Dear Mr. McDermott and Staff,

The Law Department received the enclosed holiday card along with \$25 Lettuce Entertain You Gift Card during the holiday season. The envelope was addressed to Melinda Harville in the Corporation Counsel's Office. Please note we do not have anyone listed in our office under that name and we are returning the card and gift card to you. Furthermore, under the City ordinances, we are unable to accept the gift.

Sincerely,

Patricia Dominguez
Administrative Assistant
