Key Definitions

Definitions of agencies, departments, and entities mentioned in this manual

Federal Agencies &

Immigration and Customs Enforcement (ICE): can enforce immigration laws throughout the United State. ICE is the policing arm of the Department of Homeland Security.

U.S. Citizenship and Immigration Services (USCIS): processes applications for immigration benefits.

U.S. Customs and Border Protection (CBP): can enforce immigration laws within 100 miles of any land or sea border.

ICE Warrant: directs various federal immigration enforcement agents to arrest the person named in the warrant. Because it is not issued by a judge, an ICE warrant does not give the immigration enforcement officer the authority to demand entry to a home or private space in order to make the arrest.

ICE Detainer: is a written request that a local jail or other law enforcement agency detain an individual for an additional 48 hours after his or her release date in order to provide ICE agents extra time to decide whether to take the individual into federal custody for removal purposes.

City of Chicago Agencies and Departments

Chicago Police Department (CPD): primary law enforcement agency of the city of Chicago. It is not charged with carrying out immigration enforcement.

Mayor's Office of Immigrant, Migrant, and Refugee Rights (IMRR): created in 2023 to promote the inclusion and equitable treatment of immigrants, migrants, and refugees in Chicago.

Department of Family and Support Services (DFSS): dedicated to supporting services to enhance the lives of Chicago residents, particularly those most in need, from birth through the senior years.

Office of Emergency Management (OEMC): prepares Chicago for emergencies, aids disaster recovery, mitigates impacts, and prevents or reduces disasters when possible.

Chicago Department of Public Health (CDPH): provides guidance, services, and strategies that make Chicago a healthier and safer city.

City & State Laws

Welcoming City Ordinance: law in Chicago that ensures immigrant and refugee residents are treated with dignity and respect, protecting them from discrimination and promoting inclusivity in city services.

Illinois Trust Act: State law that generally prohibits local law enforcement in Illinois from participating in immigration enforcement.

Illinois Ways Forward Act: State law that prohibits state and local governments from engaging in federal immigration enforcement and, critically, ending immigration detention in the state.

CHICAGO IS A WELCOMING CITY

Chicago is the birthplace of the Welcoming City movement in the Midwest.

In 1985, under the leadership of Harold Washington, the City's first Black mayor, Chicago took bold steps to embrace immigrants and people from all walks of life by prohibiting city officials from inquiring about citizenship status.

In 2012, Chicago passed the Welcoming City Ordinance, a landmark piece of legislation aimed at making the City more inclusive for immigrants, refugees, and people of all backgrounds.

The ordinance ensures that all residents are not denied services based on their immigration status.

It provides access to essential City services, like health care, education, and housing, without the threat of deportation.

It also limits the ways local law enforcement can cooperate with federal immigration authorities.

Being a Welcoming City isn't just a policy—it's a promise. A promise to honor the contributions of immigrants and refugees, to celebrate diversity as a strength, and to uphold the values of equity and respect that define us.

KNOW YOUR RIGHTS

WHEN INTERACTING WITH IMMIGRATION OFFICERS (ICE)

- **If you believe you are witnessing ICE activity**, please call ICIRR's 24-Hour Family Support Hotline at 1-855-HELP-MY-FAMILY (1-855-435-7693) to report it.
- **If you find yourself interacting with an ICE officer in any location including your workplace, or out in the community, remember that you:**
 - Have the right to remain silent when questioned or arrested by immigration officers
 - Should remain calm and keep your hands where the officer can see them
 - DO NOT:
 - discuss your immigration or citizenship status with the police, immigration agents, or other officials
 - sign anything you do not understand. You should state that you wish to speak with an attorney
- **If an officer knocks on your door at home:** Do NOT open the door. Teach your children not to open the door.
 - ICE officers must have a **warrant signed by a judge** to enter your home. ICE "warrants" are not signed by judges; they are ICE forms signed by ICE officers and they do not grant authority to enter your home without your consent
- **If you are outdoors and think you see immigration officers nearby:**
 - Move to a safe indoor space
 - If you are a U.S. citizen and feel safe to do so, record the activity with your phone or write down any relevant information about what you witness—ALWAYS being careful to not interfere or otherwise obstruct the operation
- **DO NOT**
 - Post unverified information on social media
 - Interfere with the investigation or otherwise put yourself in harm's way

Emergency Family Plan

Every family should have an emergency plan. This packet helps you create one, regardless of immigration status.

It includes templates to organize emergency contacts, create a list of people to help with your case, important documents, and, if needed, a short-term guardianship.

Make a Child Care Plan

Talk to Your Children About Your Plan

- Reassure your children they'll be cared for if you're unable to, and tell them who will look after them until you can.

Choose a Caregiver for Your Children if You Are Unable To

- Talk to potential caregivers about being emergency contacts.
- Memorize their phone numbers, and ensure your children do too.
- Let your children know who can and cannot pick them up from school and who will care for them.
- Schools may only release your child to designated adults.
- Regularly update emergency contact and release forms for school, afterschool, daycare, and other programs.
- Include names of those who can and cannot pick up your child.

Write Down Instructions for Your Child's Medical Conditions and Medications

- Write down your child's medical conditions, allergies, medications, doctor, and health insurance details.
- Keep a copy in your emergency binder.
- Provide copies to your child's school and designated caregiver.
- Ensure your child knows where to find this information if needed.

Make Sure Your Children All Have Passports

- If your child was born in the U.S., visit www.travel.state.gov for U.S. passport information.
- If your child was born in your home country, check with your embassy or consulate about getting a passport.
- You can also register your U.S.-born child's birth with your home country's government (such as at your consulate) for potential benefits, including possible citizenship.

Do I have to hire a lawyer and go to court to request a guardian for my children?

Not necessarily. There are several types of guardianship under Illinois law.

- Plenary (long-term) and standby guardianships require going to court.
 - In Chicago, you can file these cases without a lawyer; the Guardianship Assistance Desk at 69 W. Washington can help with paperwork.
- Short-term guardianship does not require court involvement.
 - To create a short-term guardianship, both the parent and guardian must sign a form in front of two witnesses.
 - A short-term guardianship lasts up to 365 days, but can be revoked at any time by the parent.

Where can I find more information about guardianships in Illinois?
