MEMORANDUM

То:	The Honorable Jason Ervin Chairman, Committee on the Budget and Government Operations
From:	Patricia Jackowiak Director/Chief Administrative Law Judge Department of Administrative Hearings
CC:	Kennedy Bartley Chief External Affairs Officer, Mayor's Office
Date:	December 12, 2024
Re:	Request for Information from Annual Appropriation Committee Hearing
ID#:	30-02

The following information is provided in response to questions posed at our department's hearing on December 3, 2024, to discuss the proposed 2025 budget.

Alderman Lee and Lawson asked for a breakdown of citations by department/ward. Since 2019 where are the cases coming from and where are the drop-offs?

Please see the attached report. Please note that non-suits in Buildings cases confirm that there was full compliance by the property owner and <u>not</u> a failure to prosecute. Also, these reports capture the initial dispositions and do not include the results of any motions to set aside a default judgement.

As always, please let me know if you have any further questions.
