Steve –

Further to the below, Nate Wackman and I attended a Miller Shakman roundtable today. Please let me know if you need anything else from us on this.

Best,

Deborah

Steve -

Erring on the side of caution sending this your way - I, in my official capacity (and Nate Wackman, in his), are periodically invited to a recurring public policy roundtable discussion hosted by Miller Shakman. Lunch is provided.

Please let me know if you need anything else from us on this.

Best,

Deborah
