Subject: Recusal

Ms. Haskin,

I am writing to recuse myself on a Zoning Change for St. Leonard's Ministries on the Zoning Committee Agenda today under Rule 14. This is #22488 and in the 27th Ward.

My father is a significant donor to St Leonard's Ministries. After consult with Mr. Berlin, I am recusing myself on this matter out of an abundance of caution.

Thank you,

Alderman Conway
