Subject: Re: Confidential - RE: Join us at The 78

Hi Richard,

I (and none others from the Mayor's Office, to my knowledge) attended the event on Monday afternoon (9/16). We were transported by boat from near the Wrigley Building down to the 78 site, where there were a few speeches and a small panel discussion about the potential stadium location. There were small amount of food (hot dogs, fruit) and the event was co-sponsored by Related Midwest and the White Sox. Rather than take the boat back downtown at the end of the event, I walked home, as I live relatively close to the location.

Let me know if anything else is needed!

Best,

Ethan
