Hi Steve,

I'm writing to not the completion of my travel to the NACCHO360 conference in Detroit, July 22-26th in my official capacity as a CDPH representative.

The trip was sponsored/paid by NACCHO (National Association of County and City Health Officials) for leaders of the CDC OT21-2103 Health Disparities grant. I gave a presentation on our Healthy Chicago Equity Zones model (no honorarium received) and participated in a City/Rural relationship building partnership program. Throughout the conference, I had an opportunity to learn, network, share experiences, and best practices with other local health departments. Swag was less than \$50 and consisted of a fabric tote bag and plastic water bottle.

Transportation to/from the conference, hotel stay, meals, and conference registration between the dates of July 22-26 are at no cost to sponsored attendees.

Thanks,

Genese (Genny) Turner, MIPS
