebook.com/ChicagoDPS) and Twitter (www.twitter.com/ChicagoDPS) accounts with the latest advertisements of procurement advertisements, addenda and other updates.

City of Chicago Assist Agencies

Assist Agencies are comprised of not-for-profit agencies and/or chamber of commerce agencies that represent the interest of small, minority and/or women owned businesses.
