Subject: Gifts to city public free event

Hello Lauren and Chasse,

Attached, please find records of donations for a free community event, officially endorsed and co-organized by many city offices of elected officials, including the 25th and 14th police districts, 26th ward and 8th cook county commissioner.

Here is the facebook event: <https://www.facebook.com/events/1203185210599263>

I already used the \$200 in gift certificates from Cermak Produce at 2701 W. North Ave for groceries and supplies for providing free grilled meals tomorrow. The coffee and other items will be picked up from Etheria Cafe at 2800 W North Av tomorrow. I told them their donations would be tax deductible as I believe that to be the case.

I plan to take at least one picture tomorrow and can update after the event.

Best,

David Orlikoff
14th District Councilor

Hi David, this is Melanie from Etheria Cafe. So sorry for the very slow response about this weekend's community bike ride, but yes, we can definitely donate. I think we can give two carafes of coffee, water, granola bars, and all the fixings for the coffee.

Thank you so much, that is amazing!!!

8:34 PM

I think my mom will be picking it up, around 10 or 10:30 if that works?

Can you give me an estimate of the value of your donation to report to the ethics

department, and it should also be tax deductible for your business. I'll try to print your logo to have on the table and we'll make an announcement

8:36 PM

Thursday, May 16

That should work well! I think it's probably about \$65.

Awesome!
