Hi Steve,

Just realized this was in my draft (facepalm)

Per our last conversation,

I am writing to let you know that the Alderman and I have returned from our trip with the Civic Fellows Program.

As discussed, here are the details:

We attended the Civic Fellows Program in our official capacity.

The details are as follows:

Where: Paris, France, & Barcelona, Spain

When: April 4th-15th

Expenses were covered by the Civic Fellows program.

Topics we covered included, but not limited to:

- History
- Architecture
- ArgoEco Districts
- Environmental Justice
- Landscape Design
- African presence in Paris and Barcelona

Please let me know if you need anything else.

Thanks in advance.

Best,

Brandon B.
