The undersigned, Katie Jahnke Dale, an attorney with the law firm of DLA Piper LLP (US), which firm represents 1140 W Erie LLC, the applicant for a proposal to rezone the subject property from Residential-Business Planned Development No. 1480 to Residential-Business Planned Development No. 1480, as amended, certifies that said applicant has complied with the requirements of Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet in each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice will be sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for change in zoning on approximately June 12, 2024; and a source for additional information on the application.

14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of (i) 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning

Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. The Applicant acknowledges and agrees that the rezoning of the Property from B3-5 Community Shopping District to a Residential-Business Planned Development for construction of the Project triggered the requirements of Section 2-44-080 of the Municipal Code (the “Affordable Requirements Ordinance” or the “ARO”). The Applicant further acknowledges and agrees that the Property is located in the Near North/Near West Pilot Area, pursuant to Section 2-44-090 of the Municipal Code (the “Near North/Near West ARO Pilot Area Ordinance” or the “Pilot”). The Near North/Near West Pilot Area is divided into two zones: the Near North Zone and the Near West Zone. The Property is located in the Near North Zone. In the Near North Zone, pursuant to the ARO, the percentage of units in a residential housing project required to be affordable for a period of 30 years, whether rental or for-sale, is increased from 10% to 20%. Any developer of a residential housing project in the Near North Zone must provide the first 10% of units required to be affordable (the “First Units”) either: (i) in the residential housing project, or (ii) with the approval of the commissioner of the Department of Housing (“DOH”), subject to the transition provisions of Section 2-44-040(c), in consultation with the commissioner of the Department of Planning and Development (“DPD”) as appropriate, in an off-site location within two miles of the Property and in the same or a different higher income area or downtown district, or (iii) any combination of (i) and (ii). In addition, the developer must provide the second 10% of units required to be affordable (the “Additional Units”) either: (i) in the residential housing project, or (ii) with the approval of the commissioner of DOH (subject to the transition provisions of Section 2-44-040(c)), in consultation with the commissioner of DPD as appropriate, in an off-site location anywhere within the Near North/Near West Pilot Area, regardless of distance from the project or income area, or (iii) any combination of (i) and (ii). The project has a total of 113 housing units. As a result, the Applicant’s affordable housing obligation is 23 affordable units (20% of 113, rounded up), consisting of 11 First Units and 12 Additional Units. Applicant has agreed to satisfy its affordable housing obligation by providing 6 (six) First Units in the rental building to be constructed in the Planned Development, and 5 (five) First Units and the Additional Units off-site, to be approved by the DOH in consultation with DPD as appropriate, as set forth in the Affordable Housing Profile Form attached hereto. In accordance with the ARO Pilot, the Applicant is required to lease the First Units to households earning up to 60% of the Chicago Primary Metropolitan Statistical Area median income (“AMI”) at prices affordable to households at such income level, and the Additional Units to households earning up to 80% or 100% of AMI, as determined by rule and approved by the Commissioner at prices affordable to households at such income level. If the Applicant subsequently reduces (or increases) the number of housing units in the project, or elects to build a for-sale project instead of a rental project, or (with the Commissioner’s approval) elects to construct off-site units instead of on-site units, the Applicant shall update and resubmit the Affordable Housing Profile Form to DOH for review and approval. DOH may adjust the requirements to reflect any such change without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-44-080(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with

respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

17. Prior to the Part II Approval (Section 17-13-0610 of the Chicago Zoning Ordinance) for the “Hotel Use” the Applicant shall submit a site plan and floor plans identifying which units will be converted to hotel use for review and approval by the Department of Planning and Development (DPD). Review and approval by DPD is intended to assure that specific development components substantially conform with the Planned Development (PD) and to assist the City in monitoring ongoing development.

No Part II Approval for the Hotel Use shall be granted until Site Plan approval has been granted. Following approval by DPD, the approved Site Plan Approval Submittals, supporting data and materials shall be made part of the main file and shall be deemed to be an integral part of the PD.

After approval of the Site Plan, changes or modifications to the plans may be made pursuant to the provisions of Statement 12. In the event of any inconsistency between approved plans and the terms of the PD, the terms of the PD shall govern. Any Sub Area Site Plan Approval Submittals shall, at a minimum, provide the following information:

- fully-dimensioned site plan (including a footprint of the proposed improvements);
- fully-dimensioned floor plans indicating which units will be dedicated as a hotel use;
- fully-dimensioned building elevations;
- fully-dimensioned landscape plan(s);
- statistical information applicable to the site, including floor area, the applicable floor area ratio, uses to be established, building heights and setbacks;
- An updated traffic study; and,
- Approvals from CDOT, MOPD, and Fire.

Site Plan Approval Submittals shall include all other information necessary to illustrate substantial conformance to the PD.
