Hi Steve and Lisa,

Hi, per my previous notice, I attended the Casablanca Smart Cities 2024 conference as a guest of the Ville de Casablanca from June 4 to June 6, 2024. As previously noticed, the Ville paid for my flight, ground transportation, a 3-night hotel stay and breakfast and lunch. I spoke on a panel at the conference without any honorarium or other gifts.

Thank you

Jared

Subject: Third-Party Conference Expenses Approval Request

Hi Steve and Lisa,

Hope you are doing well.

I am seeking Board of Ethics approval for attendance at the Casablanca Smart Cities Conference in Casablanca, Morocco from June 5-7, where certain expenses will be covered by the Ville (City) de Casablanca. City DOE was asked to send a representative with subject matter expertise to the convening by World Business Chicago and Chicago Sister Cities International. Casablanca is one of Chicago's sister cities.

Chief Sustainability Officer Angela Tovar has asked me to attend on behalf of DOE. The convening is held annually in order to bring experts together to discuss methods of meeting the UN Sustainable Development Goals. See this website for more information: <https://www.casablancasmartcity.com/>

The City of Casablanca has approved covering round trip airfare between Chicago and Morocco. Airfare will be booked by the City of Casablanca's economic development entity, Casa Events et Animation. The City will also directly cover the cost of 3 nights in a Casablanca hotel (Radisson Hotel Gauthier Casablanca La Citadelle), ground transportation, and meals during the workshop. I would depart for the conference on the afternoon of June 3 and return on June 7.

Let me know if you need anything else and, if approved, I will report any expenses covered as outlined above within 10 days.

Best,
Jared
