Subject: Re: [Time Sensitive] Travel Request- K Woods

Hi Steve,

I hope you're doing well.

I'm following up to last week's travel to Boston in an official capacity to the CDHI Urban Heat Resiliency Design Workshop. The conveners- Data-Smart City Solutions, the African American Mayors Association, and the Environmental Defense Fund- provided lodging, housing, and meals during the workshop through funding by the Robert Wood Johnson Foundation.

If I can provide any further information, please advise.

Kyra
