Hi Steve,

I think I'm just in time, emailing you a follow-up that I returned from the C40 Workshop in Vancouver, Canada, from May 13-17. C40 covered the costs of the return airfare, hotel stay for 4 nights, and meals for the 3 days of the workshop from May 14-16.

Please let me know if you need anything else.

Thanks,

Cindy Chan Roubik, Deputy Commissioner, Chicago Department of Planning and Development
