Good afternoon Acting Comptroller Flores and Executive Director Berlin,

Today, March 6, 2025, myself, Commissioner Tovar, Commissioner Blakemore and Paula Donato accepted the following from Constellation Energy on behalf of the City:

A "deal toy" for each of us recognizing the achievement of the City's transaction with Constellation and Swift Current Energy which supplies solar energy from an Illinois solar farm.

I do not know the precise value of the toy - "deal toys" are customary in the industry to mark major transactions and primarily have sentimental value. Retail value is likely \$25 or less.

Best
