

Volunteer for the Chicago Point-in-Time Homeless Count

8 PM - 2 AM Thursday, January 25th, 2018 – Citywide

What?

The Point-In-Time Homeless Count provides the Department of Family & Support Services (DFSS) with a “snapshot” of Chicago’s homeless population. All persons in shelter are counted and a sample is interviewed. On the street, teams will search public spaces and streets, parks, viaducts, CTA lines, and more. Homeless persons are tallied or interviewed if possible.

Why?

The data gathered on the homeless in Chicago is required for Federal funding, for service and resource planning, and to raise public awareness about homelessness.

Who?

Anyone 18 or older can register and select one of many locations to meet that night. No experience necessary. You will be assigned to a team of 3 or 4 people with at least one person having experience. The Chicago Police Department, Department of Aviation, Park District, and CTA assist to complete the canvas.

When?

Arrive at 8PM to receive training. Teams are dispatched around 10PM and will ride along in a team members’ vehicle. The team will canvas the streets and public spaces. A team may need until 2AM to cover the assigned area and conduct the 20 minute surveys.

How?

Teams receive tally forms and surveys along with a map of a specific area in the City. DFSS also provides hats, gloves, and socks to distribute. You will be in and out of the car as you canvas 24-hour establishments and other public spaces. Dress warmly. A survey takes about 15 minutes to complete. All teams must return to the meeting site to submit all the forms.
