Hello Mr. Superfine,

I am writing to confirm my attendance and participation at the IT and Digital Innovation Forum in Dallas, TX, June 12-13. I had the opportunity to engage and collaborate with industry leaders on technology solutions and systems that align with our city's strategic focus on innovation and technology, including governance around the utilization of Artificial Intelligence (AI). The GDS Group provided flight, transfers from airport to venue, accommodation, and F&B throughout the summit.

I am appreciative for the chance to represent our organization at this event and for the invaluable insights and knowledge I gained. I sincerely appreciate your support in this endeavor.

Have a great day!

Best

Regards,

**Rod Warren**
