[Warning: External email]

Dr. Ige,

Lawndale Christian Health Center is celebrating 40 years of showing and sharing the love of Jesus by promoting wellness and providing quality, affordable health care to Lawndale and our neighboring communities. Our gala will be on September 20th @ Soldier Field. Theme: Honoring the past. Celebrating the present. Reaching for the Future. Dr. Ezike will be our keynote speaker. Other speakers include Kevin Warren and Pat McCaskey of the Chicago Bears. This will definitely be a fun night.

I would be honored if you would be my special guest.

I have until September 8th to submit my guest list. Please click the link below for more details.

Thanks so much. I hope you will accept my invitation.
