## 2009 Wrigley Field Resident Permit Parking Program Information

City of Chicago  
 Richard M. Daley, Mayor

## Program overview

The City of Chicago's Wrigley Field Permit Parking Program is designed to address the parking problems in Lake View and Uptown communities resulting from night baseball at Wrigley Field. The program's primary function is to preserve legal on-street parking for area residents during all night games. This is accomplished through the distribution and display of special Night Baseball Parking Permits. (Please see map detailing permit parking area boundaries.) Cubs Night Game Parking Permits are only valid in LV2 zones on night game and night concert dates. The parking permit is also valid for concerts that take place at Wrigley Field. **LV2 permit not valid in any other resident parking zone.**

## Who is eligible for parking permits?

Each resident living within the program area having a current City Vehicle Sticker is eligible for night baseball parking permits. The parking permit is also valid for concerts that take place at Wrigley Field.

## How does this program work?

Under this program, parking is restricted during all Chicago Cubs night games and concerts to those vehicles displaying a valid Parking Permit. New 2009 Night Baseball permits are mailed to eligible residents prior to the first night game of the baseball season. They are also available at Lake View and Uptown aldermanic offices throughout the season for those residents who have recently moved into the community.

## What about enforcement?

The City of Chicago will tow illegally parked vehicles from the Night Baseball Parking Permit areas to a city auto pound. It will cost, at minimum, \$160.00 to retrieve a vehicle (Visa, MasterCard accepted). This may include vehicles belonging to residents who do not have properly displayed parking permits. Information as to towed vehicles can be obtained by calling 311.

Residents may request enforcement by reporting violations or abuses of the Night Baseball Permit Parking Program during all games to the Chicago Police Hotline (866) 427-3869.
