Subject: Accounting for Recycling Partnership conference travel

Dear Steve,

Please be advised that from October 8 - 11 I travelled to Kansas City in my official capacity to attend the Recycling Partnership's Pivot summit, and my travel expenses were paid by the Recycling Partnership.

Sincerely,

Carter O'Brien

Robert Carter O'Brien, MS

Assistant Commissioner - Recycling & Materials Management

City of Chicago | Department of Streets and Sanitation

WHERE DOES YOUR RECYCLING GO?

Check out the new story map at
ChicagoRecycles.org

See the journey of your recyclables from the point of pick-up! The story map answers all your recycling questions.

- Who picks up your recycling?
- Where do recyclables go to be sorted?
- How many tons of recyclables are collected?
- Where do the recyclables go to be processed into new materials for reuse?
