Hello Steve,

Below is an email exchange I had with a vendor who supplied Sulzer Regional with a small selection of non-alcoholic samples for a program that I will be conducting in August 2024 called Sober Curious, Sober Serious.

I wasn't sure if it was necessary or not to report this donation, so I am letting you know.

Please let me know if you need more information.

Thank you!

Good morning, Carolyn:

Thanks for following-up to our chat at WFM Lincoln Park. I am glad to know your program will be offered at Sulzer in the near future!

Regarding your question about a Grüvi wines sample pack, I can provide you with samples at no cost. The most immediate way for you to get 'em -- and the most convenient way for me to provide you with samples -- is for you to meet me at the [Ravenswood Community Farmers Market](#) (4900 N Damen Ave, in the church parking lot) on Wednesday 6/5 anytime during 4-8 PM. I am there during the first Wednesday of each month to offer complimentary samples of Grüvi's beers & wines to Market shoppers (Grüvi is one the Market sponsors). Is that feasible for you? If not, I have several retail demos scheduled this month so I can share that list of dates, times and locations with you.

Cheers,

Jim Javenkoski

Hello Jim!

I'm not sure if you remember me or not, but I met you when you were doing a tasting for Gruvi at the Whole Foods in Lincoln Park a while back. I work at the Sulzer Regional Library. I talked to you about my Sober Curious, Sober Serious program that I will be presenting at Sulzer. At this point, it will either take place in mid-August or Mid-October.

I was wondering if Gruvi has a sample pack of their wines? I already have a sample pack of nonalcoholic beers so I'm set there. I really love the Dry Secco and Rose. I haven't tried the Sangria yet. I'm not sure if there are any other products besides the ones I have mentioned.

Any information would be appreciated.

Thank you!
