Subject: Beacon Donuts Gift

[Warning: External email]

Hi Steve,

Alik with 43 here, I just wanted to share that Beacon Doughnuts in our Ward gave us two boxes of donuts. While a gift, they were also left over from an event they were catering separately and would have been thrown out if not given to us. We have both boxes up at our front table for residents as well!

Let me know if you need anything else.

Alik
