PART FOUR: POTENTIAL IMPACT OF THE PROPOSAL

PART FOUR

2501 S. Martin Luther King Drive, Chicago, Illinois

Fourteen Basic Policies:

1. Complete the publicly owned and locally controlled system along the entire Chicago Lakefront.

This application applies to privately owned property within the Private Use Zone of the Lakefront Protection District. The proposed development of the subject property will not affect or impact this policy. The Applicant has a contract to purchase the subject property commonly known as 2501 S. Martin Luther King Drive, Chicago, IL.

2. Maintain and enhance the predominantly landscaped, spacious and continuous character of the lakeshore parks.

This policy is not applicable because the subject property is within the Private Use Zone of the Lakefront Protection District and is not part of the lakeshore park system. The proposed development of the subject property will not affect or impact the landscaping, spacious and continuous character of the lakeshore parks or the immediate vicinity.

3. Continue to improve the water quality and ecological balance of Lake Michigan.

The subject property is located west of Lake Shore Drive and immediately south of I-55 (Stevenson Expressway). The proposed development of the subject site will not have a negative impact on the water quality and ecological balance of Lake Michigan.

4. Preserve the cultural, historical, and recreational heritage of the lakefront parks.

This policy is not applicable because the subject property is within the Private Use Zone of the Lakefront Protection District and is not part of the lakeshore park system. The proposed development of the subject property with a new one-story restaurant with an accessory drive-through lane will not affect or impact the lakefront parks.

5. Maintain and improve the formal character and open water vista of Grant Park with no new above ground structures permitted.

This standard does not apply because the subject site is not adjacent to the Grant Park area.

6. Increase the diversity of recreational opportunities while emphasizing lake-oriented leisure time activities.

This policy is not applicable because the subject property is within the Private Use Zone of the Lakefront Protection District and is not part of the lakeshore park system. The proposed development of privately owned property with a new one-story restaurant with an accessory drive-through lane will not affect or impact this policy.

7. Protect and develop natural lakeshore parks and water areas for wildlife habitation.

This policy is not applicable because the subject property is within the Private Use Zone of the Lakefront Protection District and is not part of the lakeshore park system.

8. Increase personal safety.

The proposed development of the subject property with a new one-story restaurant with an accessory drive-through lane will not adversely impact this policy. To the contrary, the proposed development will activate a currently vacant commercial corner located immediately adjacent to the City of Chicago's expressway systems.

9. Design all lake edge and lake construction to prevent detrimental shoreline erosion.

The proposed development of the subject property will not adversely impact shoreline erosion, in as much as the subject property is located west of Lake Shore Drive and approximately 1/3 of a mile west of the shoreline.

10. Ensure a harmonious relationship between the lakeshore parks and the community edge, but in no instance will private development be permitted east of Lake Shore Drive.

The proposed development of the subject property will promote the harmonious relationship between the lakeshore parks and the community edge. The subject property is located west of Lake Shore Drive. The Applicant believes the location of a pedestrian-friendly quick service restaurant (Dunkin) will serve customers utilizing the amenities at McCormick Center and the open space offered along the lakefront located east of the subject site.

11. Improve access to the lakeshore parks and reduce through vehicular traffic on secondary park roads.

This policy is not applicable because the subject property is located within the Private Use Zone of the Lakefront Protection District and is not part of the lakeshore park system. The proposed development of the subject property will not affect or impact the access to lakefront parks or vehicular traffic on secondary park roads. The Applicant's proposed development of the subject property will not change or alter the existing traffic patterns on S. Martin Luther King Drive or E. 25th Street.

12. Strengthen the parkway characteristic of Lake Shore Drive and prohibit roadway and expressway standards.

This policy is not applicable because the subject property is located within the Private Use Zone of the Lakefront Protection District and is not part of the lakeshore park system. The

Applicant's proposed development of the subject property will not change or alter the existing traffic patterns on S. Martin Luther King Drive or E. 25th Street.

13. Ensure that all port, water supply, and public facilities are designed to enhance lakefront characteristics.

This policy is not applicable because the proposed development of the subject property includes no such public facilities.

14. Coordinate all public and private development within the water, park and community zones.

The Applicant is committed to working with the alderman and community to ensure that the proposed development of the subject property will have minimal impact on the surrounding neighborhood.

Thirteen Purposes:

1. To promote and protect the health, safety, comfort, convenience, and the general welfare of the people, and to conserve our natural resources.

The proposed development of the subject property will promote, protect and enhance the quality of life of the residents and visitors by providing a quick-service restaurant for customers living in and/of visiting the subject area. The project will not adversely impact the natural resources of the area. The project calls for the development of a currently vacant privately owned lot located at a highly visible commercial corner.

2. To identify and establish the Lake Michigan and Chicago Lakefront Protection District and to divide that District into several zones wherein any and all development or construction, as specified in Article V hereinafter, shall be specifically restricted and regulated.

The proposed development of the subject site will conform to the applicable regulations identified and established by the Lake Michigan and Lakefront Protection District.

3. To maintain and improve the purity and quality of the waters of Lake Michigan.

This purpose relates to the establishment of the public and private use zones and does not apply to individual properties or projects located in those zones. The proposed development of the subject property will not adversely affect or impact this purpose.

4. To insure that construction in the Lake or modification of the existing shoreline shall not be permitted if such construction or modification would cause environmental or ecological damage to the Lake or would diminish water quality; and to insure that the patterns of fish, migratory birds and other fauna are recognized and supported.

The proposed development of the subject property will have no impact on the lake or existing shoreline because the project does not involve any construction in the lake or modification to the existing shoreline. Again, the subject property is located west of Lake Shore Drive and approximately 1/3 of a mile west of the Lake Michigan shoreline.

5. To insure that the Lakefront Parks and the Lake itself are devoted only to public purposes and to insure the integrity of and expand the quantity and quality of the Lakefront Parks.

The subject property is located within the Private Use Zone of the Lakefront Protection District and is not part of the lakeshore park system. The proposed development of the subject property will not affect or impact the Lake or Lakefront Parks.

6. To promote and provide continuous pedestrian movement along the shoreline.

The proposed development will not affect or impact the pedestrian movement along the shoreline. The subject site is separated from the shoreline by Lake Shore Drive and the open park system located immediately adjacent to the Lake Michigan shoreline.

7. To promote and provide for pedestrian access to the Lake and Lakefront Parks from and through areas adjacent thereto at regular intervals of one-fourth mile and additional places wherever possible, and to protect and enhance vistas at these locations wherever possible.

The proposed development will not affect pedestrian access to the Lake and/or Lakefront Parks. The pedestrian sidewalks abutting the subject property will be maintained to allow for continued use by pedestrians and passersby. The subject property is located west of Lake Shore Drive and does not contemplate roadway improvements that would impact pedestrian access to the Lakefront park system.

8. To promote and provide for improved transportation access to the Lakefront.

As mentioned above, the proposed development of the subject vacant lot does not contemplate roadway improvements or alternations that would impact access to the lakefront.

9. To insure that no roadway of expressway standards, as hereinafter defined, shall be permitted in the lakefront Parks.

As mentioned previously, the subject site is located west of Lake Shore Drive and approximately 1/3 of a mile west of the Lakefront park system. The proposed development will not affect or impact on the Lakefront Parks.

10. To insure that development of properties adjacent to the Lake or the Lakefront Parks is so defined as to implement the above-stated purpose, provided, however that with respect to property located within the Private Use Zone as established by Article

V, VI and IX of this Ordinance, the permitted use, special use, lot area per dwelling unit, and floor area ratio provisions of the Chicago Zoning Ordinance, Title 17 of the Municipal Code of Chicago, shall govern except where such provisions are in substantial conflict with the purposes of this Ordinance or the Fourteen Basic Policies of the Lakefront Plan of Chicago.

The proposed development of the subject property will conform to all the above-mentioned requirements of Title 17 of the Municipal Code of Chicago and is compatible with the existing commercial and retail buildings located on the east side of S. Martin Luther King Drive.

11. To achieve the above-stated purposes, the appropriate public agency should acquire such properties or rights as may be necessary or desirable.

The subject property is located within the Private Use Zone and does not have the potential to contribute to the lakefront park system or other lakeshore public amenities.

12. To define and limit the powers and duties of the administrative body and officers as provided herein.

This purpose does not apply to individual privately-owned properties or projects.

13. Nothing contained in the Lake Michigan and Chicago Lakefront Protection Ordinance shall be deemed to be a waiver or consent, license or permit to use any property or to locate, construct or maintain any building, structure or facility or to carry on any trade, industry occupation or activity which may be otherwise required by law.

The proposed development of the subject property with a new one-story restaurant building with an accessory drive-through lane must be in compliance with the Municipal Code of the City of Chicago, and all other relevant requirements therein, in order to obtain building permits and proceed with the construction of this building. Please note the Applicant obtained Special Use approval from the Chicago Zoning Board of Appeals for the establishment of the accessory drive-through lane (ZBA Cal. No. 249-23-S, Resolution dated October 23, 2023).
