Subject: Gift Received

Good morning,

My name is Luis Ruiz a supervisor with the Department of Business Affairs and Consumer Protection Enforcement Division.

This morning our department received a gift box that contained fruit, cookies and nuts, I already made contact this morning with the Ethics department and was informed to set out the items on a general table location as well to make contact by email with the Department of Ethics and Finance department to update on the received gift.

I apologize in advance if I did not send this to the correct person(s).

Luis Ruiz
