Hi Steve,

Karen and I went to St. Louis for a leadership training by NACCHO who paid for our travel, lodging and per diem. We returned on Thursday 8/29/24. We only received educational material from the training.

Please let me know if you need anything else. We are working with our travel coordination team for reimbursement of per diem and ground transport costs.

Best,

Christy

Subject: 3rd Party Scholarship for Training

Hi Steve,

Karen Branch-Crawford and I were selected to attend a 2-day in-person training sponsored by NACCHO. I attached my offer email. Attendees will be provided with a full scholarship (including the cost of training, flight, hotel accommodation for up to three nights, and per diem).

Can we accept this scholarship?
