Public Notice is hereby given by the City of Chicago (the "City"), through the Department of Planning and Development (the "Department"), for the proposed disposition of city-owned land of approximately 9,961 square feet to Equiticity with offices located at 1655 South Blue Island Avenue, Chicago IL 60608, for the proposal described below.

Equiticity is a non-profit operationalizing racial equity by harnessing collective power through research, advocacy, programs, Community Mobility Rituals, and social enterprises to improve the lives of Black, Brown, and Indigenous people. Equiticity offers direct-services programs and uplifts community voices through advocacy initiatives.

In partnership with the City of Chicago's Department of Transportation (CDOT), Equiticity will assemble three parcels to develop "The Go Hub", a community mobility center that will serve residents of the North Lawndale community. The hub will primarily serve low- to moderate-income residents with severe transportation inequities. The Go Hub "hardware" includes the physical infrastructure, technology, and shared mobility devices necessary to grow and support mobility at a hyperlocal neighborhood level. The Go Hub's innovative software and hardware integration requires a physical space to serve as a community mobility center for the North Lawndale Community.

The transfer of properties is contingent upon Equiticity developing the property for the above-stated purpose. If the property is no longer used for the above-stated purpose, the property will be reverted to city ownership.

Public notice is issued announcing the City's intent for the sale of property. Competing proposals will not be accepted for transfer of property for public improvement projects supporting City Departments.
