Subject: Getty African American Visual Arts Archives Convening

Hi Steve,

I've been invited to Los Angeles to attend the Getty African American Visual Arts Archives Convening. The purpose of this invitation is to gather members of the inaugural cohort of this initiative to discuss progress of the work that this initiative is supporting. Harsh, on behalf of CPL, was awarded a grant by Getty in 2023 to support the "Magnitude and Bond" project out of Harsh that aligns with this initiative. The convening is on Monday, July 8th-Tuesday, July 9th. Getty Foundation is covering the cost of airfare and hotel expenses as well as any related expenses they are allowed to cover according to City of Chicago policies. Other expenses will be submitted to OBM for payment. Is it OK to accept this invitation and attend the convening?

Thank you!

Jordan
