Chairman, Committee on the Budget and Government Operations

**From:** Nick Lucius  
Chief Information Officer  
Department of Technology and Innovation

**CC:** Mayor's Office of Intergovernmental Affairs

**Date:** December 2, 2024

**Re:** Request for Information from Annual Appropriation Committee Hearing

**ID#:** 06-01 "List of all contractors, broken down by prime, subcontractors with W/  
MBE ethnicity details"

---

The following information is provided in response to questions posed at our department's hearing on November 21, 2024 to discuss the proposed 2025 budget.

Alderperson Mitts asked for a list of all IT Prime vendors, their MBE/WBE status, and breakdown of payments to subcontractors along with the percentages paid to MBE/WBE firms.

Please find the attached document with the requested information.

As always, please let me know if you have any further questions.

**From:** Nick Lucius  
Chief Information Officer  
Department of Technology and Innovation

**CC:** Kennedy Bartley  
Chief External Affairs Officer, Mayor's Office

**Date:** December 2, 2024

**Re:** Request for Information from Annual Appropriation Committee Hearing

**ID#:** 06-02 "Youth Community Engagement Digital Services"

---

The following information is provided in response to questions posed at our department's hearing on November 21, 2024 to discuss the proposed 2025 budget.

Aldersperson Mitts asked for a list of youth community engagement efforts.

DTI has engaged in numerous community engagement efforts in 2024, including several engagements with Chicago youth. Please find the below list detailing these engagements.

- CIO Nick Lucius joined as a member of the Chicago City Colleges Advisory council
- CIO Nick Lucius attended Brentano Math and Science Academy to discuss technology in Chicago Public Schools on behalf of Mayor Johnson during the first week of school in August
- DTI visited [XChange](#), a program established by vendor partner SDI Presence, to learn about how the city's IT vendors are investing locally in workforce development and neighborhood revitalization efforts
- DTI's senior leadership attended the series of Budget Engagement events led by the Mayor's Office to obtain direct public input on the budget proposal
- DTI CIO and staff regularly attend [Chi Hack Night](#), a weekly event focused on civic improvement projects through data, design and technology
- DTI participated with [GET Cities](#) to discuss inclusive technology initiatives and increase equity in the technology industry
- DTI Executive Director Roderick Warren attended Take Back the Block events in partnership with the Mayor's Office of Community Safety to foster community engagement

- DTI leadership and staff visited migrant shelters to observe operations and understand how DTI can support departments in their service delivery, including DFSS

As always, please let me know if you have any further questions.
