(2) Foreclosed Properties

Upon the acquisition of a foreclosed property by your institution, how do you comply with City requirements to maintain the landscaping and safety of the home?

Once we are able to evict any tenant or homeowner, we employ a national preservation vendor that is contracted at the local level to maintain properties in the manor required by the City of Chicago. The property condition is inspected by the listing agents and any repairs or violations noted are corrected immediately until liquidation of the property.

Who is responsible for filing the registration statement required pursuant to Municipal Code Section 13-12-125 (vacant properties)?

Fifth Third Bank property preservation group currently registers all properties in Chicago according to code.
