Subject: Attendance at United Airlines DNC Event

Hi Steve. I am reporting my attendance at a DNC-related event hosted today by United Airlines. The event was an open house in United's space in Willis Tower, and was attended by officials from United, City and elected officials, and other local community representatives. Commissioner Rhee and I attended in our official capacity for CDA, and we were the only CDA officials who attended. The invite I received is below.

Please let me know if you need any more info.

Thanks.

Good afternoon, Amber

I hope this finds you well! We've not yet formally met, but I've recently joined United's CRE team and am supporting Sandy on O'Hare-related work streams. I understand we have a call later this week, so look forward to meeting you.

I'm reaching out as a follow up to the invitation you've received for the open house United is hosting at Willis Tower on Aug 20th in conjunction with the DNC. The event will be attended by a number of senior leaders within the Chicago community, as well as our executives and some members of our Board of Directors. We would love to have you join us for the occasion. A copy of the invitation you should have received is included. Please let us know if you will be able to attend.
