CITY EMPLOYEES AND OFFICIALS DETERMINED TO HAVE VIOLATED THE GOVERNMENTAL ETHICS ORDINANCE FOR FAILURE TO TIMELY COMPLETE 2022 MANDATORY ETHICS TRAINING

Pursuant to §§2-156-145(b), -465(b)(1) and -505 of the Governmental Ethics Ordinance, the Executive Director has determined that the following City employees and appointed officials violated the requirement to complete the 2022 mandatory online ethics training program by the deadline, which was January 1, 2023 (the deadline was extended to February 15, 2023, for those who began their City service on or after November 1, 2022). Those with an asterisk* next to their names are subject to fines of \$250 for each day that the training remained uncompleted, beginning January 23, 2023. City personnel were all provided multiple notices of their training requirement and the consequences of missing the deadline.
